Thank you for worshiping with us today!

“I wish you a happy new year. Let us put away everything like distrust and want of faith in Jesus forever. Let us commence a life of simple child-like trust, not relying upon feeling but upon faith.... Just believe and praise God and go forward. We are almost home....The Lord is coming. Look up and rejoice, for your redemption draweth nigh. I see in Jesus a compassionate, loving Redeemer, One who can save to the uttermost all who come unto Him. Bear your whole weight on the promises of God. Believe it is your privilege to believe.”
