

YOUNG  LIVING™

“And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat.”

Genesis 1:29

“Our Saviour... has supplied in the natural world remedies for the ills of man... We can use water and sunshine and the herbs which He has caused to grow for healing maladies brought on by indiscretion or accident.”

Manuscript 65, 1899.

“There are simple
herbs and roots that
every family may use
for themselves, and
need not call in a
physician...”

Letter 17a, 1893

“There are many simple herbs which, if our nurses would learn the value of, **they could use in the place of drugs,** and find very effective.”

Letter 90, 1908

“...Simple remedies as are found in pure water, pure air, sunlight, and some of the simple herbs growing in the field...they would leave no injurious effects in the system”

Manuscript 115, 1903

“There are simple herbs that can be used for the recovery of the sick, whose effect upon the system is very different from that of those drugs that poison the blood and endanger life.”

Manuscript 73, 1908

(Vicodin)

Hydrocodone/Acetaminophen

Prescription drug

Treats moderate to moderately severe pain.

This medicine contains a narcotic pain reliever.

Brand names:

Xodol, Hycet, Maxidone, Zydone, Zamicet, Lorcet, Cogesic, Zolvit, Stagesic, Vicodin, Norco, Liquicet, Lortab

Any side effects?

Side effects of Vicodin

Red = more serious

Psychological

- Anxiousness
- Dizziness
- Drowsiness
- Headache
- Mood changes
- Fainting
- Confusion
- Fear
- Unusual thoughts or behavior
- Loss of appetite

Skin

- Hives
- Itching
- Yellowing

Lungs

- Difficulty breathing
- Shallow breathing

Ears

- Ringing sound

Throat

- Swelling

Intestinal

- Constipation
- Clay-colored stools

Eyes

- Blurred vision
- Yellowing

Face, lips or tongue

- Dryness
- Swelling

Muscular

- Seizures

Heart

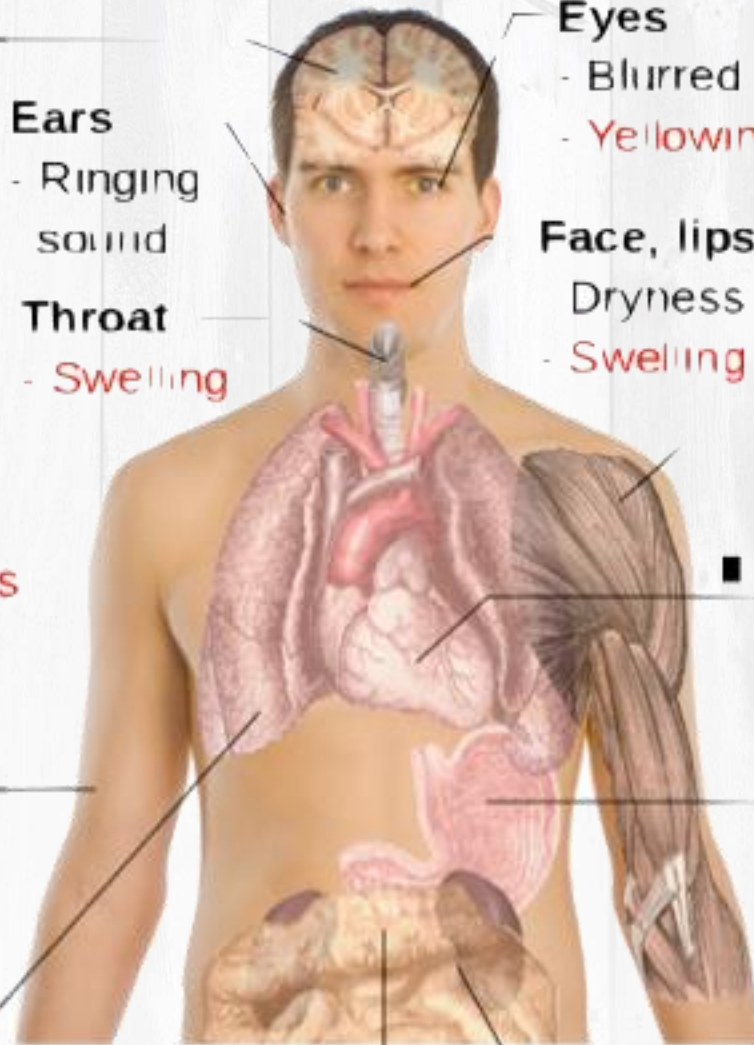

- Slowed heart rate

Stomach

- Nausea
- Vomiting
- Distress
- Pain

Urinary

- Problems urinating
- Dark urine

“The Lord has given some simple herbs of the field that at times are beneficial; and if every family were educated in how to use these herbs in case of sickness, much suffering might be prevented...**These old-fashioned, simple herbs, used intelligently, would have recovered many sick, who have died under drug medication.**”

Letter 82, 1897

The most stunning statistic, however, is that **the total number of deaths caused by conventional medicine is an astounding 783,936 per year.**

It is now evident that the American medical system is the leading cause of death and injury in the US. (By contrast, the number of deaths attributable to heart disease in 2001 was 699,697, while the number of deaths attributable to cancer was 553,251.5)

<http://www.webdc.com/pdfs/deathbymedicine.pdf>

A green leaf is shown at the top left, with a single drop of clear, golden liquid (essential oil) falling from its tip. Below the leaf, the neck and upper part of a brown glass bottle are visible, with the drop of oil about to enter it. The background is a gradient of green, transitioning from light green on the left to dark green on the right.

What is?

Essential Oil

Essential oils are aromatic volatile oils that come from plants or plant parts that contain the healing properties of the plants.

They are the life blood of the plant.

They are in lipid form and penetrate readily into our cells, effecting their benefits on us.

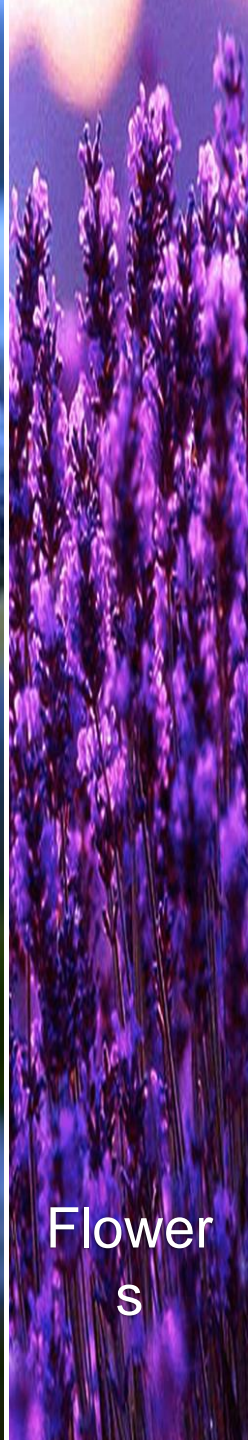

What is? Essential Oil

The oils with light molecular weight are easily absorbed by our skin in topical applications and enter readily into our

circulatory system. **100 to 10,000 times more concentrated than the herbs itself.**

Sometimes their effects are almost immediate.

Fruits

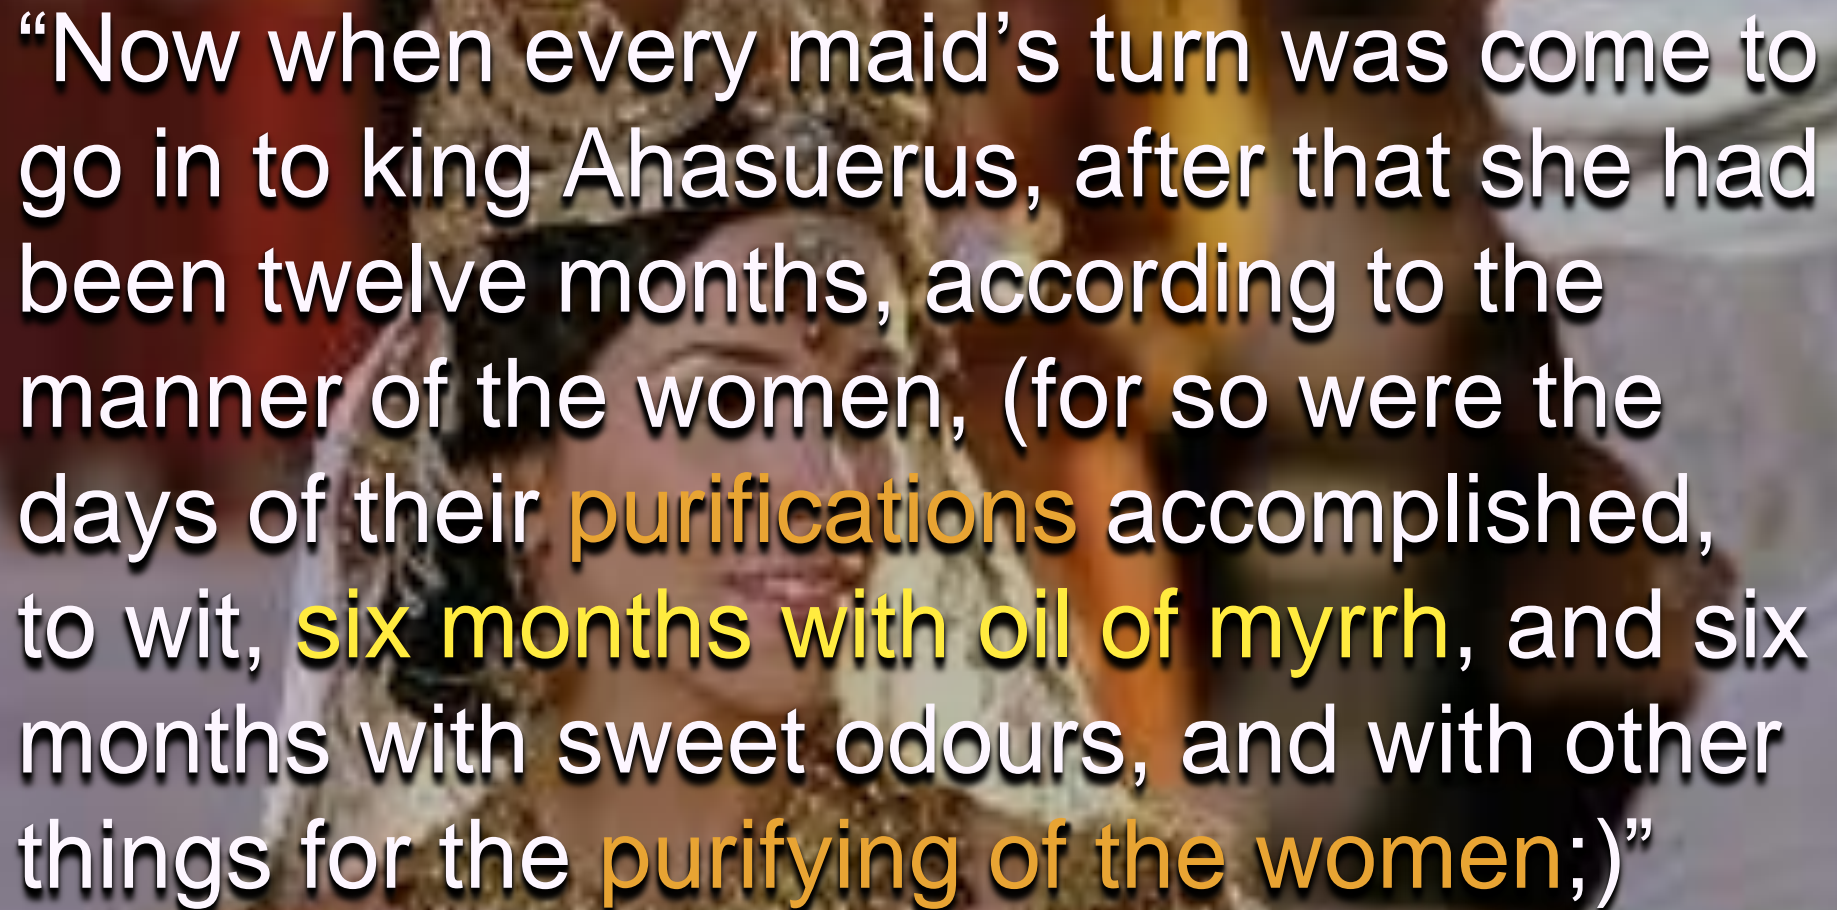

Flower
s

Nuts

“A company of Ishmeelites came from Gilead with their camels bearing spicery and **balm** and myrrh, going to carry it down to Egypt.”

Genesis 37:25

Balm = Distillation

“Now when every maid’s turn was come to go in to king Ahasuerus, after that she had been twelve months, according to the manner of the women, (for so were the days of their **purifications** accomplished, to wit, **six months with oil of myrrh**, and six months with sweet odours, and with other things for the **purifying of the women;**)”

Esther 2:12

Myrrh for purification.

Myrrh is a sap-like substance (resin) that comes out of cuts in the bark of trees that are members of the Commiphora species. Commiphora mukul, a related species, is not a source of myrrh. Myrrh is used to make medicine.

Myrrh is used for [indigestion](#), ulcers, [colds](#), cough, [asthma](#), [lung](#) congestion, arthritis pain, [cancer](#), [leprosy](#), spasms, and [syphilis](#). **It is also used as a stimulant and to increase menstrual flow.**

How does it work?

Myrrh can help decrease swelling (inflammation) and kill bacteria.

“Is there no **balm** in Gilead; is there no physician there? why then is not the **health** of the daughter of my people recovered?”

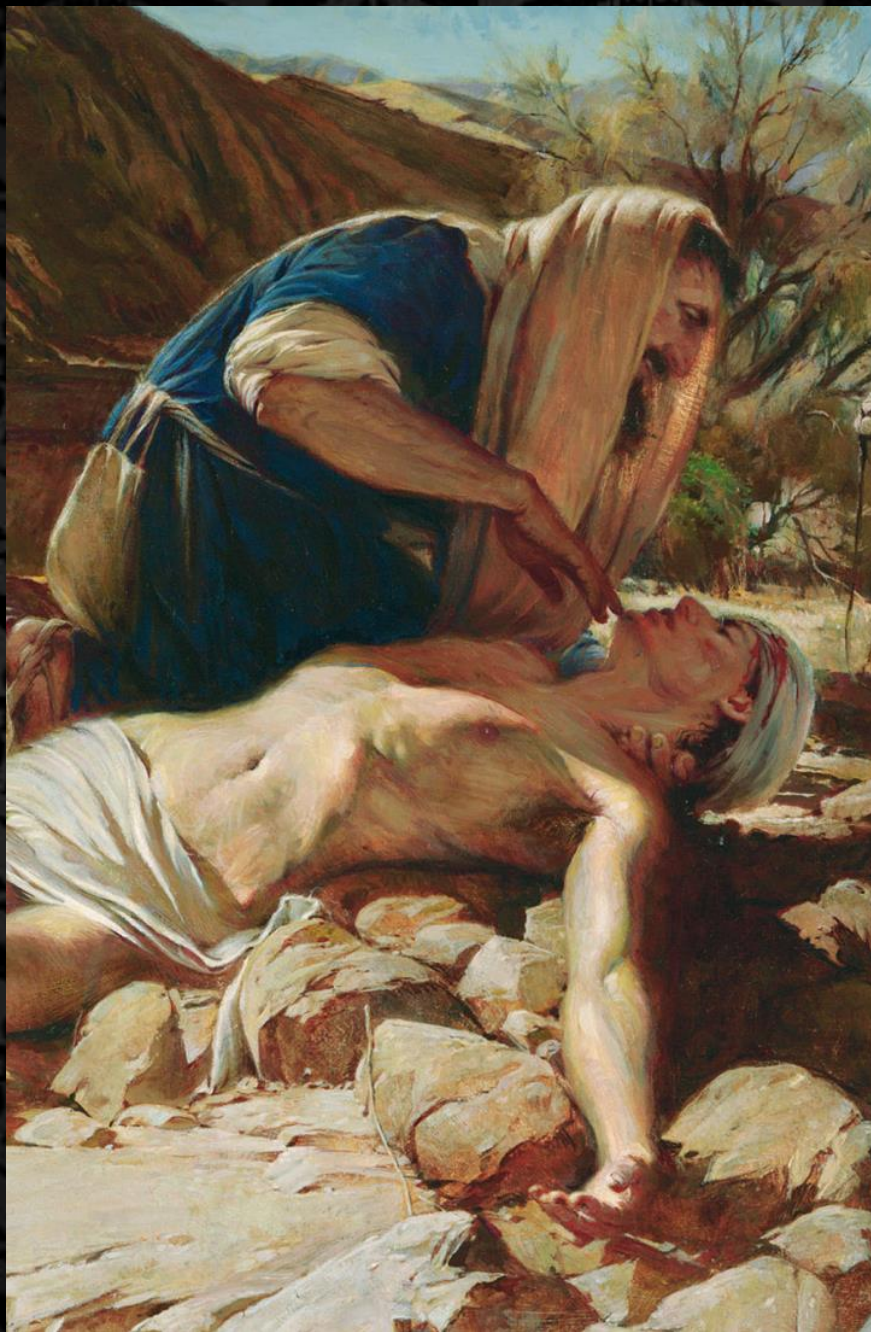

Jeremiah 8:22

“Babylon is suddenly fallen and destroyed: howl for her; take **balm for her pain**, if so be she may be healed.”

Jeremiah 51:8

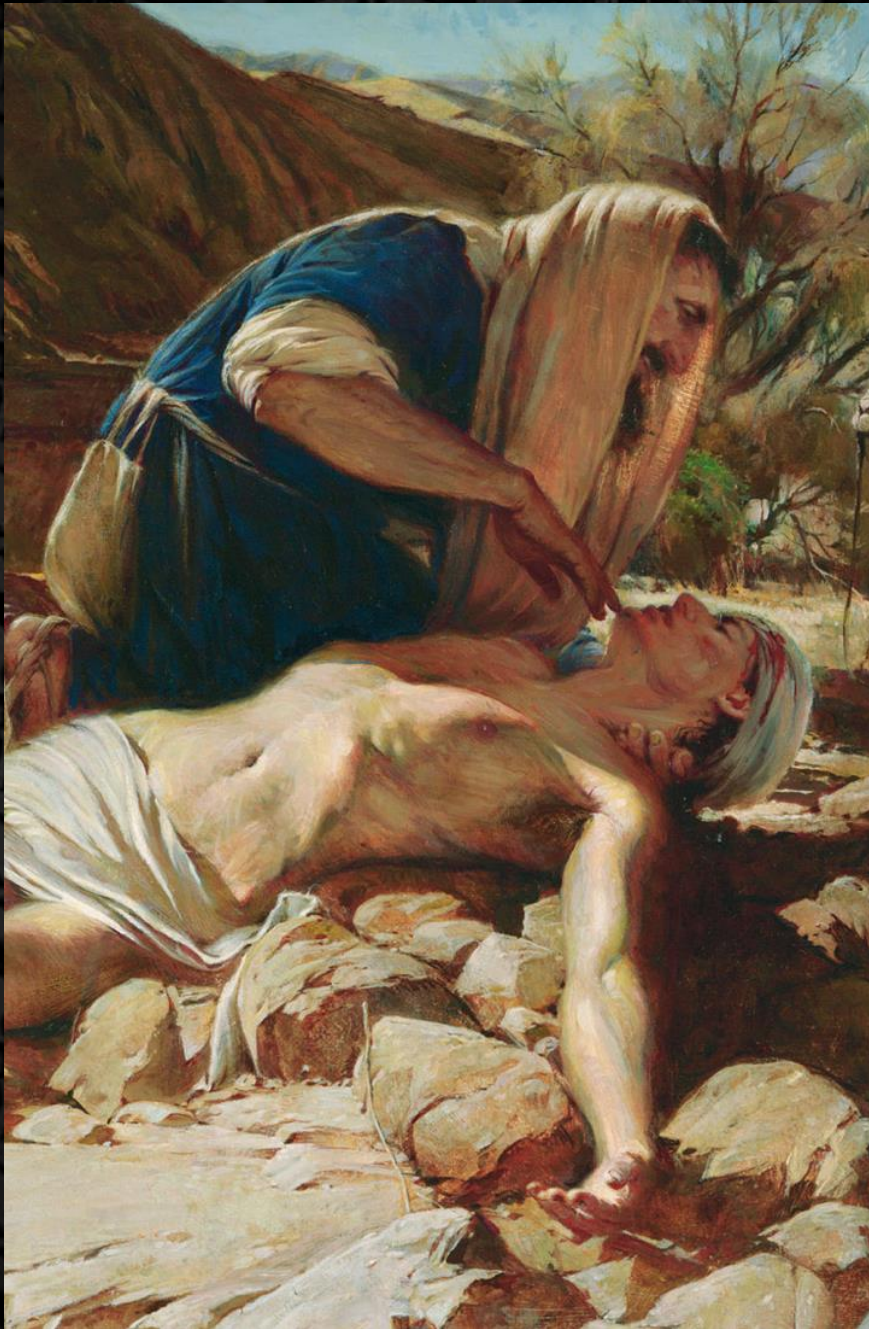

“And they cast out many devils,
and **anointed with oil many that
were sick, and healed them.**”

Mark 6:13

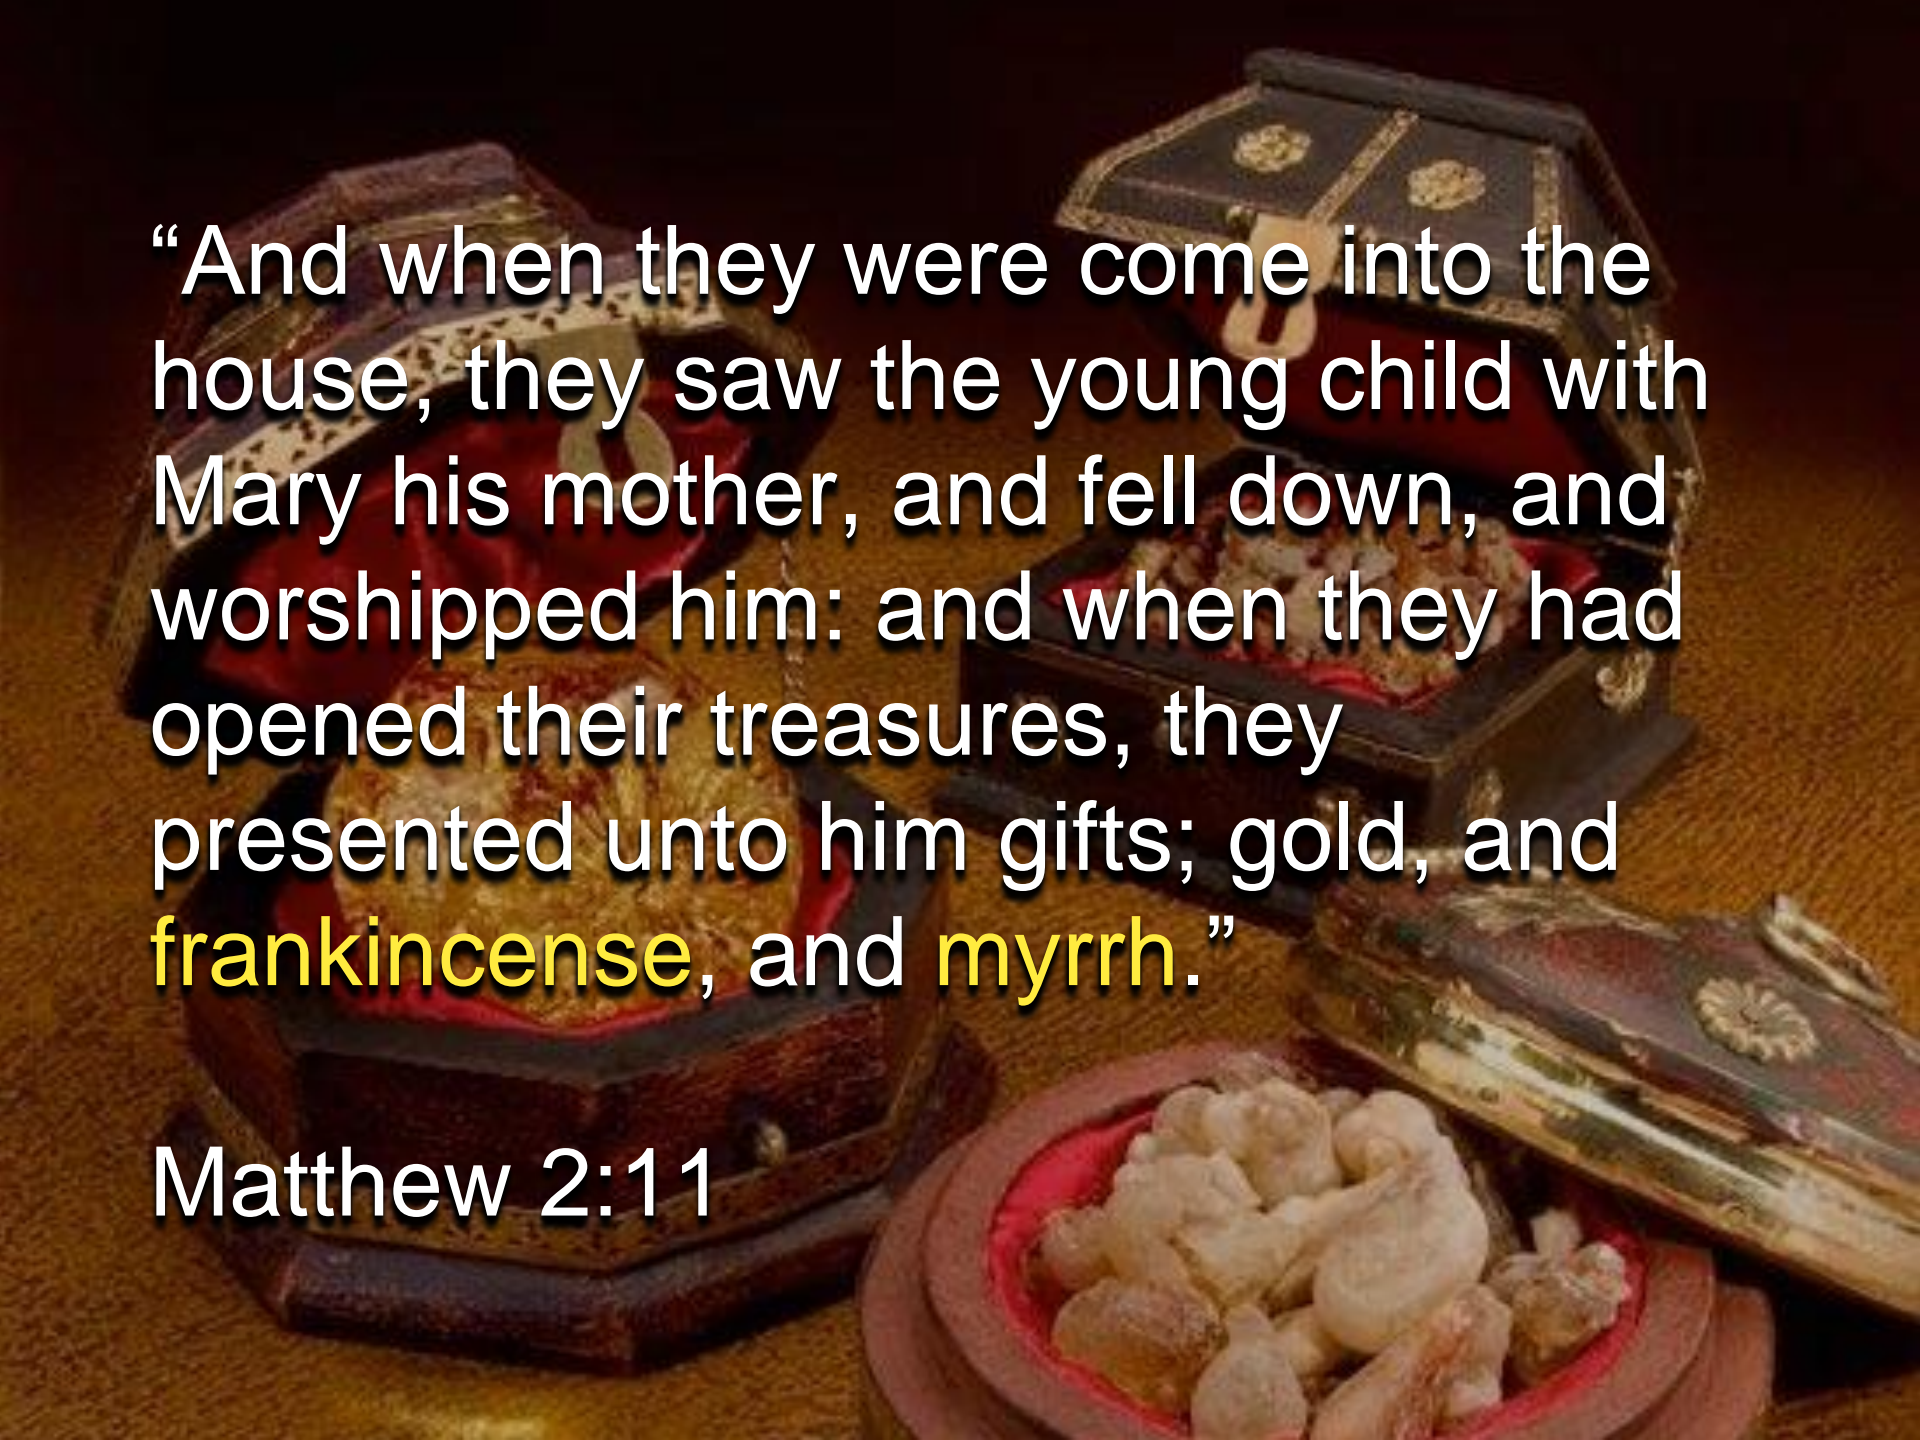

“And went to him,
and bound up his
wounds, pouring in
oil and wine, and set
him on his own
beast, and brought
him to an inn, and
took care of him.”

Luke 10:34

“The oil and wine provided for his own journey he used to **heal** and refresh the wounded man.”

The Desire of Ages
503

The image features several ornate, open treasure chests and boxes. One chest in the foreground is filled with gold coins. Another chest to the right is filled with white, crystalline substances, likely frankincense or myrrh. The chests are decorated with intricate patterns and colors, including red, gold, and blue. The background is dark, making the treasure chests stand out.

“And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold, and frankincense, and myrrh.”

Matthew 2:11

Benefits

Can prevent cancer growth.

Supports immune system.

Promote hormonal balance.

Natural cleansing.

[http://www.abundanthealth4u.com/Essential Oils Constituents s/41.htm](http://www.abundanthealth4u.com/Essential_Oils_Constituents_s/41.htm)

Terpenes - Inhibit the accumulation of toxins and help discharge existing toxins from the liver and kidneys.

Sesquiterpenes- Research from the universities of Berlin and Vienna show increased oxygenation around the pineal and pituitary glands. Further research has shown that sesquiterpenes have the ability to surpass the blood-brain barrier and enter the brain tissue, very high in anti-inflammatory and anti-bacterial activity.

Phenols - Are responsible for the fragrance of an oil. They are antiseptic, anti-bacterial...They contain high levels of oxygenating molecules and have antioxidant properties.

Your Everyday Essential Oils Can

- Anti-aging
- Antioxidant
- Fights virus
- Natural detoxing
- Natural pain killer
- Reduce heartburn
- Reduce inflammation
- Treats fungal infections
- Kills bacterial infections
- Fights parasitic diseases
- Inhibiting the formation of tumors

Blood Brain Barrier ^{What is?}

The blood brain barrier is a wall of high density cells that restricts passages of substances from the bloodstream into the brain. This protects our brain from foreign substances.

Since essential oils are lipid soluble and have very light molecular weight, they can pass through the BBB & effect their benefits. Frankincense and peppermint can carry more oxygen into the brain this way and some essential oils can also benefit those with Alzheimer's, memory loss, ADHD metal toxicity, and more.

Ningxia Re

Thieves

“Legendary oil”

1 Drop under
the tongue or in
a glass of water
at the onset of a
sore throat.

Few drops under the feet of children before they go to the kindergarten can shield them from bugs from other kids.

1 drop on a mask
when you are in the
hospital to avoid
MRSA and other
hospital germs.

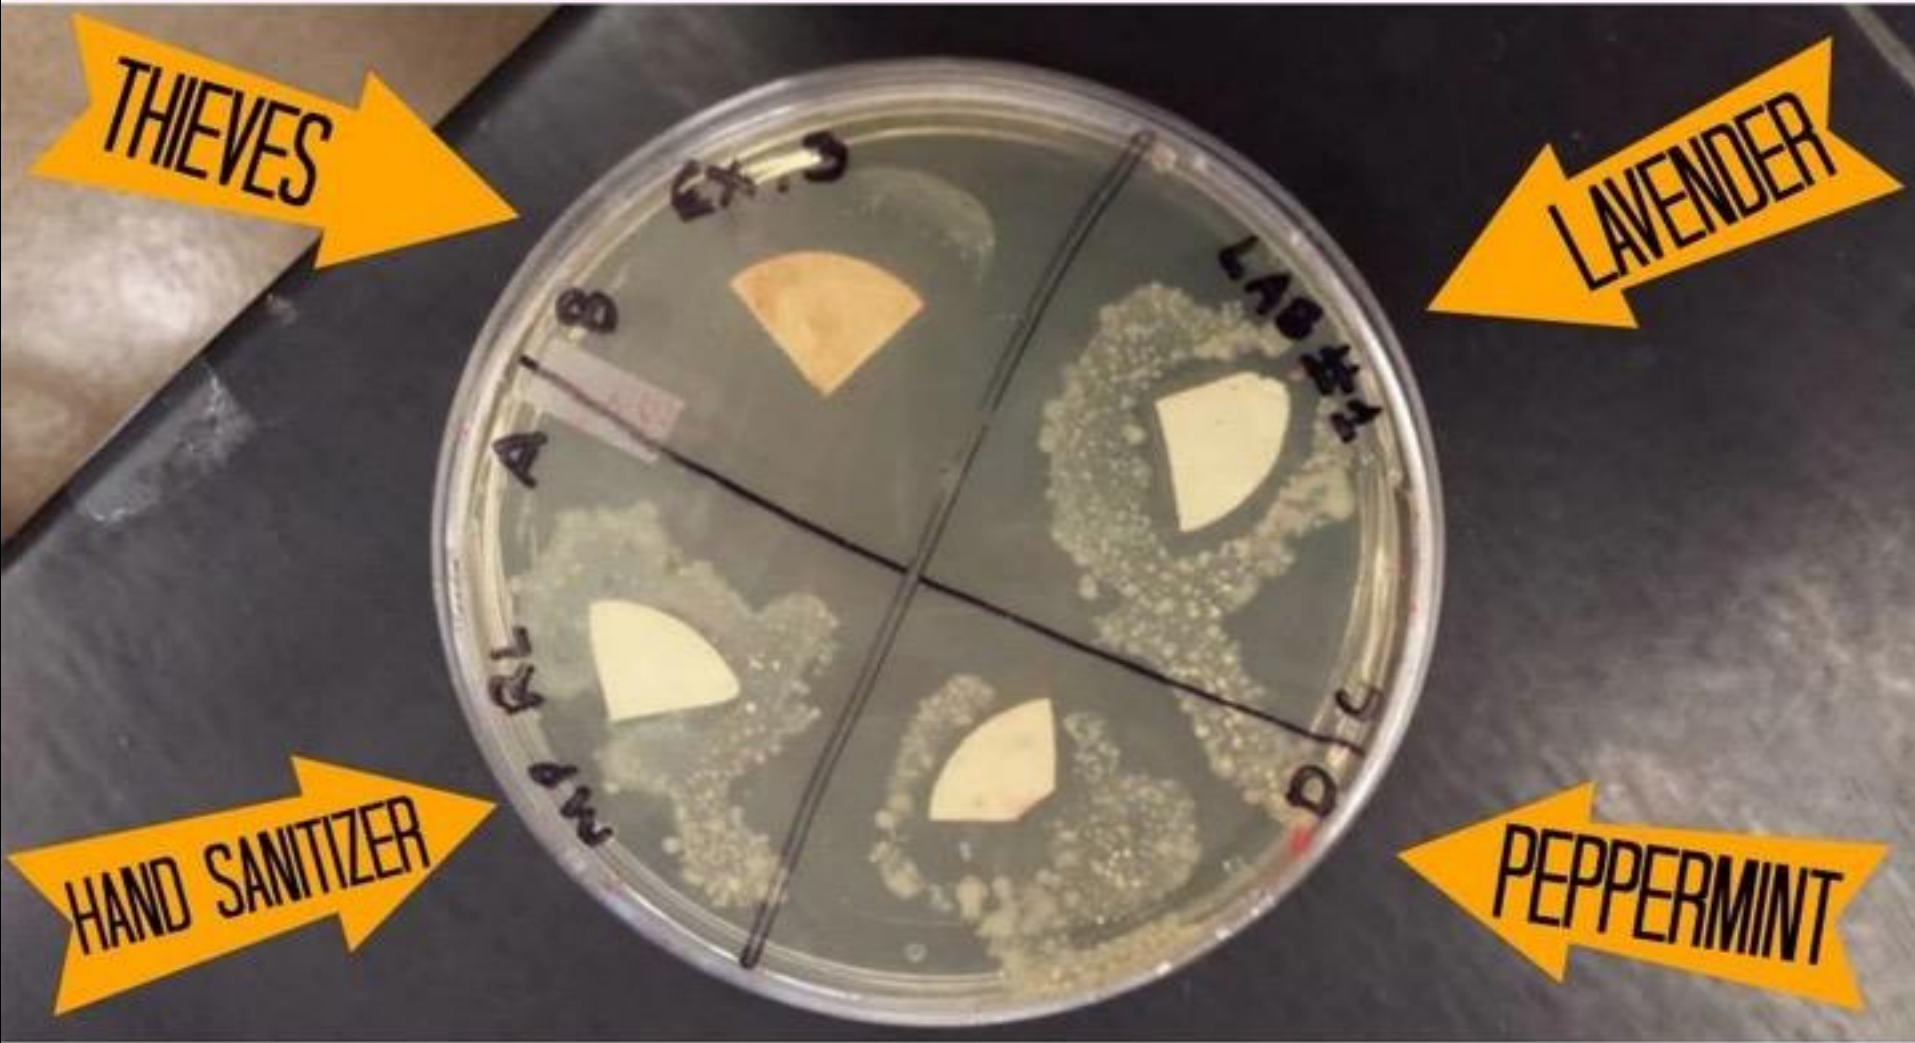

Great for ear infection!

*“Thieves oil doesn’t affect the attachment of virus to cells. It does not affect the proliferation in our cells. But, it **blocks the protein synthesis of the virus**, thus it can’t be spread. Other essential oils also have this type of properties.” ~ Dr. H.K. Lin*

Do you think Essential Oils are a Hoax? Think again!

This is a streak plate of staph and Young Living essential oils as a lab experiment on 10/9/13. The triangular papers were soaked in the following solutions...A - regular hand sanitizer B - Thieves essential oil C - Lavender essential oil D - Peppermint essential oil. One WEEK later, this was the result. As you can see, there is staph (the white dots surrounding the triangular paper) in the hand sanitizer quadrant, NONE in the Thieves quadrant and inhibited growth in the other quadrants. It is amazing that even Lavender and Peppermint did a better job keeping staph at bay than the hand sanitizer.*tested by: Rebecca Luttrell

Let Thieves steal away germs and viruses!

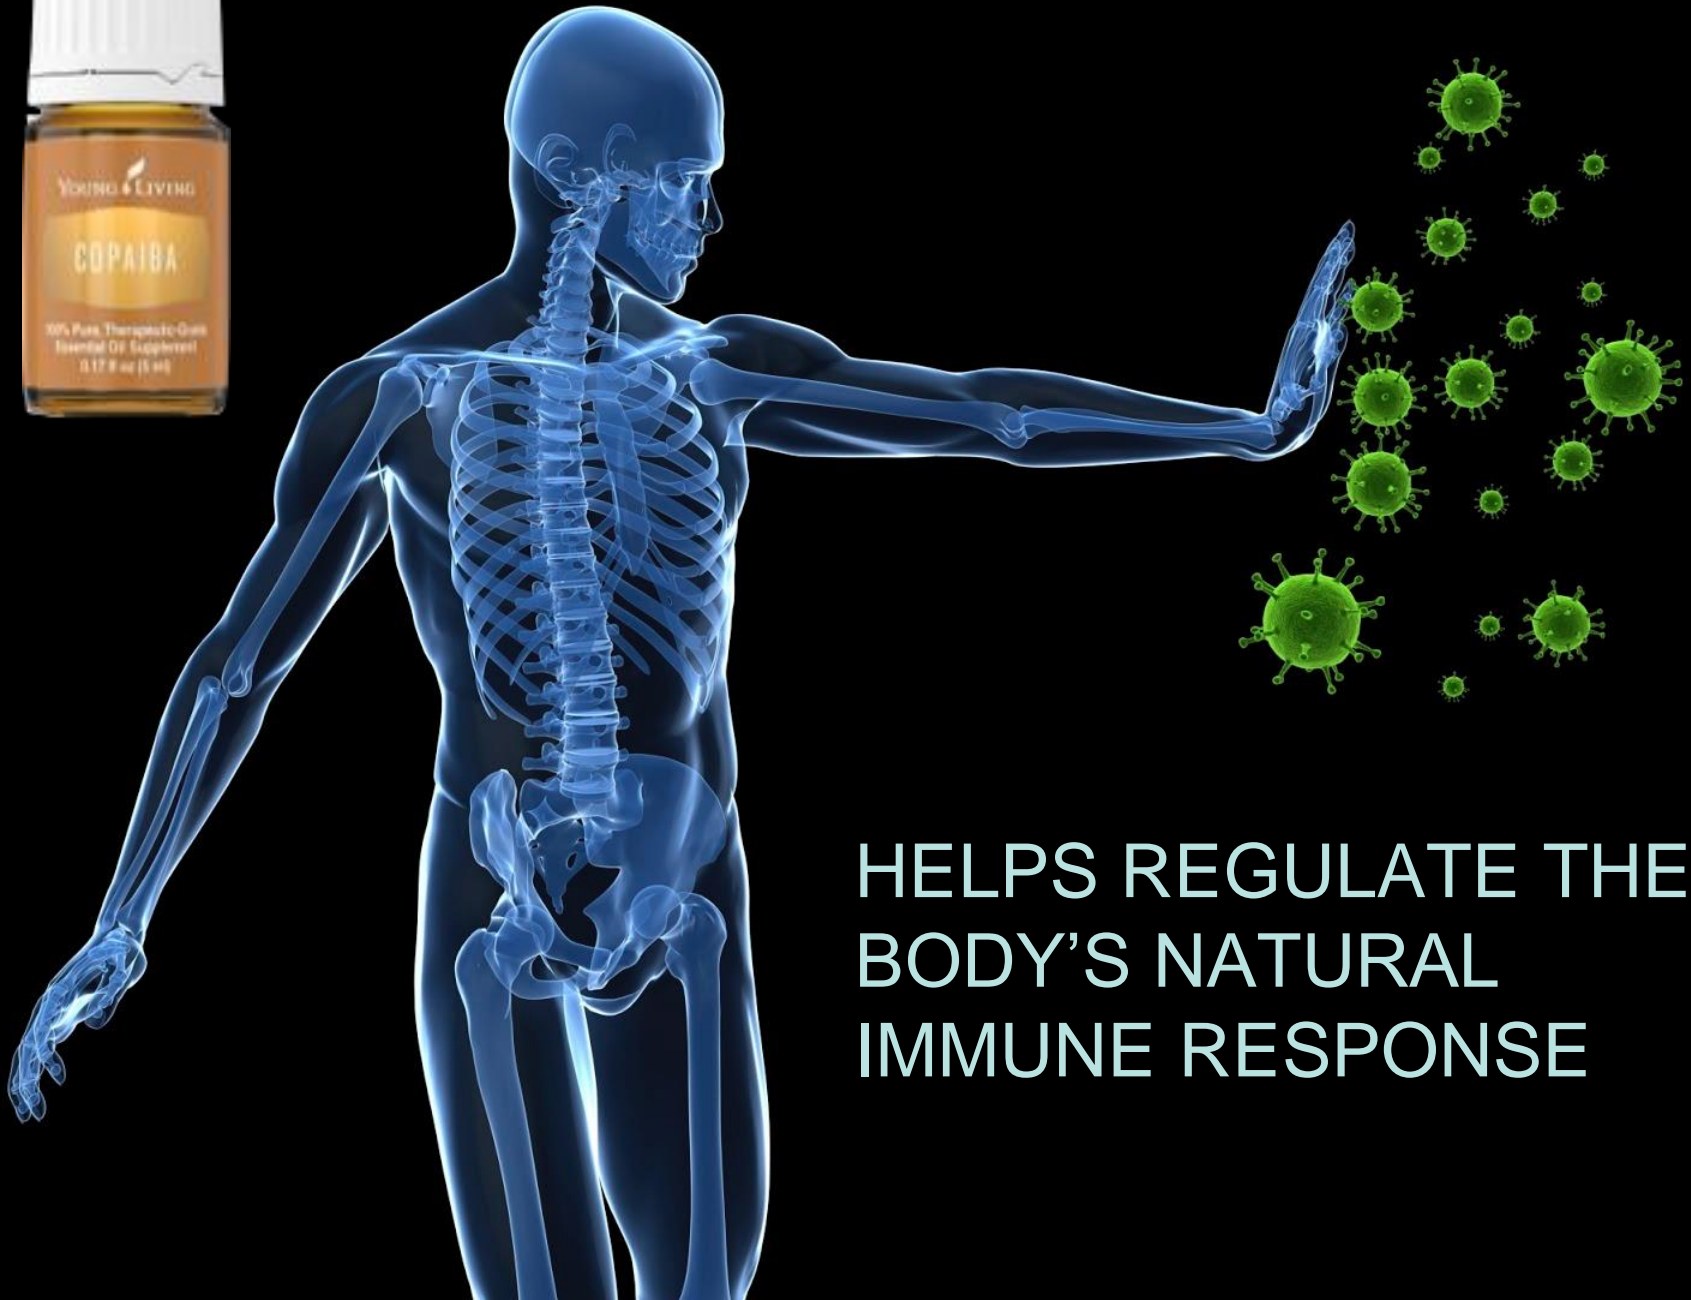

Copaiba

Natural Aspirin Oil

Alternative to Ibuprofen

HELPS REGULATE THE
BODY'S NATURAL
IMMUNE RESPONSE

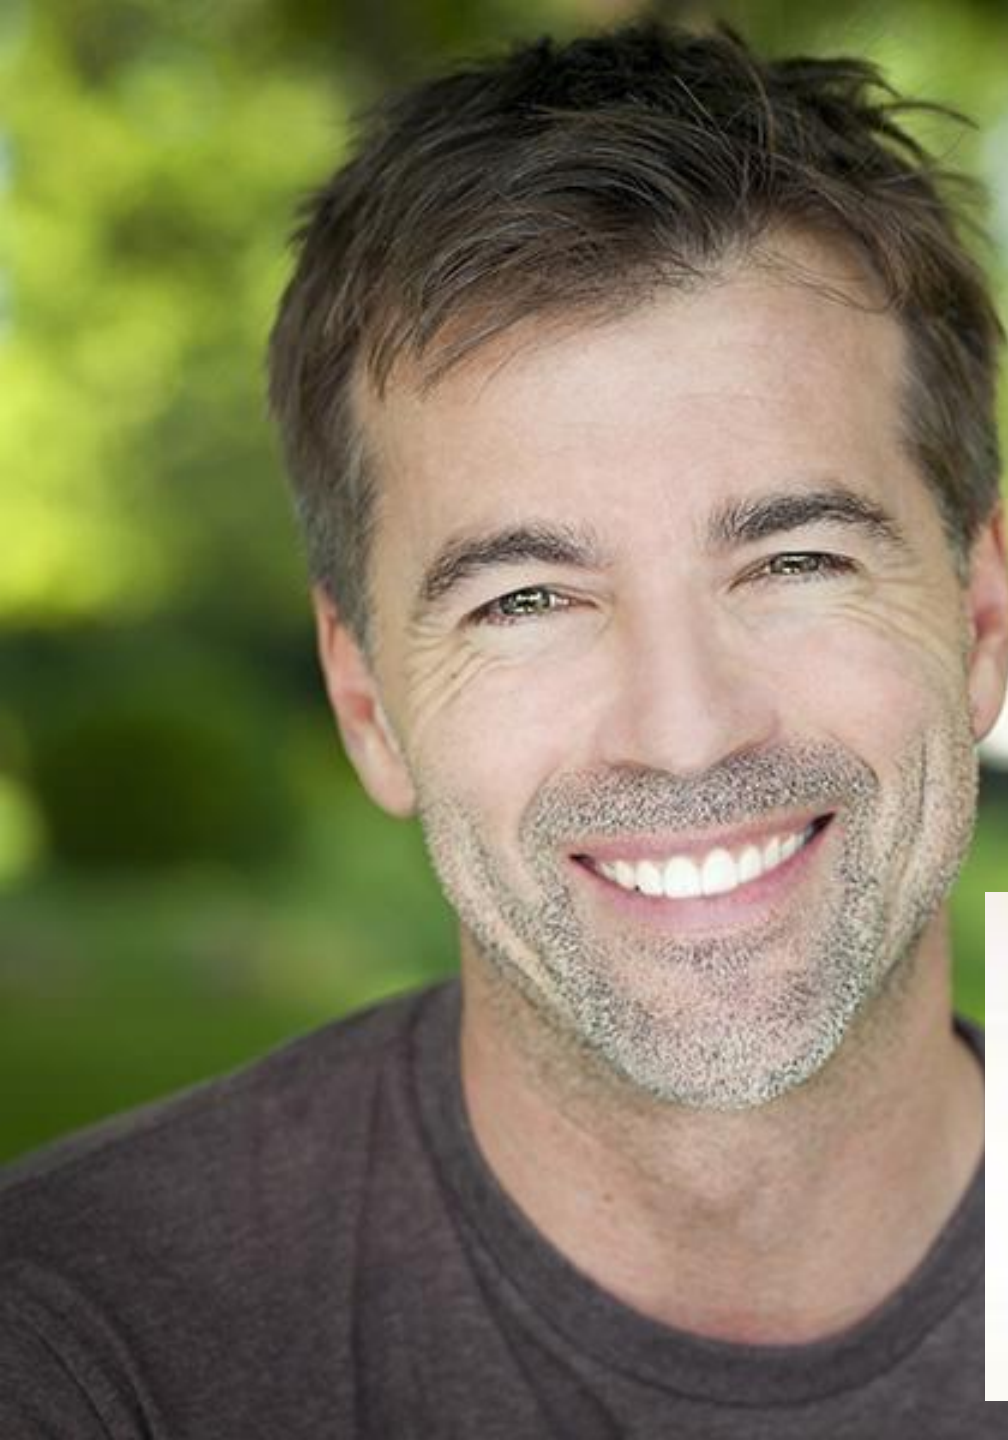

Sedative on
the nervous system

SOOTHES MINOR PHYSICAL DISCOMFORTS

Copaiba has antibacterial, antiseptic and stimulant properties making it a good oil for the circulatory and the pulmonary system; and illness due to bacterial infection such as bronchitis and kidney/bladder.

Frankincense

“Holy anointing oil”

Inhaling frankincense oxygenates both the pineal & pituitary glands, which then signals the thyroids to balance the hormones.

Killed Stage 3
Bladder Cancer Cells**

Frankincense oil killed Stage 3 Bladder Cancer cells - Pictures over 24 hours of treatment

I used 5 drops a day of Frankincense on the crown of my son's head to get him off seizure medication when he was 4. He is now 9 and I still rub the Frankincense.

Just a drop a day now.

No seizures at all.

I shared my experience with a lady a couple of weeks ago and she calls me a few days later thanking me because using the same method, her son's seizures are decreasing rapidly. Prior to frankincense, her son had them all day long.

Lemon

“Super cleanser oil”

Properties of Lemon Essential Oil

- Destroys Petrochemicals in the System
- Urinary Tract Infections
- Gum/Grease Remover
- Intestinal Parasites
- Bronchitis coughs
- Water Purification
- Air Disinfectant
- Hypertension
- Circulatory
- Digestion
- Eczema
- Obesity
- Cold

Clear out the toxins on your tongue
with a lemon drink upon waking

2-3 drops Lemon in water
balances the pH in the body
towards an alkaline state.

Helps with constipation with regular use of lemon water drink

Drink a glass of water with
3 drops lemon to relieve
heartburn.

Rub on elbows and feet to smoothen callus, corns and bunions.

Reduces phlegm
with regular use of
3 drops in water
everyday.

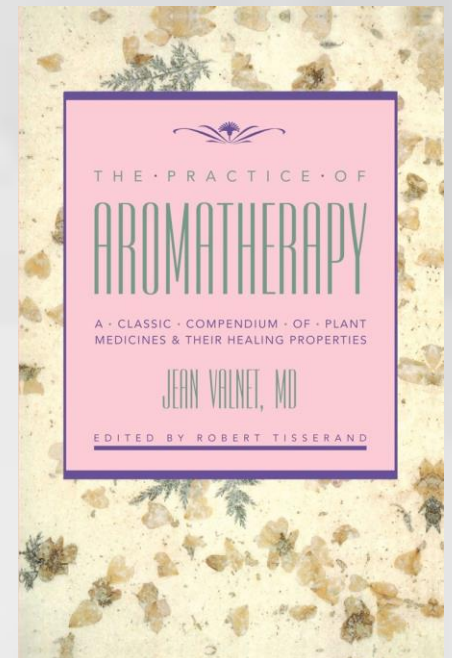

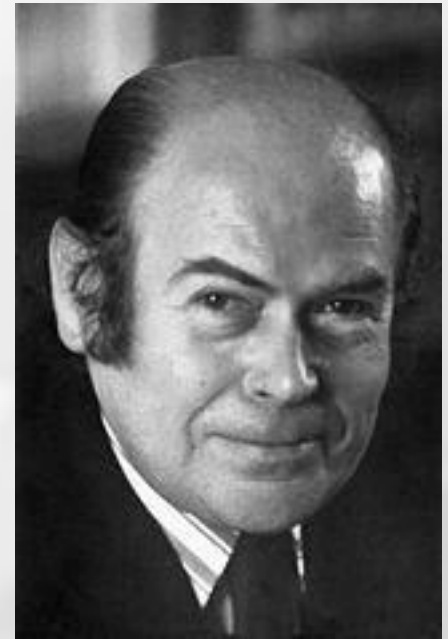

Diffusing or drinking
lemon while studying
can help to retain
information.

Use a drop when you
drink water from
restaurants. Kills germs.

“Research by Jean Valnet, MD showed that vaporized lemon oil can kill meningococcus bacteria in 15 minutes, typhoid bacilli in one hour, Staphylococcus aureus in two hours, and Pneumococcus bacteria within three hours. Even a 0.2% solution of lemon oil can kill diphtheria bacteria in 20 minutes and inactive tuberculosis bacteria.”

D-limonene in Essential Oils

D-Limonene: Safety and Clinical Applications, by Jidong Sun, PhD Summarized by Adolfo "Dolf" Cheng

1. DISSOLVE GALLSTONES
2. RELIEVE HEARTBURN
3. NORMAL PERISTALSIS (relieve constipation)
4. ANTI-CANCER ACTIVITY

Young Living "Citrus" Essential Oils are high in d-limonene

Grapefruit 95%

Tangerine 94%

Orange 91%

Mandarin 72%

Lemon 65%

Elemi - 50%

Canarium luzonicum, commonly known as elemi,

is a tree native to the **Philippines**;
oleoresin is harvested from it.

Lime 49%

Ledum 23%

A study with 200 patients reported a direct infusion of 20-30 mL d-limonene (97% solution) completely or partially **dissolved gallstones in 141 patients.** Stones completely dissolved in 96 cases (48%); partial dissolution was observed in 29 cases (14.5%); and in 16 cases (8%) complete dissolution was achieved with HMP, a chelating agent that can dissolve bilirubin calcium stones.

Because of its gastric acid neutralizing effect and its support of normal peristalsis, d-limonene has also been used for relief of heartburn and gastroesophageal reflux disorder (GERD). In vitro study suggests it may **neutralize the effect of gastric acid by coating the stomach** wall and protecting the mucosal lining from gastric acid exposure.

D-limonene induces phase I and phase II carcinogen-metabolizing enzymes (cytochrome p450), which **metabolize carcinogens to less toxic forms and prevent the interaction of chemical carcinogens with DNA.** D-limonene has been shown to enhance gastro-intestinal UDP-glucuronosyltransferase (UGT) activity in rats. It also **inhibits tumor cell proliferation, acceleration of the rate of tumor cell death and/or induction of tumor cell differentiation.**

Pan Away

“Pain away oil”

For Sprains

For Cramps

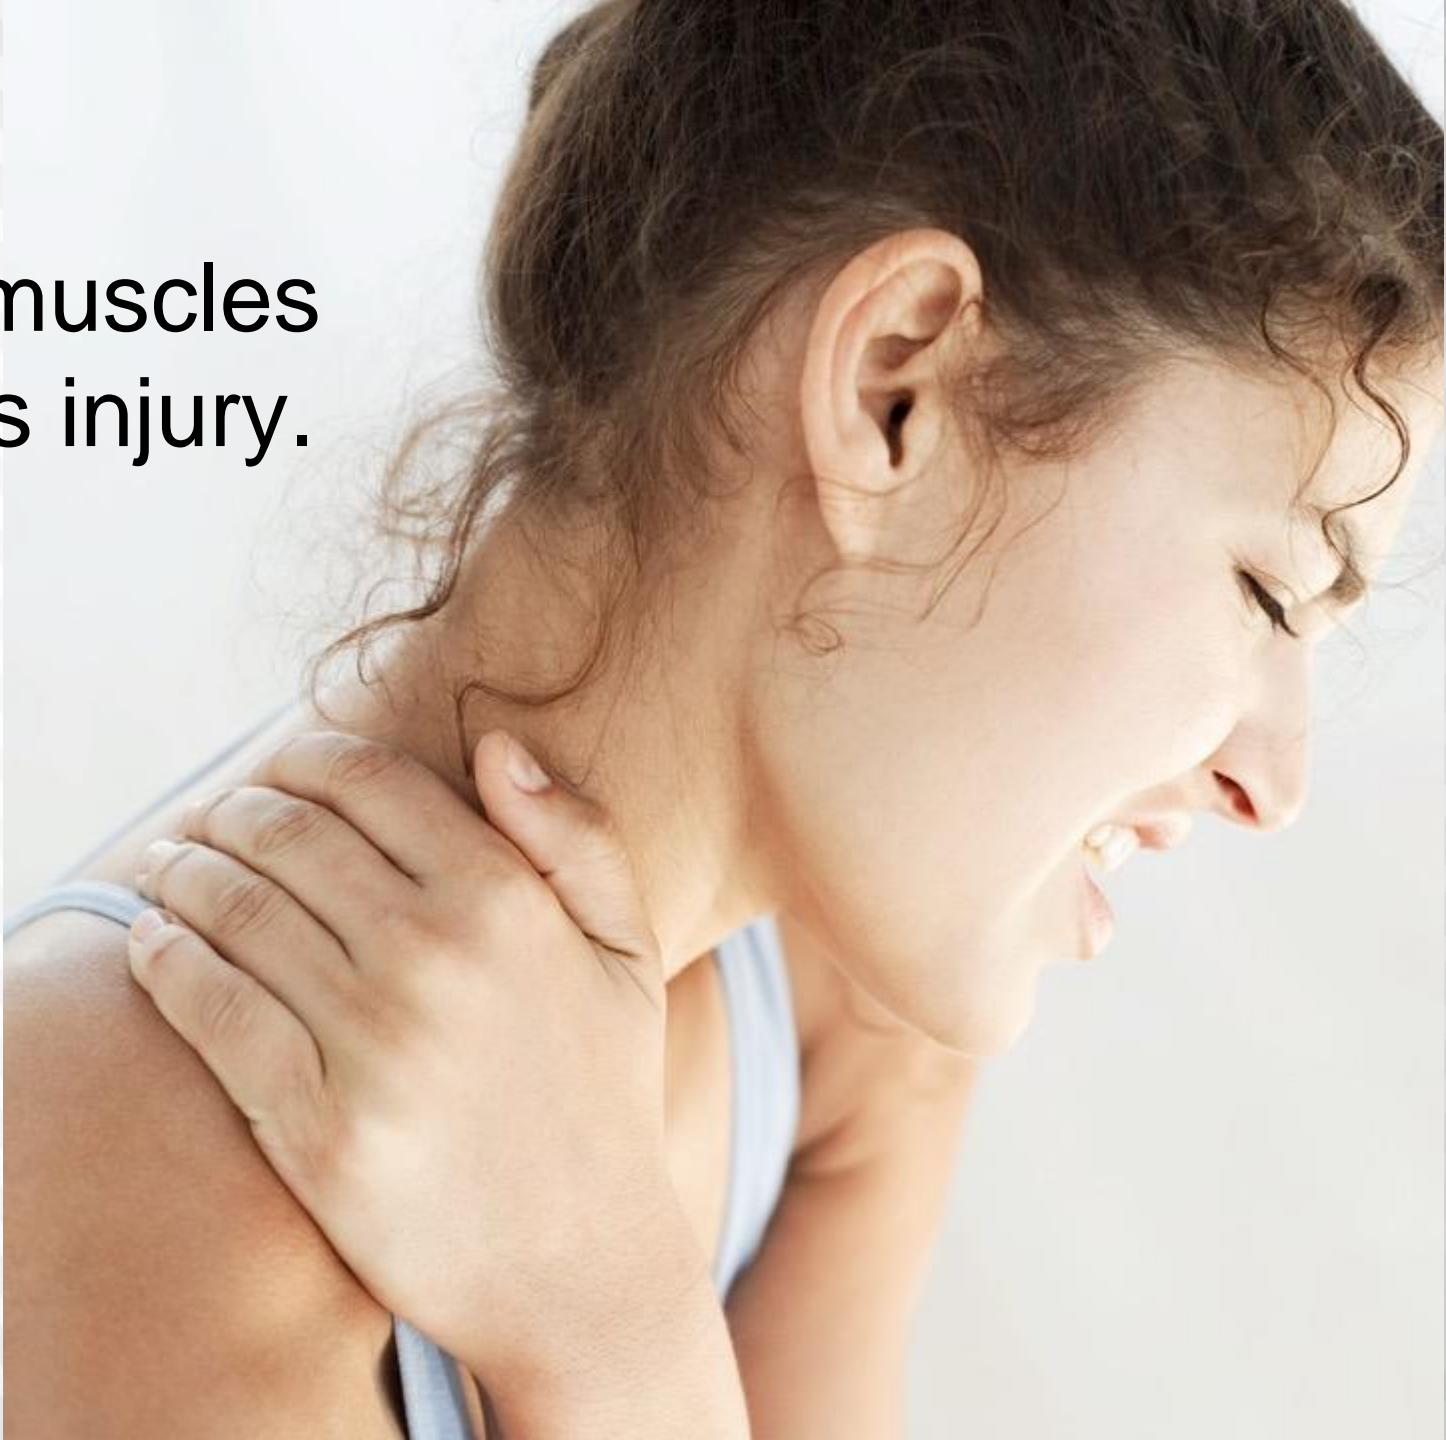

On a bad fall, immediately apply lavender for swelling then PanAway.

For sore muscles
and sports injury.

Use some PanAway on the cheeks for toothache. Add carrier oil if too hot.

PanAway may help
with RA or ease
arthritic pain.

DiGize

“Tummy Oil”

For Indigestion

For Morning Sickness

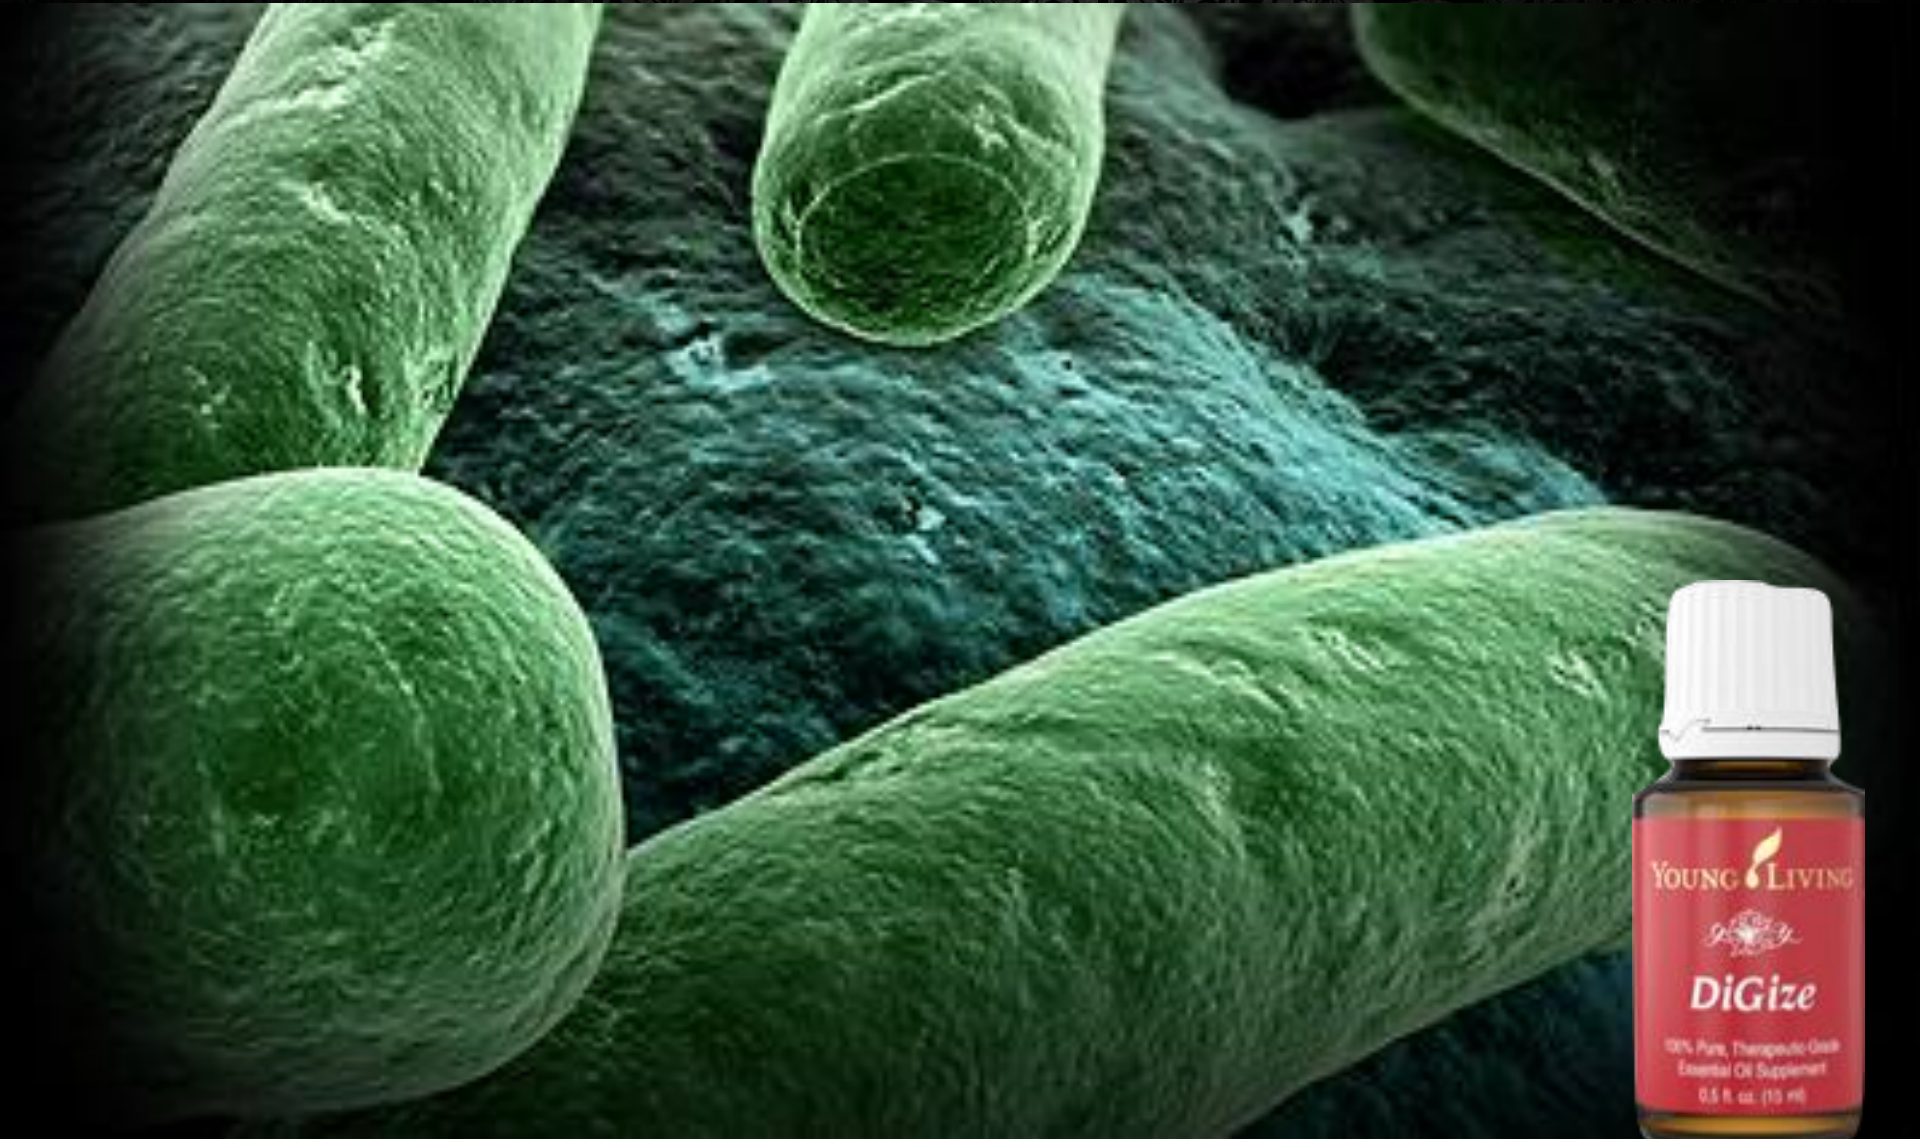

For Bloating Gas

Fights Candida

Kills Parasites

Cleanses Kidney

Peppermint

“Refreshing oil”

1 drop = 26 Cups of peppermint tea

For headaches, peppermint will deliver a shot of oxygen into the brain. Rub on temples and forehead. Breathe 12X

Diffuse
peppermint
when studying
to improve
concentration.
Refreshing!

Rub under the feet or all over the body to bring down fever. Fast Relieving!!

Inhale when feeling nauseated or dizzy. Good for air and sea sickness too!!

Lavender

“The first aid oil”

**Inhale often during
flight.
Helps jet lag.**

**Stops bleeding
and throbbing.**

**Use on burns to
heal faster.**

1 drop of lavender oil on pillow helps with sleep

**Helps with Hair
Growth**

**Thickens Eye
Lashes**

Allergies

*Place a drop or two inside
your mouth*

And inhale the oil

3Times a day or as needed.
