“If there is in the family one child who is unconscious of his sinful state, parents should not rest. Let the candle be lighted. Search the word of God, and by its light let everything in the home be diligently examined, to see why this child is lost. Let parents search their own hearts, examine their habits and practices. Children are the heritage of the Lord, and we are answerable to Him for our management of His property.” CHRIST’S OBJECT LESSONS, p. 195
