Thank you for worshiping with us today!

“Do not think that God will work a miracle to save those weak souls who cherish evil, who practice sin; or that some supernatural element will be brought into their lives, lifting them out of self into a higher sphere, where it will be comparatively easy work, without any special effort, any special fighting, without any crucifixion of self; because all who dally on Satan’s ground for this to be done will perish with the evildoers. They will be suddenly destroyed, and that without remedy.

If God has made provision for man to have eternal life, He has means to meet the requirement that man shall practice holiness in this life. All who would evidence that they have a hold on the future life will give practical demonstrations in their life, their character, that they are living in newness of life, in purity and holiness here, following that which is revealed.”
