Thank you for worshiping with us today!

“It is time for every one of us to decide whose side we are on. The agencies of Satan will work with every mind that will allow itself to be worked by him. But there are also heavenly agencies waiting to communicate the bright rays of the glory of God to all who are willing to receive Him. It is ours to choose whether we will be numbered with the servants of Christ or the servants of Satan. Every day we show by our conduct whose service we have chosen.”
