

Now, Dear Lord, As We Pray

Now, dear Lord, as we pray,
Take our hearts and minds far away
From the press of the world all around
To You Throne where grace does abound.
May our lives be transformed by Your Love,
May our souls be refreshed from above,
At this moment, let people everywhere Join us
now we come to You in prayer.

Kusiapkan Hatiku Tuhan

"Music can be a great power for good." —**Testimonies, vol. 4, p. 71.**

"Music . rightly employed, is a precious gift of God, designed to uplift the thoughts to high and noble themes, to inspire and elevate the soul."—**Education, p. 167.**

"Song is one of the most effective means of impressing spiritual truth upon the heart."—**Evangelism, p. 500.**

"Music was made to serve a holy purpose, to lift the thoughts to that which is pure, noble, and elevating."—**Patriarchs and Prophets, p. 594.**

"Music can be a great power for good; yet we do not make the most of this branch of worship. The singing is generally done from impulse or to meet special cases, and at other times those who sing are left to blunder along, and the music loses its proper effect upon the minds of those present. Music should have beauty, pathos, and power. Let the voices be lifted in songs of praise and devotion. Call to your aid, if practicable, instrumental music, and let the glorious harmony ascend to God, an acceptable offering." **TESTIMONIES FOR THE CHURCH, VOL. 4, PAGE 71**

"Music was made to serve a holy purpose, to lift the thoughts to that which is pure, noble and elevating, and to awaken in the soul devotion and gratitude to God. What a contrast between the ancient custom and the uses to which music is now too often devoted. How many employ this gift to exalt self, instead of using it to glorify God? A love for music leads the unwary to unite with world-lovers in pleasure-gatherings where God has forbidden his 11 children to go. Thus that which is a great blessing when rightly used, becomes one of the most successful agencies by which Satan allures the mind from duty and from the contemplation of eternal things. Music forms a part of God's worship in the courts above, and we should endeavor, in our songs of praise, to approach as nearly as possible to the harmony of the heavenly choirs. The proper training of the voice is an important feature in education, and should not be neglected. Singing, as a part of religious service, is as much an act of worship as is prayer."--**Christian Education, pp. 62, 63.**
