

00:26

hello to all viewers welcome back to

00:29

another episode of what's up Prof hello

00:32

Walter how are you doing

00:33

I'm very well into you I'm glad you're

00:35

feeling well yeah as a lockdown in the

00:37

store feeling well still in interesting

00:39

days looking forward to what's happening

00:42

next

00:42

some people might be negative about

00:45

everything but aren't we excited about

00:48

everything that's happening yes it has

00:51

its positive aspects now will you open

00:55

up for us with a word of Prayer please

00:58

Heavenly Father as we discuss issues

01:02

involving your truth especially the

01:05

truth for this time I pray that you will

01:08

be with our deliberations and guide our

01:10

thoughts in Jesus name Amen amen on the

01:16

previous episode we mentioned that we

01:18

were going to discuss the spirit of

01:21

prophecy in more broader terms but

01:23

before we get to that we've received

01:25

some interesting videos for among others

01:28
dr. Shiva dr. Bhutta and then there's
01:31
been some questions about Q the Q anons
01:35
I don't know if you know anything about
01:37
these yes yes we've looked at those so
01:40
what can you tell us that's interesting
01:44
about these things that you find I'm
01:51
sorry I'm sure the viewers would like to
01:54
know for instance what have you heard of
01:57
Q what have you heard about this a non
01:59
so why do you think about these videos
02:01
that surfaces about the swamp that will
02:05
be drained and the Illuminati that will
02:07
be exposed
02:08
dr. Fauci and the new world order which
02:12
will be prevented as all of those issues
02:16
well before we get there let me first
02:20
talk a little bit about Hegelian
02:23
dialectic basically what the what the
02:29
principle is is that you put opposites
02:32
into the world and then you rub the
02:35
opposites up against each other until
02:37
you finally get what
02:39
called the synthesis now it's

02:42
interesting that if you study the
02:45
workings of the Jesuits for example in
02:49
in their earth and as it is recorded in
02:53
the congressional records miss they
02:56
state quite clearly what their aim is
02:59
it's the destruction of Protestantism
03:01
that is the aim of the Jesuits and we
03:04
mustn't lose that aim out of our sight
03:06
yes now what Protestantism are they're
03:09
interested in destroying in the time
03:12
that we are living in any Protestantism
03:15
that doesn't recognize the supremacy of
03:17
the Pope because that is another one of
03:20
their stated aims to restore the
03:23
supremacy of the papacy and then they
03:27
state quite clearly that it is the duty
03:30
of the Jesuits to climb in the
03:33
hierarchies into positions of power and
03:36
where they can act as as instigators of
03:42
the particular directions in government
03:45
that they want to have and that's what
03:47
organizations like the Knights of
03:48
Columbus etcetera all about that's

03:51
that's why they exist that's their
03:53
stated aim
03:55
that's why William bar when he was asked
04:00
about his affiliation to the Knights of
04:02
Columbus as we have already stated said
04:06
no it won't interfere with his work
04:08
because he will render unto Caesar what
04:10
is due unto Caesar but as we said
04:13
there's only one Caesar in the world
04:14
today who bears the title of Caesar
04:16
which is Pontifex Maximus therefore he
04:19
must be Caesar if he has the title of
04:21
Caesar and that's the Pope so when he
04:24
answered I will render unto Caesar what
04:26
is to enter Caesar he wasn't breaking
04:28
his oath in any way that he made to the
04:31
Knights of Columbus right and the
04:34
Jesuits do the same they categorically
04:37
state in their oath of allegiance that
04:41
they will defend opposite sides of an
04:44
issue even acrimoniously they will seem
04:48
to be at odds with each other fighting
04:50
each other like like

04:52
cats and dogs so that in the synthesis
04:57
that comes in the end Mother Church will
04:59
be glorified so that's the aim even up
05:02
to the point of death even to the point
05:04
of death correct that that is their
05:06
stated aim now that's why I'm always
05:09
fascinated when I see the role players
05:12
and I see that we spoke last time about
05:16
4c for example and in those videos that
05:20
you mentioned they really hammer Bill
05:22
Gates
05:23
foresee right and say that these people
05:26
are in cahoots and they have one idea
05:28
and that is to inoculate the whole world
05:31
and to give them the mark of the beast
05:33
and you know how the Christian world out
05:35
there feels about the mark of the beast
05:38
and they're all convinced that this is a
05:40
microchip that will be placed into you
05:42
into your skin etc etc so this is what
05:47
their great fear is and what if you have
05:50
a savior now one who will arise and will
05:55
save you from this terrible swamp this

05:57
deep state conspiracy to make everybody
06:01
a robot so that you cannot think for
06:05
yourselves and I mean there are videos
06:06
about unmix
06:09
fun vex yes the vaccination for the
06:13
fundamentalist that interferes with the
06:16
gene that helps you to make your frontal
06:18
lobe decisions on a religious basis etc
06:21
and to make everybody what they call
06:25
normal so we've seen all of those now
06:28
are we going to run with all of these
06:33
God wants people to make a decision
06:38
based on rationality emotional decision
06:45
is it's like the wind it's here today
06:48
and gone tomorrow you must have a
06:51
rational basis so I don't believe that
06:55
God would permit humanity to be vexed
06:59
out of its conscious decision making
07:02
capacity
07:03
God will not permit it because if people
07:06
cannot make a choice
07:07
then they cannot be held accountable and
07:10
God wants to have people to be

07:14
accountable yes so what about if you
07:18
look at this scenario foresee as we saw
07:21
was Jesuit trained the administration is
07:25
Ches who had trained the both on the
07:28
same same team right yes and the one is
07:34
accusing the other one and in those
07:36
videos they're saying that the law has
07:38
been broken that these viruses were
07:42
manufactured and that it was an illegal
07:45
action that they have one aim and that
07:47
is you know to get all of humanity into
07:51
their brainwashed system etc etc and now
07:54
you need a savior and that Savior is Q
07:58
and nobody knows who Q is and some say Q
08:02
is Donald Trump some say Q is a Kennedy
08:09
that has died and wrought really died
08:12
and will resurrect and all of those
08:15
things are fascinating and even if they
08:17
were true and even if it did happened
08:20
wouldn't change one iota because they're
08:22
still playing both sides of the coin the
08:24
master plan is unchanged the master plan
08:27
is unchanged so I would say don't get

08:29
distracted by all of these things that
08:32
are out there it is he's stated aim to
08:37
always add truth to elements of
08:40
falsehood it is the most dangerous thing
08:44
when you mix truth Ameri
08:46
it's like adding poison to a wonderful
08:51
juice it is the poison that will kill
08:55
you even if it is in a wonderful juice
08:58
so if we look at it in terms of
09:00
achillion dialectics yes so what you
09:03
have bad guys and you have good guys so
09:05
you're playing bad cop bad cop good cop
09:07
and what if a savior appears who says I
09:10
will save you from all this will not the
09:12
religious world rejoice this
09:16
they not say finally we're getting rid
09:19
of all the evil in the world finally
09:21
someone standing up and arresting all of
09:25
these child traffickers and the
09:26
pedophiles and no matter where they are
09:29
whether they are in the Vatican or
09:31
whether they're in the royal families or
09:33
whether it doesn't matter it doesn't

09:35
matter we'll arrest them all and then
09:38
we'll clean up the world and we'll
09:41
dedicate ourselves to what our
09:44
Constitution is after all that we are a
09:48
people under God bring morality back
09:51
morality back into the system and people
09:53
the church will say hallelujah and isn't
09:57
Putin doing the same thing yes didn't
10:00
you also bring God back into the
10:01
Constitution and say we are a people
10:03
under God and isn't this a means to
10:06
bring the world together and say listen
10:09
to we have really failed we need to
10:12
drain the swamp
10:13
we need to clean up the act and then
10:16
people will look to them as the saviors
10:19
the ones who are cleaning the act no
10:20
matter what name you attach to them they
10:23
brought peace to the world yes and
10:25
that's a Bible talk about that and
10:27
whether it is a Trump or whether it is a
10:29
Kennedy or whether it is a prince
10:32
whoever Andrew who cares the bottom line

10:37
is back to morality back to the neck
10:41
knowledge meant of God in the center and
10:44
then when you acknowledge God then you
10:47
also have to worship God so why not
10:50
dedicate the day to the worship of God
10:53
and what is the consensus out there what
10:56
they should that be what are we seeing
10:58
in the world this Sunday so we've been
11:01
saved from the mark of the beast the
11:04
implant only to be forced to keep the
11:08
mark of the beast which is a cognitive
11:11
decision between the precepts of God and
11:14
the precepts of man and moral decisions
11:17
so who will benefit in the end mother
11:22
church through the sigilian dialectic so
11:26
I look at the role players and I know
11:28
really interested who's bad-mouthing who
11:31
and who is wicked and who has been
11:34
drained from the swamp I look at the
11:36
former CIA directors
11:40
they've all been removed because they
11:43
were part of the swamp they will suggest
11:45
were trained they were all Jesuit trying

11:48
nice and that amazing
11:49
so the Jesuits are removing the Jesuits
11:52
that don't make any sense
11:53
no only in the light of the conflict
11:57
between good and evil can we understand
12:00
these things and if we don't believe
12:03
that there is a conflict between good
12:06
and evil
12:06
we'll get lost in the maze yes what if
12:10
they should erase the Pope on what basis
12:15
well there are there are these rumors
12:17
that arrest warrants have already been
12:20
issued that he stepped down from his
12:22
position that he is in self-isolation
12:27
as it were there are among the Catholics
12:32
there are the conservative circles which
12:35
claim that he's an anti Pope and that
12:38
the real Pope is really in the wings he
12:41
stole there is not gone Benedictus and
12:45
books have been written even you know
12:50
amongst the people that that believed
12:53
present truth stating that that is the
12:58
one that will rise because it's the one

13:01
that isn't the one that is not and will
13:03
come back etcetera that it'll be
13:05
Benedict you know what I hope they're
13:08
right because these people are so old it
13:11
would mean that the end is right here
13:13
yes I wouldn't really change in yeah but
13:16
the fact of the matter is we cannot
13:19
think in terms of those futuristic ideas
13:22
and haven't we seen that high placed
13:27
Catholic officials Cardinals have been
13:30
arrested some have been exonerated now
13:34
as in the case in Australia and people
13:37
are up in arms why should they get away
13:39
with it and this
13:40
that yes we might see a few of these
13:43
arrests of high-profile people and the
13:47
cleaning up of the AK and going back to
13:50
moral standards I find it interesting
13:53
that post Corona the governments are
13:57
saying we have a new economy coming all
14:02
the all the governments are saying this
14:04
even here our own government even our
14:06
own government a new economy a new era

14:09
it's everything is new a new
14:11
relationship between governments a new
14:14
everything's new it sounds like a new
14:16
world order without a new world order
14:18
right so whether the one party wins or
14:22
the other party wins and the so-called
14:24
battle between the deep state and and
14:27
the others it's actually irrelevant
14:30
there will be a new order it might not
14:34
look like they thought it would look but
14:36
it will be a new order yes and it will
14:40
not as they all say be business as usual
14:43
and they are all talking about a six day
14:48
workweek to make up for the losses etc
14:52
etc so again we're heading for the same
14:56
thing so your question Sep the Sunday
15:00
law according to the Adventists you just
15:06
mentioned a six-day Work Week yes just
15:09
explain a little bit more about that is
15:12
the law only gonna be that you can't you
15:15
must worship on Sunday I would have no
15:19
problem with the law like that constant
15:21
tighten made constant I made a law which

15:24
says that you must keep Sunday holy and
15:27
you may not work on a Sunday
15:29
that's the Sunday law he actually had a
15:31
few exceptions yes in that law but you
15:35
had to keep Sunday but the Roman
15:38
Catholic Church didn't have
15:41
Constantine's law the Roman Catholic
15:44
Church stated categorically Christians
15:47
shall not Jew it dies and be idle on the
15:54
the Saturday they shall work on that day
15:57
that was the law so the anti Sabbath law
16:02
of the Roman Catholic Church actually
16:04
enforces working six days and resting on
16:09
the Sunday that is the law that I am
16:14
waiting for let's just go back in
16:17
history a little bit not so far back
16:18
when they when there was this great
16:21
bailout when the government's bailed out
16:23
the banking systems and the nations had
16:26
gone bankrupt and they had to be bailed
16:28
out and in Europe there was major
16:31
consternation and Greece was in a
16:33
turmoil and Italy and all these

16:37
countries were experiencing great
16:39
financial turmoil then the European bank
16:44
spent huge amounts of money to bail out
16:48
these economies and the banking system
16:52
one of the laws that was made was that
16:55
there should be a six day workweek and
16:59
if a government didn't comply with those
17:01
laws they would fall foul of the
17:03
agreement of the central banks that
17:06
loaned the money and I find it
17:09
interesting that the governments are now
17:11
announcing like our own government
17:14
announced that they were receiving money
17:17
from the IMF and from you know all of
17:19
these major banking institutions I
17:22
cannot for one moment believed that
17:26
those loans do not come with strings yes
17:28
and who controls these banking systems
17:33
who owns the Bank of America is a lot
17:36
the Jesuits and control these things and
17:39
they say you know the Rothschilds what
17:42
is the word Rothschild mean means a
17:44
whole shit and if you look up in the

17:47
encyclopedia the Jewish encyclopedia it
17:50
will tell you that it is vatican bankers
17:53
so these are front Jews for the Vatican
17:59
system so it is Rome that controls the
18:03
the systems of the world yes
18:07
so that that's exactly what will happen
18:10
with this I believe a 66 day workweek
18:14
will be the answer to the crisis and it
18:18
will come country of the country until
18:21
eventually through the leading of the
18:24
United States every country will adopt
18:26
it yes and the South African government
18:30
sent out a document on education and one
18:34
of the scenarios on when the pandemic
18:37
subsided and they can go back to school
18:40
is that to catch up the last days then
18:43
chilled people's might be forced to go
18:47
to school on the Saturday so the same
18:51
suggestion has now been made in Germany
18:54
as well so this is something that is
18:57
happening it starts small and then it
19:01
grows we mentioned a small time of
19:03
trouble this is not once it gradually

19:07
comes in it gradually sneaks in and
19:10
before you know it it's there yes okay
19:13
so and the Pope is it possible that he
19:15
could be arrested well as they say
19:17
there's an arrest warrant out for him I
19:20
have to see things like that before I
19:22
believe them because there are so many
19:24
wins of stories and doctrines blowing
19:29
out there that if you had to believe
19:31
every single one of them you'd probably
19:33
go crazy but as I said the conservative
19:37
Catholics consider him an anti path and
19:40
that the real one will eventually come
19:43
out of the woodwork or another one will
19:45
be elected in his place or whatever the
19:48
scenario it doesn't that doesn't matter
19:50
it doesn't matter he will still be the
19:54
moral force in the world if there is
19:58
this one they will be a natural yes and
20:00
how much better if you want to think in
20:02
their terms if you have now this cleaned
20:07
up system the swamp is drained the
20:10
church has been purified of all of those

20:12
liberals and now we're getting back to
20:15
serious morality well then she still
20:18
comes out shining like
20:20
yes we can bring in the spirit of
20:23
prophecy because the spirit of prophecy
20:25
has quite a lot to say about the Pope
20:28
and all these things that are happening
20:32
would you care to give us an
20:35
introduction on what this second leg of
20:38
Adventism consists of yes this is of
20:41
course a very hot potato the spirit of
20:45
prophecy we did to us here I did a
20:48
series a little while back with France
20:51
what do please see yes on the lesser
20:53
light and the greater light well we
20:55
discussed it in great detail so perhaps
20:58
you can put a link in there and say look
21:00
at this I will do it and further study
21:03
I've also given some lectures in the
21:05
past on this issue correct
21:07
God's guiding gift there's a lecture
21:10
with all the Bible verses and everything
21:13
associated with it and the events that

21:15
took place if you put that link in there
21:17
then people just get the details we
21:21
don't have to repeat them in this forum
21:23
but the question is why does
21:27
adventism claim that it has this
21:30
additional prophetic backing in terms of
21:36
the writings of Ing white now do we need
21:40
something like inspired writings for the
21:43
times we are living in do we not need
21:46
them well you know if you look at a
21:48
couple of Bible verses in this
21:50
connection if you go to the book of
21:54
Ephesians for example or first
21:56
Corinthians you just go to first
21:58
Corinthians okay
22:05
first Corinthians and we'll look there
22:07
at chapter one it tells you about the
22:10
spiritual gifts and we read there from
22:13
verse four I thank my god always on your
22:18
behalf for the grace of God which is
22:20
given you by Jesus Christ that in
22:23
everything you are enriched by him in
22:25
all utterance and in all knowledge even

22:28
as the testimony of Christ was confirmed
22:31
in you
22:32
there's the testimony of Christ so that
22:36
you become and so that you come behind
22:38
in no gift waiting for the coming of our
22:42
Lord Jesus Christ
22:44
so the testimony of Christ must be
22:47
confirmed so that you come behind in no
22:50
gift as you wait for the coming of the
22:53
Lord Jesus we shall also confirm you
22:56
unto the end that you may be blameless
22:58
in the day of our Lord Jesus Christ so
23:03
there is this issue of spiritual gifts
23:06
and in Ephesians we don't have to go
23:08
there it tells you what these gifts are
23:10
there's the gift of of preaching there's
23:13
the gift of healing there's the gift of
23:15
tongues is the gift of prophecy there
23:18
are all of these issues now see if you
23:20
go to Revelation chapter 17 then we read
23:27
there and this is a well-known verse
23:30
that the remnant that comes out of the
23:34
great conflict between Christ and Satan

23:36
and a church is always described as a
23:39
woman I have likened you unto a woman a
23:45
comely woman the church or a bride
23:47
you're a bride to Christ correct and the
23:50
woman which thou sawest is the great
23:54
city which reigneth over the kings of
23:57
the earth it tells you that this the
24:02
city this enemy city will reign over the
24:05
over the earth so that's the one side
24:08
and if you go to chapter 12 and you read
24:10
verse 17 then you see that the dragon is
24:13
wroth with the woman and this is now
24:16
God's people compared with a woman so
24:20
you have Babylon compared to a woman
24:23
that's a church system and then you have
24:25
God's people the remnant compared to a
24:27
woman and went to make war with the
24:30
remnant overseas so they will be this
24:32
clash between the two systems and it
24:36
tells you the attributes which keep the
24:38
commandments of God yes as opposed to
24:41
the commandments of men
24:43
and have the testimony of Jesus Christ

24:48
so now Paul said that you become behind
24:51
in no gift as you wait for the coming of
24:55
the Lord now you go to Revelation
24:57
chapter 19 and you read there in verse
25:01
10 the angel that is talking to John in
25:06
in this revelation John is so
25:09
overwhelmed that he falls at the angel's
25:11
feet and the angel says that he
25:14
shouldn't do it and I fell at his feet
25:16
to worship him and he said to me see
25:19
that thou do it not I am by
25:23
fellow-servant and of thy brethren that
25:26
have the testimony of Jesus yes
25:30
worship God for the testimony of Jesus
25:33
is the spirit of prophecy so one of the
25:38
attributes of God's people at the end is
25:42
that the spirit of prophecy that Timothy
25:45
had and that Paul homeland and that the
25:50
Prophet said will be repeated at the end
25:52
of time now it's always fascinating to
25:56
me that in the time period when the
26:00
three angels messages went into the
26:02
world as the prophetic time period of

26:05

Daniel chapter 9 the 2300 day prophecy

26:09

came to an end which was 1844 there

26:14

arose a number of people that were

26:17

prophesying it was Joseph Smith of the

26:21

Mormons Ellen White of the Adventists

26:28

the shakers they were all in in this

26:33

prophetic mode and the question is how

26:37

do you distinguish which is true and

26:40

which is false because the Bible clearly

26:42

says that the remnant will have this

26:45

gift and that those who wait for the

26:47

coming of the Lord will not

26:49

be behind in any of the gifts so how do you

26:54

determine whether someone is a prophet

26:56

or someone is not a prophet

26:57

well you study the attributes of the

27:02

Prophet and the Bible tells you clearly

27:05

that you should test the prophets for

27:09

example if you go to 1 Thessalonians

27:12

chapter 5 let's just go there ont

27:23

solonian is chapter 5

27:25

look at verse 19 it says there this is

27:31

interesting

27:32

quench not the Spirit despise not

27:38

prophesying prove all things hold fast

27:43

that which is good

27:46

abstain from the appearance of evil so

27:50

in other words the Bible tells you you

27:52

shouldn't despise prophesying but you

27:55

should test it yes how do you test it

27:58

biblical criteria absolutely and what

28:01

are the biblical criteria well this

28:03

external but also the preaching all

28:08

right so there are external factors and

28:11

then there are the issues that are

28:13

raised when a prophet speaks it must be

28:16

in harmony with a Bible no prophet can

28:19

contradict the previous prophecy

28:22

so whatever the Prophet says must be in

28:25

harmony with the word so if the Bible

28:27

says for example that you must keep the

28:29

commandments of God and somebody

28:32

prophesized and says that the

28:34

commandments of God have been done away

28:36

with well then you have a choice to make

28:38

yeah which one are you going to believe

28:42
what the Prophet says must come true
28:46
there are certain things like
28:48
conditional prophecies like Jonah who
28:51
was preaching and it didn't come true
28:52
because they for for the conditions
28:55
right they became converted so what the
28:59
prophet preachers must come true
29:00
it must be in harmony with the word the
29:03
life of the Prophet must be in harmony
29:06
with God's principles you cannot have
29:09
one who is living a lie senseless life
29:12
and then pretends to be a prophet of God
29:15
because when they sin in the camp God
29:19
doesn't speak right now that you
29:21
mentioned that at Prophet what the
29:24
Prophet says must come true it was
29:28
interesting to me that I've actually
29:29
read a few of these prophets and some of
29:32
them haven't acknowledged they have a
29:34
list of thoth of their prophecies that
29:36
didn't come true so they already
29:40
disqualify themselves just by
29:42
acknowledging that there were some of

29:44
the prophets the prophecies that didn't
29:45
come true absolutely so how do you know
29:48
that someone is a prophet or not so you
29:52
have to follow these biblical criteria
29:53
and there are some physical criteria as
29:58
well Daniel describes exactly how a
30:01
prophet goes into vision for example
30:04
what happens and if you study L&G wide
30:08
she was investigated not in some corner
30:12
but in front of thousands yes by doctors
30:15
by doctors and she was healed every
30:17
single one of these criteria now one of
30:21
the criteria which doesn't stand so
30:23
directly in the Bible with but which is
30:26
absolutely the case when you study the
30:28
prophets they were all hated will happen
30:32
to poor old Jeremiah they put him in
30:38
stocks that they tore up is is his
30:42
writings they hated him so one of the
30:46
criteria a prophet is is never love now
30:49
they love the tombs of the prophets but
30:51
they don't love what the prophet said
30:53
why not one and poor old Isaiah was sawn

30:58
in half and so what is the case with LNG
31:03
white there are two prophets which stand
31:06
out in her time energy white and Madame
31:12
Blavatsky
31:13
those two and they are contemporaneous
31:17
and the one publishes in a journal which
31:21
is called Lucifer Lucifer that's blood
31:26
skiers and the other one says we have no
31:29
Creed except the Bible read your Bible
31:32
as it stands the one uplifts the Bible
31:38
the other one denigrates the Bible and
31:44
Blavatsky was in favor of the
31:50
Alexandrian and cinetic Alexandrian text
31:54
absolutely plovar Sookie favored figs
31:57
Alexandrian text and she said that the
32:00
modern versions and those who you know
32:04
wrote the manuscripts on which they are
32:05
based that only a Kabbalist
32:09
would be able to achieve this rewriting
32:14
of the document so that the entire
32:15
Saints of what was written before has
32:17
been changed so I find that very
32:20
interesting you know when you study the

32:22
enemy then often you can discover the
32:27
truth by contrast so if you go to the
32:30
web pages and the great leadership
32:35
excellence in the world take the United
32:38
Nations for example who is exalted there
32:41
L&G white oak Levites give me the entire
32:45
Theosophical movement with Alice a
32:49
Bailey and Blavatsky and all of them oh
32:52
and you have all of these temples as
32:55
part of the United Nations movement and
32:57
these earth movements and and you know
33:00
it is absolutely horrendously occult yes
33:05
but they are the heroes of the world and
33:09
the Prophet that speaks about the Bible
33:12
and trusting the words in the Bible and
33:14
we have no Creed other than the Bible
33:16
that prophet is my lion
33:18
and hate it in my own case I I always
33:22
tell the story about I got to know the
33:25
spirit of prophecy writings I see you
33:29
have a book there what's it called the
33:31
history of redemption the history of
33:33
redemption it's a magnificent book with

33:36
many of books and writings in it is all
33:39
in one compilation she is one of them
33:43
the most celebrated authors in the world
33:46
the woman whoo woman author who wrote
33:49
more than any other she she should be
33:54
amongst the great authors of the world
33:58
she should have received every literary
34:00
prize that the world could throw at
34:03
someone of that nature and she got not
34:07
one of them it's interesting that even
34:09
some very prominent media and radio
34:13
broadcasters actually claimed that and
34:16
they weren't Adventists but they'd read
34:18
let's say the desire of Ages must rank
34:21
amongst the best books ever but how I
34:23
got to know it it's because a colleague
34:25
found me and used very derogatory
34:28
language about it to such an extent that
34:33
I thought that's interesting why the
34:35
animosity yeah so I started reading and
34:38
I've never looked back if you want to
34:41
know whether this woman was inspired do
34:44
yourself a favor

34:45
go read the desire of Ages go read steps
34:48
to Christ go read the great controversy
34:51
and based on what you read and not what
34:56
you hear make a decision when you look
35:01
at the web pages that are so
35:04
horrendously negative yes then if you
35:08
base your decision on that then you will
35:11
have not done an empirical study is this
35:15
is this in harmony with God's Word or is
35:17
it not in harmony with God's Word why
35:21
would why would a remnant church need a
35:25
guiding gift like this I mean take a
35:29
church I don't want to run churches down
35:31
now but even though some of the things
35:33
are so blatantly obvious that you just
35:36
sit and said whoa and people still
35:39
retain those changes take the moments
35:42
for example Joseph Smith through the
35:46
gift of sin man can achieve joy I mean
35:51
that sort of makes you stagger or their
35:55
prophet Brigham Young which said the
35:59
devil told the truth about godhood I
36:01
would not have mother Eve must eating

36:05
the forbidden fruit for anything through
36:08
the gift again of sin then you must know
36:13
man joy I mean there's something
36:17
blatantly wrong with that kind of
36:19
statement right so yes so you have that
36:24
kind of prophecy on the one end and
36:26
everybody is quite happy but when it
36:30
comes to L&G white whoever lifts Jesus
36:32
who have chip lifts the law of God then
36:35
all of a sudden she must be a false
36:37
prophet right and they are they are just
36:40
thousands of statements of all her false
36:44
prophets prophecies and they are just as
36:47
many books written against all of those
36:50
statements and you could you could study
36:53
this ad infinitum fact of the matter is
36:57
if you take our writings and you read it
37:00
do they take you away from this word of
37:04
God more do they take you towards to the
37:07
Word of God what's your experience by
37:10
the way well it was when I came into
37:14
adventism I barely knew about Ellen
37:17
White well nobody did right the

37:20
best-kept secret yeah and then
37:23
eventually the same happened similar to
37:27
what you had and the people that were
37:30
not happy that I've become Adventist
37:33
were continually telling me that now
37:37
this sect is just worshiping Ellen White
37:41
and
37:42
all her doctrines and all these things
37:44
and I said I don't even know who Ellen
37:47
White isn't the same I interrupt you
37:49
there he's so are you telling me that
37:53
you didn't become an Adventist because
37:54
of the writings of Ellen gee why'd you
37:56
become an Adventist because of the Word
37:58
of God
37:58
yes I can I can vouch for then I never
38:01
knew her no even when I was in the
38:04
church already I never knew anything and
38:06
even when I was when I was in the church
38:09
you know much animosity towards her were
38:12
in the church uh-huh and that surprised
38:15
you yes because now in new Adventists we
38:18
come in we stop and I'm confronted with

38:21
Ellen White I start reading a bit and I
38:23
said to wow there's something yeah
38:26
eventually I really started reading and
38:30
then I don't on me this is impossible
38:33
that she can be a false prophet in
38:36
telling these and as I began to
38:38
communicate what I have been reading
38:43
people in the church started this
38:48
distancing themselves so that was and
38:52
you mentioned in a in a sermon that you
38:55
did that revelation 12:17 that you
39:01
mentioned they have the testimony of
39:04
Jesus it's not just that they believe in
39:09
the prophets you said they that that
39:13
word says they must own that it must be
39:18
present in me or something like that can
39:20
you just explain that that sentence to
39:23
me because that made that that brought a
39:26
lot of us here are they that keep the
39:28
commandments and have the testimony yeah
39:32
now if you have it and it's part and
39:34
parcel of you now does the Adventist
39:38
Church in its fundamental beliefs claim

39:41
that they believe in the spirit of
39:43
prophecy as manifested in the writings
39:46
of Ellen G white and the answer is yes
39:48
now where does the greatest opposition
39:51
come from with regard to that from
39:53
inside or from outside
39:55
inside correct it's interesting that the
39:58
makeup reaches of the world and you can
40:03
mention them any one of them you know
40:04
well let's say Billy Graham or any one
40:07
of them that they have desire of Ages on
40:11
their shelves and that they study them
40:15
and some of their greatest sermons come
40:17
out of this but nobody knows that it was
40:20
basically based on the writings of Ellen
40:23
G wife no so why is it necessary for God
40:27
to put something like that into the
40:31
church why was it necessary that the
40:35
early church had prophets why was it
40:40
necessary that the church should besides
40:43
the word also be guided by the spirit
40:47
because every time when there was a
40:50
prophet they had the Word of God

40:53
up until now absolutely not when Paul
40:56
preached to the Jews did he preach to
40:59
them what the spirit told him or did he
41:02
preach from the Word of God from the
41:04
world he preached from the Word of God
41:06
where did Jesus sent him after he's
41:09
convicted a conversion he sent him to
41:11
the church he sent him to the church now
41:14
this is this is important so your
41:17
conviction that you eventually preach is
41:22
from the Word of God but how did he get
41:26
there because he was using that same
41:29
word of god to persecute God's people in
41:32
the beginning what changed his eyes
41:35
opened and through the spirit of
41:39
prophecy
41:40
he started understanding what the Bible
41:44
said about the Messiah how he would come
41:48
that he would suffer etc so in this
41:53
Babylonian confusion that we have at the
41:55
end of time where there are thousands of
41:58
churches each one teaching the weirdest
42:01
things how do we get to the point where

42:04
we get back to this world and God in His
42:07
mercy
42:07
I gave this church a simple direct
42:15
language that enlightens this book so it
42:20
is this book the Bible that is my Creed
42:23
it is the Bible I base my faith on but
42:28
to understand it and to understand the
42:31
nuances for example when it comes to the
42:36
way the Bible is written type and anti
42:39
Tigers I mean when you read the Bible
42:43
and the story is just a story
42:45
well what impact does it have mmm if
42:49
it's just a story it's something that
42:51
happened in the past but what if it is a
42:54
typology of a greater reality in the
42:56
future now I would never have discovered
42:59
this beautiful aspect of typology if I
43:05
hadn't read patriarchs and prophets
43:08
suddenly all the stories in the Old
43:11
Testament come to life this and they're
43:14
not dead stories about the past there
43:18
are stories which enlighten the present
43:20
and without it I would not have been

43:24
able to see it and once you've been
43:26
nudged in that direction you start
43:28
reading this book and the whole book
43:30
comes to life that's so true you know
43:32
once you read a book like patriarchs and
43:35
prophets or even great controversy if
43:39
you keep your Bible next to you and
43:41
every time she reads passages or refers
43:46
to passages in the Bible you can read
43:48
that passage you will find that almost
43:51
all if not more of your time you will
43:53
spend in them in the Bible exactly she
43:56
doesn't take you away from it she leads
43:57
you to it so she is the lesser light
44:00
pointing you to the greater light and if
44:03
it weren't for that then we could be so
44:08
confused in the end by all the winds of
44:10
doctrine that you're listening to the
44:14
winds but what about the word and that's
44:18
one of the reasons why I
44:20
of the spirit of prophecy you know I
44:22
think the people out in the world are
44:24
scared of prophets oh yeah because there

44:28
are so many false prophets the problem
44:30
so whenever you hear somebody's got a
44:32
prophet oh no we must stay away because
44:36
that verse that jesus said beware of
44:39
false prophets now everybody is a false
44:42
prophet now so we haven't had actually
44:45
any true ones but it says test the
44:48
spirit don't despise prophesying so they
44:52
must be a true prophet if you are not to
44:55
despise it and if there is a true one
44:57
then you have to use the biblical
44:59
criteria to determine whether she is
45:01
true or whether she is not now I've been
45:05
involved in in preaching this word for
45:09
well over 30 years right and don't you
45:14
think that every single negative that is
45:18
in any way even remotely possible has
45:21
been thrown at my head and have some of
45:25
them sort of stunned me yes of course
45:28
now I could be an ostrich and I can put
45:30
my my head in the sand
45:32
and I can say whoa this must be a false
45:37
prophet mm-hmm but every single one that

45:41
I've I've studied because I don't want
45:44
to be deceived no every single one of
45:46
them she has come out as the true light
45:52
and the accusation as totally false is
45:57
often based on complete misunderstanding
46:00
of even the basic plan of salvation in
46:05
the sanctuary message for example either
46:09
that or a quote out of context yes
46:13
that's that happens a lot don't I do
46:15
that with the Bible exactly it's
46:17
interesting if you have to study
46:20
inspired documents or like the Bible how
46:24
do you study them you've got a certain
46:26
criteria and that applies to the spirit
46:31
of prophecy as well yes don't take
46:33
things out of context
46:34
the Manute explai a big role and
46:37
especially the historical grammatical
46:41
interpretation and people that look at
46:44
the Bible such as higher critics they
46:47
come and look at the verse and they say
46:49
and maybe if there's something like
46:51
looks like it's contradictory they'll

46:53
say however this is not true what's the
46:56
answer whereas if you are a Bible
46:59
believer really and you want to see what
47:01
the words is you say why don't I
47:03
understand what Cydia yes there must be
47:06
something else I must do deeper study
47:08
and with it the spirit of prophecy L&G
47:11
White's writings we've got the same
47:14
people we'll take a quote and then this
47:17
is what you said so she must be a false
47:19
prophet you must have this repeat the
47:22
same principle to the taste
47:24
why don't I understand this and then go
47:29
into further stat correct so you can
47:32
read contrasting statements in the Bible
47:35
and say that the Bible contradicts
47:37
itself I think somebody once sent me a
47:40
document with about 3000 contradictions
47:43
and in the Bible you and when you read
47:46
them you say whoa yeah you know you're
47:49
very taken aback and I actually did the
47:53
trouble to go through those statements I
47:56
don't know to which number I got when I

47:58
finally realized you know what these
48:01
people don't understand very basic
48:04
things in the Bible like let's say for
48:07
example in one of the Gospels you will
48:11
have an event described and it'll say it
48:14
was on this day this time etc etc and
48:17
the next gospel describes the exact same
48:20
event with different times different
48:22
days then you say one of the two is
48:24
wrong and then you discard it and they
48:28
make big scenes about how the Bible is
48:30
contradicted itself from that not even
48:32
two Gospels are in harmony and then when
48:35
you do a little bit of a deeper study
48:37
you find out the one is using Roman
48:40
reckoning and the other one is using
48:41
Hebrew Rickon
48:42
and then the times differ yeah like
48:44
Daniel was in his third year and
48:47
Nebuchadnezzar was in his second year
48:48
but there's a kanay that in my race that
48:50
i can that be so they must be wrong
48:52
right one of them must be wrong one of

48:54
the statements but in Babylonian
48:58
reckoning they had an ascension year and
49:00
then they counted the so it is not a
49:03
disharmony and the same applies to L&G
49:06
white they say she contradicts herself
49:08
here and there and if you study them
49:11
then you see they don't really
49:12
understand yes is the issue and so many
49:17
of these this just disappear when you
49:20
when you do a deeper study for me
49:22
personally the deep you study and I've
49:25
mentioned now this hermeneutical way of
49:28
studying all this I haven't study I
49:30
didn't study it learn like that I just
49:33
read a books as it stands as it stands
49:36
yes and it is truly amazing what
49:40
insights into the Bible I've gotten out
49:43
of it I've only been blessed by reading
49:45
their writings well I can only
49:47
understand only say that I read the
49:52
Bible and you have this confusion that
49:56
develops in your mind between the God of
49:59
the Old Testament and the god of the New

50:01
Testament if you even read what Dawkins
50:04
writes for example how he he hates the
50:09
God of the Old Testament and says the
50:13
New Testament version in Jesus is now
50:16
better because you know one is sickly
50:19
sentimental the other one is his
50:22
whatever the most was the worst names
50:25
that he can possibly think of and once
50:29
you start reading the spirit of prophecy
50:31
the character of God becomes clear yes
50:37
and you see that there is really no
50:39
disharmony between the God of the Old
50:41
Testament and the god of the New
50:43
Testament there is perfect harmony and
50:46
you start understanding how God works
50:50
and how he thinks and all of those
50:53
so-called contra
50:55
additions disappear in the mist
50:58
definitely like mist before the Sun now
51:01
it becomes so much more clear and it's
51:05
colorful once you read the spirit of
51:09
prophecy the Bible is quietly it tells
51:11
you that we should believe in the

51:13
prophets and we will be established that
51:16
I mas that says that I believe and this
51:20
is exactly it if you want to be
51:22
established God in his in his wisdom
51:26
gave this prophetic gift to the last
51:30
church to the remnant that keeps the
51:33
commandments and if that gift is not
51:35
there then it cannot be the remnant
51:38
because according to the criteria it has
51:40
to be there so like it or hate it it has
51:44
to be there now you can use the Bible as
51:49
I have like a hammer and you can use the
51:52
writings of Ellen G white like a hammer
51:54
exactly depending on what you quote you
51:57
can use the Bible as the most soothing
52:00
solve on your wounds yes you can use the
52:05
writings of Ellen G wide like the most
52:07
soothing solve on your wounds and that's
52:10
the nature of the Word of God the Word
52:13
of God will strike you and hurt you and
52:17
then bind you up and heal you and she
52:21
will do the same so the two spirits are
52:25
in total harmony with each other there

52:28
is a rebuke and there is love and there
52:32
is healing and I would not want to be
52:39
without it especially in the times that
52:41
we are living in that's interesting that
52:45
you mentioned it because I just want to
52:48
also put this in once you've read the
52:53
desire of Ages and you've really made
52:55
Jesus then you can rego on and you see
52:59
the other things like great controversy
53:01
and we can clearly see where we are
53:04
heading in this world absolutely and
53:07
it's
53:08
it's not frightening it's actually
53:11
uplifting to be seeing the things
53:14
happening before our eyes prophecy being
53:16
fulfilled and knowing that Jesus is
53:22
coming soon what is it that the world
53:25
says just just look carefully at the
53:28
world when things go wrong on this
53:30
planet and they're constantly going
53:31
wrong yes natural disasters you name it
53:34
coronavirus you can call it whatever you
53:36
like the question is always where is God

53:41
in all of this why doesn't the act is
53:44
the impotent is you're not doing
53:45
anything what's the problem with God
53:47
whereas if you understand it in the
53:50
light of the great controversy between
53:52
good and evil you know that God is
53:54
absolutely in control complete control
53:58
and he's so comforting to know that what
54:01
you are seeing happening in the world is
54:04
actually the fulfillment of prophecy if
54:07
it weren't so bad we wouldn't be
54:11
understanding the real issues so it is
54:14
comforting as you say differently
54:17
and one last point that I would also
54:20
just like to make is that it's going to
54:25
be hard and I think I'll have to phrase
54:28
this carefully but it's going to be hard
54:30
for anybody to stand in the coming days
54:34
without the Bible and the spirit of
54:37
prophecy the fortification the one
54:41
supports the other and if you have them
54:44
both then you are more fortified and of
54:51
course both of them require obedience to

54:56
God's precepts God's precepts and what
54:59
are God's precepts they are spelled out
55:03
in the Bible and clearly spelled out in
55:07
the spirit of prophecy so if you apply
55:09
them to your life then the channels of
55:13
your mind become clearer and you can
55:17
understand the spirit speaking to you
55:20
through the Word of God
55:21
it always has to speak through the Word
55:22
of God if the spirit of prophecy were
55:26
not in harmony with the Word of God I
55:28
could never accept that meeting but I
55:31
found it to be in harmony with the Word
55:34
of God and so I would encourage the
55:37
viewers to study it the proof of the
55:41
pudding is always in the eating take a
55:44
book like the great controversy if you
55:47
want to understand how you are saved
55:48
read chapter 7 in steps to Christ it is
55:52
the most beautiful chapter it is so
55:56
Protestant so evangelical it is so
55:59
beautiful that nobody can misunderstand
56:03
what Paul is writing in the book of

56:06
Romans or in any other his epistles that
56:08
are hard to understand once you've read
56:11
a simple little chapter in the book
56:14
steps to Christ or if you want to know
56:16
about Jesus who read the desire of Ages
56:18
if you want to get to know the God of
56:20
the Old Testament read patriarchs and
56:23
prophets if you want to know what the
56:25
issues are that are happening before our
56:27
eyes now read the great controversy now
56:30
these are things which fortify the mind
56:32
with good things don't read the
56:35
Blavatsky's of this world that that
56:37
glorify Lucifer read those that glorify
56:41
Christ amen can I close off with whether
56:45
we'll have police certainly may our
56:47
Heavenly Father what a privilege to have
56:50
you in our lives thank you for blessing
56:53
us thank you for showing us the way in
56:56
your word help us to be good lights out
57:01
there and to spread your word among
57:05
other people bless everybody that have
57:07
looked at this discussion and please

57:11

send your Holy Spirit to protect us in

57:14

the bedlam of noise that there is in the

57:17

world in Jesus name Amen

57:19
