

Get Out Of The Cities, Age of Reason, Two Witnesses- What's Up Prof 25

welcome back to our next episode of

00:28

what's up prof good day walter

00:30

hi what number are we at i think it is

00:34

number 25

00:35

25 okay you mustn't ask me so quickly

00:38

just put me on the spot here

00:42

let me open with a word of prayer then

00:44

we can get into it

00:46

our heavenly father we want to thank you

00:48

that we can get together again

00:50

thank you for giving us the opportunity

00:51

to do these discussions

00:53

we ask that you enlighten the viewers

00:55

and our minds with the holy spirit

00:57

and guide us in jesus name amen

01:03

do we continue with the saga of last

01:06

time

01:07

remember we called it conspiracy

01:09

theories

01:11

and some of it seems you know unreal
01:16
far-fetched and
01:19
yet somehow they form a pattern yes
01:23
and we spoke about our
01:27
uh view of why these strange predictions
01:31
occur we looked at the deagle
01:35
dot com and 2025.
01:38
by the way it's not just alisa bailey
01:42
that talks about
01:43
2025. as we said there are a number of
01:47
of movies that talk about 2025
01:50
there are numerous talk shows that talk
01:53
about
01:54
2025. now let's just again say that we
01:58
are not
01:59
time setting in any shape or form this
02:02
is just what these people are saying
02:06
the point is the devil knows something
02:10
and then we also spoke about demonic
02:13
interactions with humanity and
02:17
we mentioned that even some of the world
02:19
leaders
02:21
or many of them probably are
02:24

in communication either directly or
02:27
indirectly
02:28
with these entities now when we talk
02:31
about these world leaders
02:33
and some of their connections we
02:35
mentioned ronald reagan
02:38
and uh his
02:41
involvement in this kind of world
02:44
and bill clinton and hillary clinton and
02:48
we didn't talk about some of the others
02:52
but from my own personal experience i
02:54
know that this is the case
02:57
because those who know my testimony
03:01
when i was helping my father-in-law just
03:04
before his death
03:05
return all the esoteric books
03:10
to their source
03:13
let's put it that way to a specific
03:15
temple
03:17
then i helped him carry it in and
03:20
the channel for this continent that i
03:23
was on
03:25
thought i was one of them because i was
03:27

with my father-in-law
03:29
and i remember i was there and my son
03:32
was there
03:33
and i said to him to my son
03:36
we have to pray we are on the enemy's
03:40
ground
03:41
because when you came in there was this
03:44
huge triangular hall
03:47
everything was purple and there was a
03:49
pulpit
03:51
with a with a hanging in front of it
03:54
which says the age of aquarius
03:57
and then there were these loudspeakers
04:00
they're not loudspeakers microphones
04:02
that were hanging down and seating
04:05
around around this room
04:09
and then later when i spoke to the
04:12
channel
04:12
when my father in lord introduced me
04:16
he told me that they had
04:20
meetings there where they channeled the
04:22
information
04:25
and he would probably stand on that
04:27

pulpit
04:28
and then government officials and sports
04:32
officials
04:33
and he mentioned a whole lot of names
04:36
and i'm not going to go into the names i
04:39
i probably forgot most of them some of
04:42
them stick to my mind
04:45
and that they come to get information
04:48
and instructions as to how to proceed
04:52
and he also showed me letters written to
04:55
president of the united states and prime
04:58
ministers of england
05:00
showing them that showing me basically
05:04
that he was in contact with the
05:06
with the high officials and
05:09
letters that he'd received back stating
05:12
thank you for the information we'll
05:14
implement as soon as possible
05:17
and when we left that place my
05:20
father-in-law
05:21
was horrified
05:24
and he was he was saying that i was it
05:27
wasn't very nice of me to milk him not
05:29

knowing that i was not one of them
05:31
yes so you know these things are things
05:34
that i experienced personally
05:37
and at the later occasion when that
05:39
particular
05:40
channel had actually died
05:44
and i was back there because i was
05:47
trying to get hold of the blavatsky
05:48
books those people that were
05:50
know my testimony what
05:54
fascinated me in that particular
05:57
encounter was that
06:00
he said when when you get to blavatsky
06:04
then you have arrived
06:06
so this was the highest level that you
06:09
should be
06:10
interested in but also what fascinated
06:13
me
06:13
is his interaction according to his
06:17
own admission yeah with the theological
06:21
schools
06:23
and the training that some of these
06:25
theologians
06:26

get from these esoteric sources
06:29
which tells me that babylon has fallen
06:31
has fallen
06:32
has definitely fallen
06:36
so this is my personal experience people
06:38
will say i'm making it up
06:41
i always had witnesses with me but
06:46
these are just things that happened and
06:48
you know
06:49
there is a commandment which says thou
06:51
shalt not
06:52
bring false testimony so
06:55
i cannot deny my own my own experience
06:58
so i know that these connections do take
07:01
place
07:02
i saw it with my own eyes
07:05
but i was never involved fortunately
07:08
yeah
07:08
so yes these things are real
07:12
and then we spoke about in the last one
07:14
about
07:15
the strange prediction about this great
07:19
deep destruction and depopulation and
07:22

cities going and
07:24
it couldn't be migration because all of
07:27
them were going down it couldn't
07:29
they said it wasn't going to be war they
07:31
said it wasn't going to be
07:32
pestilence and some populations like
07:36
china and india didn't really move
07:38
neither russia
07:40
but when you look at the christian world
07:43
when you look at
07:44
germany when you look at england when
07:47
you look at the united states of america
07:50
even canada australia new zealand
07:52
they all receive massive knocks in their
07:55
population
07:57
which is astounding and their economies
08:01
yeah are just totally trashed according
08:03
to the predictions
08:05
now we're not going to go according to
08:07
those predictions
08:08
we have a different filter and that
08:11
filter is the bible
08:14
and so i think we should continue and
08:17

say
08:17
right now what what does our filter say
08:20
instead of saying what the conspiracists
08:22
are saying or what the predictions are
08:24
what does the filter say what does the
08:26
bible and the spirit of prophecy have to
08:28
say on the issue
08:29
and then we'll try and pull it together
08:31
yes so shall we move on with that
08:33
please we have
08:37
the admonition get out of the cities
08:40
and we've had it for a long time right
08:42
correct
08:43
and if i look at the
08:46
massive population reduction that some
08:49
of these people are predicting
08:52
uh and we we shifted to the time of
08:55
god's
08:56
justice and his
08:59
judgments then it wouldn't be
09:03
necessarily pandemic it wouldn't be this
09:06
that or the other it wouldn't even be
09:08
war it could be judgments now we have
09:11

had warnings
09:12
and if you go to the bible there have
09:15
also been warnings in the bible
09:16
get out of the cities jerusalem being
09:19
the one
09:20
that was used as an example get out
09:23
yeah because it is going to be destroyed
09:26
right
09:26
that's what the bible said so if you
09:29
make that application to the end of time
09:31
it becomes rather
09:35
important that we take heed of these
09:37
things there were also
09:38
a lot he was told not
09:41
to leave go to the cities in the first
09:44
place and then when he went to the
09:45
cities he was also admonished to get out
09:47
of the cities yes he had to get out and
09:50
it was very hard to get out yes
09:51
not so easy to get out
09:56
here's a statement from last day events
10:00
when iniquity abounds in the nation
10:03
there's always to be heard some voice
10:05

giving warning and instruction
10:08
as the voice of lot was heard in sodom
10:11
yet lot could have preserved his family
10:14
from many evils had he not
10:15
made his home in this wicked
10:18
polluted city all that lot and his
10:22
family did in sodom
10:23
could have been done by them even if
10:26
they had lived in a place some distance
10:28
away from the city
10:30
that's pretty good advice yep
10:33
now we've just had a rather devastating
10:37
week
10:37
in terms of what can happen in cities
10:41
and let's just look at what
10:44
this little video shows us
11:09
[Music]
11:26
what
11:54
foreign
12:02
now these horrendous events that took
12:04
place in
12:05
beirut they weren't directly because of
12:09
a judgment of god
12:10

this was human negligence
12:14
there were all kinds of reports of
12:15
course afterwards
12:17
some conspiratorial let's stick with the
12:21
with the status quo and the news media
12:25
this was a disaster waiting to happen
12:29
because of human negligence etc
12:34
but if you were not in the city then
12:37
this would not
12:38
have hit you now what if this starts
12:40
happening
12:41
on a large scale yes and what if the
12:45
judgments of god
12:46
are coming to this world because of the
12:50
iniquity
12:51
sometimes god does these things or
12:54
allows these things
12:55
so people can wake up right yep
12:58
beirut explosion rescue workers
13:01
frantically search for survivors as
13:03
lebanon capital confronts massive
13:06
devastation i mean these are terrible
13:09
disasters
13:11

and in the cities people are crowded
13:13
together
13:14
you are subject to all that happens in a
13:18
city
13:18
device crime
13:22
all of these as god's commandment
13:26
keeping people
13:27
we must leave the cities as did enoch we
13:30
must work in the cities but not
13:33
dwell in them now
13:36
if you work in the cities something
13:38
could happen to you
13:39
while you are working in the city well
13:42
god knows that
13:44
so let us just give people a little bit
13:47
of hope here
13:50
my friend always says man is immortal
13:54
until his work is done
13:57
and we know that god in his mercy will
14:01
put many to sleep
14:02
before the final events because people
14:05
just would not be able to handle it
14:07
so we have to be realistic things are
14:10

not going to be easy
14:11
yeah and we are admonished to work the
14:15
cities but not by dwelling in them
14:18
now if something should happen to you
14:20
while you are in those cities
14:22
god knows that and it's just a twinkling
14:25
of an eye
14:26
the promises that god has for his people
14:30
are just amazing and if we are of a
14:34
fearful disposition
14:36
then read the promises i have marked my
14:40
bible
14:41
with the letter p when there is a
14:44
promise
14:45
and if you start reading your bible and
14:47
you find something that is encouraging
14:50
put the letter p because god is not a
14:53
liar
14:55
and every single promise in the bible
14:58
is for his people now
15:01
god never promised that calamity will
15:03
never come to you
15:04
yeah but god promised that even
15:08

if calamity should come to you he's got
15:10
it under control he's still there
15:12
he's still pretty so we should if and if
15:15
it
15:15
is in his plan that you should not
15:19
survive
15:20
the calamity it will also be for the
15:23
best
15:23
then it will be seed so god is in
15:27
control
15:28
and we must trust god we must have the
15:30
attitude of job
15:31
even if he slay me
15:35
yet will i trust him
15:38
so the cities are to be worked from
15:40
outposts says the messenger of god
15:42
shall not the cities be worn yes
15:46
not by god's people living in them
15:50
but by their visiting them to warn them
15:52
of what is coming
15:53
upon the earth there is something coming
15:57
and when this thing starts happening
16:01
and by implication some of it will
16:04

certainly happen
16:05
before the close of probation because if
16:08
this
16:08
is supposed to be
16:11
an inducement to change
16:15
what's the point if probation is closed
16:17
right
16:18
i think to say
16:22
the bible calls the plagues after
16:25
the close of probation the seven last
16:28
plagues yes
16:29
so if it's last plagues there will be
16:32
plagues
16:32
before it and the bible says it's the
16:34
wrath of god
16:35
poured out without mixture in other
16:38
words there's no mercy involved anymore
16:41
some of these destructions are actually
16:44
mercy yes
16:46
some of our cities are now so wicked
16:49
and just the blatant apostasy and the
16:53
outright confrontational attitude
16:56
towards
16:57

god and cries out even human beings are
17:01
saying how long
17:02
lord are you going to tolerate this kind
17:05
of thing just shows how long suffering
17:07
god is
17:08
yes and when it does happen let's say
17:11
it does happen and a city is destroyed
17:14
let's say an entire city is destroyed
17:18
and millions of people lose their lives
17:22
well at the moment how many people died
17:25
in beirut
17:26
they say the death toll is now over 200
17:29
there are about 400 people at least
17:31
missing
17:32
so far and thousands have been injured
17:34
that's a
17:35
that's a pretty uh hectic event
17:39
yes but whatever whole city is destroyed
17:42
would people then start thinking they
17:45
might
17:48
for years i have been given special
17:50
light that we are not to center our work
17:53
in the cities
17:54

the turmoil and confusion that fill
17:57
these cities the conditions brought
17:59
about
18:00
by the labor unions and strikes would
18:03
prove a great hindrance to our work
18:06
well just go to the united states at the
18:09
moment and try
18:10
and preach yes in some of these cities
18:14
that
18:15
are full of riots well let's call it
18:19
then protesters
18:20
yes um these
18:23
so-called uh peaceful protests putting
18:28
churches
18:29
ablaze so i wondered like you said
18:32
if you go and try and evangelize now how
18:36
successful will you be
18:37
yes i was also thinking people that say
18:40
we should join the movement because of
18:42
the social
18:44
implications implications and so on have
18:47
they
18:47
thought about trying to go into the
18:50

protests and doing evangelism
18:54
yes i don't think it will be very
18:56
successful but nevertheless
18:58
be assured that the call is for our
19:02
people to locate
19:04
miles away from the large cities
19:08
now that explosion in by beirut was felt
19:11
150
19:12
miles away yes that's amazing yeah
19:16
i'm not saying you have to move 150
19:18
miles from this from
19:20
you i don't feel it but this is good
19:23
advice
19:25
be assured that the call is for our
19:27
people to locate
19:28
miles away from the large cities one
19:31
look at san francisco as it is today
19:34
would speak to your intelligent
19:35
minds showing you the necessity of
19:38
getting out
19:39
of the cities do not establish
19:42
institutions in the cities but seek a
19:44
rural location
19:45

the call is come out from among them and

19:48

be

19:48

ye separate the very atmosphere of the

19:52

city is polluted

19:54

let your schools be established away

19:56

from the cities where agricultural and

19:58

other industries can be carried on

20:01

it has ever been god's way

20:04

not to locate yes in the cities

20:08

nimrod kane was the first city builder

20:13

yes and enoch was put in charge his son

20:16

now this is the

20:17

not the good enoch this is enoch son of

20:20

kane

20:21

and the masonic order

20:25

traces their lineage back to that

20:28

particular enoch

20:29

i mean morals and dogma traces their

20:32

heritage back to enoch son of cain

20:35

this is just unbelievable yeah and

20:38

people

20:39

don't see it they think you know

20:43

who who is albert pike after all in the

20:46

masonic order
20:48
now when i was in the 33 degree temple
20:52
there allowed tourists in there and
20:57
i had a burning desire to see what was
20:59
going
21:00
on outside of the tourist district
21:04
so i developed a great need to go and
21:07
search
21:07
[Laughter]
21:10
and so we went down and
21:14
we came to an area where they had this
21:17
museum for albert pike
21:19
with all his stuff lying there his pipe
21:22
and his books and his library
21:24
and everything and
21:27
when we were walking somebody discovered
21:30
us
21:31
and shouted at us that we were standing
21:34
on
21:34
holy ground oh yeah and this is this
21:37
massive building in in washington where
21:40
all
21:41
the high politicians you know gather
21:43

around
21:46
and i said oh why is this holy ground
21:50
is there a washroom anywhere around here
21:54
and they said no it's albert pike's
21:56
remains that are there
21:58
so this is holy ground yeah this
22:01
uh channeler of luciferian doctrine
22:06
and you know people don't realize that
22:08
these things are real this is really
22:10
happening
22:11
yes and i don't know why god in his
22:14
mercy
22:15
allowed me to see some of these things
22:18
in my life maybe
22:19
so that i could you know
22:22
with some authority and not just
22:25
hearsay relate to some of these things
22:29
and show the world
22:30
that this world is steeped in wickedness
22:34
we have to separate from these things
22:37
didn't it give you a different view of
22:39
the
22:40
bible text that tells us that our fight
22:43

is not against flesh and blood
22:45
absolutely i think that's also one thing
22:47
that maybe helped you because
22:49
a lot of us that don't have
22:52
didn't have an encounter like this don't
22:55
quite realize it you know there's a big
22:58
war going on in the spiritual realm but
23:00
not
23:01
as and the deception i mean i had all
23:04
this demonic activity in my home and
23:08
i got the church involved and i got the
23:10
roman catholic church involved
23:12
and how it worked out that their
23:15
exorcist
23:15
sort of cleared up the issue but as soon
23:19
as i realized that even that was a
23:21
deception
23:23
they phoned me immediately and said your
23:25
father is having a problem in the other
23:27
side of the world
23:28
and in purgatory he's suffering because
23:31
of what you are doing now
23:32
studying the bible right wow and i said
23:36

excuse me how do you know
23:38
how do you know that my father
23:41
is suffering in purgatory who told you
23:45
and the exorcist told me it's the nuns
23:50
they are in communication with the
23:52
spirits and the spirits
23:53
told them about that time i knew there
23:56
was no purgatory the bible doesn't know
23:58
anything about a purgatory
24:00
and the dead sleep yes this is
24:03
uh luciferian doctrine that
24:06
the dead are active and alive as we
24:09
discussed in a previous one
24:12
so this great deception was the final
24:16
attempt to bring me back into line
24:20
and these things happened this is not
24:23
this is not something that happened in a
24:25
corner
24:26
this was real and how did this man
24:30
this exorcist that dealt with the
24:34
situation in my home how did he know
24:36
ahead of time what was going on in my
24:39
home yes
24:40

i mean just unbelievable so you know
24:43
people that
24:45
say that this is a conspiracy theory
24:48
when they grew up in cotton wool they
24:51
have no idea
24:52
this is real interesting that you
24:55
mentioned that that
24:56
this was the last form of satan
25:00
trying to get me back get you back
25:03
don't you think that this will also be
25:07
one of his last attempts brilliant
25:10
in the world absolutely he will manifest
25:13
his heathen power
25:15
right he will manifest himself he will
25:18
display himself and
25:20
people will fall for it if they do not
25:22
know their bible
25:23
say for instance you've been somebody
25:25
that didn't believe in these things
25:27
and a deceased one of your deceased
25:30
relatives appears to you
25:32
it's going to be hard not to believe
25:34
that that is a true
25:35

appearance absolutely you're going to
25:37
say whoa
25:39
what is going on here imagine a parent
25:41
and his child appears to him a deceased
25:43
child
25:44
i had so many weird experiences in my
25:47
life
25:48
i remember when my father died
25:52
i through circumstances
25:55
they were incredible was the only one at
25:57
his at his deathbed
25:59
and i i held a vigil at his deathbed
26:04
and it was it was
26:07
very peaceful just stopped breathing
26:12
and when he had stopped breathing
26:14
entirely
26:16
he sat up in bed and he stretched out
26:20
his arms like this
26:23
it was it had such a huge impression
26:26
upon me i mean i wasn't a believer yet
26:28
right yes
26:29
i was not a christian i was still an
26:33
atheist but i was a spiritist i was an
26:35

occultist yeah which is a misnomer right
26:38
actually yeah and
26:42
that look and then he fell down and he
26:44
was dead
26:45
right now when i drove home
26:50
i actually spoke to him as if he was
26:52
sitting in the car with me
26:55
and i got home and the weirdest things
26:58
happen
26:59
people will say you know maybe this man
27:01
has totally lost it
27:04
but uh did i really lose it when later
27:07
that exorcist in my home
27:10
was being thrown around like a rag doll
27:13
what threw him around well what picked
27:15
him up and threw him around
27:16
nothing no definitely
27:20
not nothing definitely not nothing so
27:23
i just want to tell the viewers this
27:25
stuff is real
27:26
there is a demonic world out there and
27:29
that demonic world has got humanity
27:33
to the ultimate stage of rebellion
27:36

our only safety is that thus says the
27:39
lord
27:40
you cannot believe the evidence of your
27:43
own eyes
27:44
you have to trust that the word is truth
27:49
and ignore the evidence of your own eyes
27:52
if your
27:53
great-grandfather should stand in front
27:56
of you looking exactly like you remember
27:58
him from your pick from the pictures
28:00
that you saw
28:01
that's no evidence because the bible
28:03
says the dead know nothing they will
28:04
have no part on this earth
28:06
they are asleep they are waiting for the
28:08
resurrection
28:09
amen now if you take this city san
28:11
francisco that
28:13
the spirit of prophecy warned against
28:15
it's in a pretty poor shape
28:17
right many things happened in san
28:19
francisco
28:20
it was destroyed by an earthquake yes
28:23

and people were admonished at that stage
28:27
to get
28:27
out of san francisco but many of them
28:30
moved back
28:31
many of them moved back it became the
28:34
epicenter of the hippie movement
28:37
which of course was also steered and
28:39
directed by the jesuits new age
28:42
the new age the age of aquarius that you
28:44
mentioned earlier
28:45
they said the the golden age the and the
28:48
age of aquarius
28:50
also that whole movement started in san
28:53
francisco
28:54
and also uh well alternative lifestyle
28:58
movement
28:59
all of these things emanate from san
29:01
francisco
29:03
it's like a modern-day sodom and
29:05
gomorrah
29:07
so what did donald trump say
29:10
about this particular city
29:14
over the holiday president trump put the
29:15

blame on the house speaker
29:17
and california's governor for not
29:19
cleaning up san francisco's homeless
29:21
problem
29:22
in one tweet he said nancy pelosi's
29:24
district in california has rapidly
29:26
become one of the worst anywhere in the
29:28
u.s
29:29
when it comes to the homeless and crime
29:31
it has gotten so bad so fast
29:34
she has lost total control and along
29:36
with her equally incompetent governor
29:38
gavin newsom
29:39
it is a very sad site he also tweeted
29:42
that if the governor can't fix the
29:43
problem
29:44
the federal government will get involved
29:46
san francisco supervisor matt haney says
29:49
the problem is getting worse the latest
29:51
homeless count in san francisco showed a
29:53
big
29:54
increase in the last two years to more
29:56
than 9 000 people
29:59

so once the city goes down
30:02
morally it goes down in its
30:05
infrastructure
30:06
and all of those things
30:09
here's an article which says why san
30:11
francisco's homeless population keeps
30:14
increasing
30:15
more than 25 000 people were counted as
30:18
homeless during an overnight tally
30:20
conducted in san francisco
30:22
that's incredible yeah that's a lot of
30:25
people
30:26
and and this is a this is a first world
30:28
country
30:30
now this is of course nothing when you
30:33
compare it with a third world country
30:35
if you go to india and or our own
30:38
country
30:39
our own country it is terribly terribly
30:42
sad
30:42
and people are suffering and one wonders
30:46
how long
30:47
god is going to look upon humanity
30:50

in its state the lord calls for his
30:53
people to locate away from the cities
30:55
for in such an
30:57
hour as you think not
31:00
fire and brimstone will be reigned from
31:02
heaven upon these
31:04
cities proportionate to their sins will
31:07
be their visitation
31:09
when one city is destroyed let not our
31:12
people regard this matter as a light
31:14
affair
31:15
and think that they may a favorable
31:17
opportunity
31:18
offers build themselves homes in that
31:21
same
31:21
destroyed city that's an interesting
31:25
statement
31:25
yes so here we we hear
31:29
that cities will be destroyed by fire
31:32
and brimstone by fire and brimstone now
31:34
how is san francisco destroyed
31:36
by an earthquake by an earthquake now if
31:39
one city is destroyed don't go and build
31:41

there again did god's people go and
31:42
build there again
31:44
yes yes many of them did
31:47
in other words if this city was
31:50
once already subject to judgment
31:54
could it be subject to judgment again
31:57
yes
31:57
is it possible that god will rain down
32:00
fire and brimstone
32:01
and destroy cities even before the close
32:03
of probation
32:04
yeah so that it could act as a seed
32:09
could that put a knock into a population
32:11
and make them think
32:13
i think it can and then it's also
32:17
admonished not to go and build in that
32:19
city again don't go back when they
32:20
rebuild it
32:23
that all who would understand the
32:24
meaning of these things
32:26
read the 11th chapter of revelation
32:30
so now we are linking the destruction of
32:32
cities
32:35

to the book of revelation yes read
32:38
every verse and learn the
32:42
things that are yet to take place in the
32:44
cities
32:46
read also the scenes portrayed in the
32:48
18th chapter of the same book
32:51
so we have marching orders yes
32:55
our marching orders are when we see the
32:58
things that are happening in the world
33:00
today
33:01
and when we see the signs of these
33:03
destructive elements taking over
33:06
then read the 11th chapter of revelation
33:10
so i think we must do that yes we must
33:13
also read
33:14
the scenes portrayed in the 18th chapter
33:16
of the same book
33:18
so we have to do a bible study so the
33:20
one is a type historically
33:22
and the other one is the anti-type right
33:24
yep
33:26
let's look at it but before we go there
33:30
here's an interesting very interesting
33:32

quote in the great controversy
33:35
for seven years a man continued to go
33:39
up and down the streets of jerusalem
33:43
declaring the woes that were to come
33:46
upon the city
33:47
by day and by night he chanted the wild
33:51
dirt
33:52
a voice from the east the voice from the
33:54
west the voice from the four winds
33:57
a voice against jerusalem and the temple
34:00
a voice against the bridegroom
34:01
and the bride and a voice against all
34:03
the people
34:05
this strange being was imprisoned and
34:08
scourged
34:10
they beat him yeah but now a complaint
34:13
escaped his lips
34:14
to insult an abuse he only answered
34:18
woe to jerusalem woe woe
34:22
to the inhabitants thereof his warning
34:25
christ
34:25
ceased not until he was slain in the
34:28
siege
34:29

he had foretold for seven years
34:33
this man was walking around
34:36
and warning the city but is it possible
34:40
that somebody could be doing this
34:42
in the times that we are living in let's
34:44
have a look
34:46
woe to you america for the hour of your
34:50
judgment has come
34:53
the first woe has passed behold the
34:55
second world
34:58
your city streets shall be turned to
35:00
stubble
35:01
and your skies shall be filled with
35:03
smoke
35:05
fire will fall from heaven and then you
35:08
will know
35:09
that i am the lord your god repent
35:12
united states of america
35:17
for the kingdom of god has come near to
35:19
you
35:19
[Music]
35:27
you should repent in dust and ashes and
35:30
return to the lord
35:31

and he will have mercy judgment
35:34
is all around you there is a storm over
35:37
our lands
35:47
i find that very interesting
35:51
here is a man who claims that three and
35:55
a half years ago the lord
35:56
instructed him to start warning the
35:59
nation and this is what he does
36:02
so three and a half years have passed
36:07
well that would mean if the other one
36:09
preached for seven years that would be
36:11
another three and a half years let's not
36:13
go there we'll get into trouble
36:15
yeah mathematics is always problematic
36:20
we're not saying that this is the end
36:21
i'm just saying there are some
36:23
interesting parallels there's some
36:24
interesting things
36:26
happening but it's
36:29
you can't um get away from telling
36:32
or saying it's interesting yes it's
36:35
it's interesting let's read a little bit
36:38
more
36:38

this comes from the review and herald
36:41
jerusalem was
36:42
lost because of its obstinate refusal to
36:45
acknowledge the truth
36:47
this the world is doing today
36:50
men refuse to see the truth that is
36:52
plainly revealed in the word of god this
36:55
is the standard right
36:56
the word of god a thus says the lord
37:00
is regarded as of no account
37:03
while the words of men are given great
37:06
authority
37:08
and as the inhabitants of jerusalem were
37:10
punished
37:11
so will those be punished who refuse to
37:14
receive
37:15
truth god would have us realize
37:18
that by the city of jerusalem a world
37:22
is represented christ's utterances
37:25
regarding the destruction of jerusalem
37:28
are ever to be connected with the more
37:31
terrible destruction of the world
37:34
now we know that the world will be
37:35

destruct destroyed
37:37
right at the end by the by the plagues
37:40
and particularly the last plague when
37:44
the great hail will come and the great
37:45
earthquake
37:47
but the judgments of god will be in the
37:49
land before then
37:51
and then it's not a time to be in the
37:53
cities right correct
37:55
as the the spirit of god withdraws
37:58
itself
37:59
and the four angels start loosening the
38:02
wind
38:03
so let me just go back to deagle.com
38:07
when they said all these places
38:11
and they mentioned particularly the
38:13
christian world if we analyze it like
38:15
that they don't say that we are saying
38:17
that just by
38:18
looking at the numbers will be the ones
38:21
that are hardest hit that's possible
38:24
but they shouldn't like esau rejoice
38:29
that the great adversaries over there in
38:32

the west
38:33
have been destroyed because their
38:35
calamity is also coming
38:37
it is wishful thinking on their part to
38:40
think
38:41
that they will be unaffected because
38:45
the prophecy in daniel tells us
38:48
that when the rock strikes this
38:51
political system on this planet how much
38:53
is going to be left
38:55
nothing nothing there will be dust and
38:58
what will happen to the dust
39:00
even that will be swept away nothing is
39:03
going to remain the whole world is going
39:05
to be destroyed
39:07
the point of all of this is
39:10
don't make light of this no don't say to
39:13
people
39:14
the time is not yet she clearly said
39:17
that the time is already there we should
39:19
have heeded this long ago
39:21
we should never have gone back and built
39:24
places in cities that god had already
39:26

once destroyed like in the case
39:28
of of san francisco
39:31
so the very last city that you want to
39:33
be in is
39:34
particularly one that has already once
39:36
before
39:38
received judgment and certainly didn't
39:40
repent
39:42
just by their action their fruits
39:45
their fruits how did the
39:49
the whole drug world come into the world
39:51
didn't it start off in san francisco
39:54
and today as we see it is not much
39:57
better
40:01
here is another statement jesus did not
40:04
answer his disciples by taking up
40:06
separately the destruction of jerusalem
40:10
and the last great day of his coming the
40:13
city of jerusalem
40:14
represented the world and the utterances
40:18
regarding its destruction
40:20
are to be connected with the world's
40:22
more
40:23

terrible destruction
40:26
that's horrendous yes if you think about
40:30
jerusalem
40:32
the people were starving yes they were
40:34
eating their own children
40:37
now people will say we're fear-mongering
40:40
no we're not
40:40
yeah we are giving a warning correct
40:44
and this is a warning that god himself
40:48
also gave his disciples when you see
40:52
that this city is encompassed by armies
40:56
and they're setting up their false
40:58
standard of righteousness
41:00
get out get out that city is going to be
41:03
destroyed
41:05
they ate their own children and when it
41:08
was finally destroyed
41:10
for miles there were crucifixes as the
41:12
people were
41:13
slaughtered and it says here
41:18
that the destructions are to be
41:20
connected with the world's
41:21
more terrible destruction
41:24

and speaking of jerusalem his prophetic
41:27
words reach beyond that event to the
41:29
conflagration
41:30
that will take place in that day when
41:33
the lord
41:34
shall rise out of his place to punish
41:36
the inhabitants of the earth for their
41:38
iniquity who's going to punish
41:41
god could fire come from heaven yes
41:45
even that town cryo or country crier
41:49
said that fire was going to come down
41:51
from heaven yes
41:53
and the spirit of prophecy said the same
41:55
thing
41:57
the description of the two events is
41:59
mingled and the entire subject is a
42:01
warning to those
42:03
who shall live in the last sins of
42:05
earth's history
42:07
so it's not crying fear-mongering no
42:11
it's a warning that should be given that
42:13
should be given
42:14
and if we are faithful sentinels then we
42:17

must bring this
42:18
warning get out so we've been admonished
42:22
to study the book of revelation and
42:24
particularly chapter 11.
42:26
can i before we go into chapter 11 can i
42:29
maybe ask
42:30
now that we've talked about getting out
42:33
of the cities
42:34
is there maybe just some short practical
42:39
um advice advice
42:42
that you can give to people that are
42:45
currently in the cities and would
42:47
maybe like to get out well it's always
42:50
as the lord
42:51
opens the way you know isaiah says
42:54
my people shall not leave in haste
42:59
of course if you're terry and terry and
43:01
terry you might have to leave in haste
43:04
a lot certainly left in haste
43:08
so what are what are the procedures
43:13
well let no man tell you your duty and
43:16
no man can tell you where to go
43:18
or what to do you have to be
43:22

on your knees and you have to ask god
43:25
to open the way and you must claim the
43:28
promises
43:30
but you can't just wait for it to fall
43:32
from heaven
43:33
you have to set certain things in motion
43:36
you must put your feet
43:37
in the jordan you must put your feet in
43:39
the jordan so if you are living in the
43:41
city
43:43
my advice would be get rid of your
43:46
assets in the city
43:48
and locate away from the city if that is
43:51
at all possible
43:53
of course if you're not able to do that
43:56
then god will take care of that too
43:57
then you trust in the lord and the lord
44:00
will take care of it even if you should
44:02
be sleeping that would be
44:06
also in his hands it's only for a moment
44:10
so the big issue is trust yes
44:13
faith claim the promises
44:16
and if god opens the wa the door
44:20

then walk through it thank you
44:23
so let's have a look at revelation
44:25
chapter 11.
44:28
and there was given me a read like unto
44:30
a rod
44:32
and the angel stood saying rise
44:35
and measure the temple of god
44:39
now let's just stop there we're going to
44:42
go through this
44:44
how are we told to go through it
44:46
thoroughly every
44:47
verse every verse
44:50
now the bible clearly tells us paul
44:53
tells us
44:54
that the church is the temple of god ye
44:57
are the temple
44:58
of the living god and
45:01
there's going to be a measuring rod
45:04
to measure the temple and the altar
45:08
and them that worship therein
45:12
so the church is the temple of god
45:16
the altar is in terms of what they
45:19
believe
45:19

in terms of the the sacrifice that was
45:22
made for their sins
45:23
how do they relate to it right
45:27
and the people that are in the church so
45:30
it is a
45:31
thorough measuring of the entire system
45:35
structure the belief system
45:38
and the individual it's going to be
45:42
measured
45:43
do you measure up
45:47
measure up with what well with the word
45:49
of god right
45:52
so it starts off the very first verse
45:55
tells us that judgment
45:59
begins with the house of course of god
46:02
they're going to be tested
46:05
so they're going to look at the church
46:08
going to look at the belief system
46:10
and going to look at every single
46:13
individual
46:14
claiming to be within that structure and
46:17
belief system
46:21
now do we have
46:26

many indications today
46:30
has in the case in the time of a literal
46:34
jerusalem
46:35
that all is not well in the house of god
46:39
yes do we have many voices
46:42
which go counter or contrary to
46:46
the word of god and the spirit of
46:48
prophecy yes
46:51
is that a reason to say that the entire
46:54
church
46:55
is in apostasy no no
46:58
because why would god measure it then to
47:00
see what is left of the temple
47:04
what is actually in harmony with the
47:07
worship system
47:08
and who is still in harmony with it
47:11
there's going to be a measuring
47:13
yes correct um this
47:16
lots of people that
47:19
judge a church by its members you cannot
47:23
no you if the
47:26
standard is you see what they
47:29
structure doctrine and um what they
47:33

teach
47:33
yeah and if the people inside of the
47:35
church don't follow that
47:37
it doesn't mean the church is a problem
47:40
i always i always have this idea in my
47:43
mind
47:45
about how god works and i know i've told
47:49
the story in my
47:50
in my testimonies many times
47:54
but one that that really stood out for
47:56
me
47:57
was in a uh
48:01
for a previous com communist bloc
48:04
country i was doing an evangelistic
48:07
campaign and the pastor that was
48:11
assigned
48:12
to take part in this evangelistic
48:14
campaign was a young man
48:17
and he was extreme
48:20
liberal absolutely
48:24
well 190 degrees the opposite
48:28
of anything that i for example stood for
48:32
and he was not interested at all
48:36

he was just way out there
48:39
and he was only interested in music and
48:43
singing and being happy and
48:46
all of these messages about end time
48:49
and this was to him just such a terrible
48:52
waste of time
48:56
and he used to come with his guitar
48:58
hanging around his neck
49:00
and he would try and postpone the
49:03
inevitable lecture for as long
49:05
as possible and he his whole
49:08
expression just told me that he was
49:12
not on this wavelength it was really
49:15
hard to do the campaign
49:17
under those circumstances yes but i did
49:20
it and i went through the entire thing
49:23
and he was in absolute opposition
49:28
and then right at the end
49:31
suddenly his whole department changed
49:36
everything changed and he became
49:39
so serious and he came to me and he said
49:43
to me
49:44
i have been hit like with a
49:47

lightning bolt
49:50
and i was totally surprised i thought
49:53
he'd listen to what i said he never
49:55
listened to a word
49:56
i said i irritated him right he didn't
49:58
like this message
50:00
at all and i said what happened he said
50:03
my grandmother
50:04
had a chat with me and my grandmother
50:08
said
50:09
to me the other evening now i can die
50:14
in peace because i know that the old
50:18
advent message is still alive
50:22
and being preached in the world today
50:25
and
50:26
that struck him not what i said
50:29
what his grandmother said to him that
50:32
hit him between the eyes
50:35
so you know i don't know who's going to
50:37
wake up i cannot judge
50:39
if i had to judge all of these people i
50:42
would judge them by
50:43
my standard thank god it is god
50:47

who has the measuring rod
50:50
but if you are willfully
50:54
disobedient or even willfully ignorant
50:57
yeah you come into this judgment if the
51:00
teachings
51:01
of your church body is contrary to
51:04
god's word then it doesn't then you have
51:07
to get out
51:08
of that church body correct then you
51:10
have to come out of a yes it doesn't
51:12
matter if your local pastor
51:14
is not preaching the same as a church
51:17
body
51:17
yeah that church still falls under that
51:20
church body
51:21
so that you have to you're right people
51:23
say you know
51:25
i know that my church officially teaches
51:27
this that and the other let's say
51:28
predestination
51:30
and i know it's not biblical but my
51:32
local pastor doesn't worry about that so
51:34
i'm
51:35

no if the body is wrong then you have to
51:37
leave that body yes
51:39
but if that body has biblical
51:43
doctrines and they don't adhere to them
51:46
as individuals that's god's problem yes
51:49
yeah
51:50
okay let's continue with revelation
51:52
chapter 11.
51:54
so verse one tells us that god is going
51:57
to
51:58
apply a standard of measure
52:02
but the court which is without the
52:05
temple
52:05
leave out and measure it not for it is
52:08
given unto the gentiles and the holy
52:11
city
52:12
shall they tread under their foot forty
52:16
and two months
52:19
so the other court stands for the
52:21
gentile nations
52:23
outside and they're going to trample
52:26
the city which is basically the truth
52:31
for 42 months now this
52:34

number 42 months is exactly the same as
52:38
the 1260 days or the three and a half
52:42
prophetic years
52:44
and parallelism will tell you this for
52:47
example
52:48
it will say in revelation chapter 12 for
52:50
example
52:51
it will talk about the church the
52:54
wilderness
52:56
and the time frame 1260
53:00
days and then in a parallel text it will
53:02
say the church
53:03
the wilderness 42 months yes
53:06
so you know that they are the same time
53:09
times and half a time time
53:10
times and half the time the hebrew year
53:13
had 360 days
53:16
so three and a half times 360 is 1260.
53:21
it will tell you 1260 days which is
53:24
exactly the same time period the hebrew
53:26
month
53:27
had 30 days 42 times 30 1260.
53:32
so this is referring to the time
53:35

when the heathen nations the gentiles
53:39
would trample the truth for 42 months
53:43
a reference to the period of papal
53:46
dominance
53:47
from 538 a.d to 1798
53:51
when god would permit
53:55
an apostate counter system to be erected
53:59
that for example violates the doctrine
54:02
of the altar
54:05
that's important yes because the altar
54:07
stands
54:08
for the sacrificial lamb that died for
54:11
the sins of the world
54:14
rome as we saw taught that your works
54:18
will be the means to your salvation
54:22
rome taught that or still teaches
54:26
that you pay the price for your sins
54:29
even after death in a place called
54:31
purgatory so they totally
54:34
destroy the message of salvation
54:38
through faith alone they call it an
54:40
anathema
54:42
so for 42 prophetic months for 1
54:46

260 days a day for a year
54:49
1 260 years
54:52
this system would attack
54:56
the church the doctrine of the church
55:01
and individuals within the church
55:04
and i will give power unto my two
55:07
witnesses
55:08
and they shall prophesy a thousand
55:12
two hundred and three score days can you
55:15
see there the parallelism 42 months
55:18
here it is given as 1260 days
55:22
same time period and they will be
55:25
clothed
55:26
in sackcloth now we need to know who the
55:29
two witnesses are
55:31
they cannot be too individual literal
55:34
people
55:35
why not because this is a prophetic time
55:39
period
55:39
and they're not going to prophesy as
55:42
literal people for 1260 years
55:45
yes so the bible has to tell us who the
55:48
two witnesses
55:49

are and then it tells us who they are
55:53
they are the two olive trees
55:56
and the two candlesticks standing before
56:00
the god
56:01
of the earth now a candlestick gives
56:04
light
56:06
thy word is a lamp
56:09
unto my feet and to my
56:13
path so we're dealing with the word of
56:16
god
56:17
they are going to prophesy
56:20
in other words preach the truth but
56:23
in sackcloth they will be suppressed
56:27
they will be downtrodden they will be
56:30
preaching against all odds
56:34
and if any man will hurt them fire
56:37
proceeds out of their mouth and devours
56:39
their enemies
56:41
and if any man will hurt them he must in
56:43
this manner be
56:44
killed don't mess with god's word
56:48
now we had a whole what's up
56:52
about messing with god's word right two
56:55

of them
56:55
so this same power that trod
56:59
on the city the same power
57:02
is one that messes with the word of god
57:06
and they will be burnt
57:11
because fire proceeds out of their mouth
57:14
they will be destroyed by fire it's
57:16
interesting
57:17
if we go to the bible stories and
57:20
punishments
57:21
prostitutes were punished by stoning
57:26
yeah whereas
57:29
in this particular case if it was a
57:32
priest's
57:33
daughter that prostituted herself then
57:36
she was burnt with fire
57:38
so this is a priestly system
57:41
that will be destroyed by fire
57:45
and it is the word of god that condemns
57:48
you
57:50
let's just go to a parallel text in the
57:52
book of zechariah
57:54
chapter 4 verse 3 where we have this
57:57

reference to the two olive trees
57:59
which we just read in revelation 11.
58:04
one upon the right side of the bowl and
58:06
the other on the left side thereof so i
58:08
answered and spoke to the angel that
58:09
talked to me saying
58:11
what are these my lord and the angel
58:15
that talked with me answered and said
58:17
unto me
58:17
knowest thou not what these be and i
58:19
said no my lord.
58:22
then he answered and spake unto me this
58:24
is the word of the lord.
58:26
so there's the answer there's the answer
58:28
so there's your parallel text
58:31
and unto zerubbabel saying not by might
58:33
nor by power but by my spirit says the
58:36
lord of hosts and this is
58:38
this is our weapon
58:41
like martin luther said let the minds
58:45
clash
58:46
but keep the fists down okay
58:49
our weapon is the word of god thus says
58:51

the lord
58:53
now in revelation chapter 11 for 1260
58:58
years
58:58
god's word was suppressed yes if you
59:02
read the bible
59:03
in your own tongue some put you to death
59:05
yes
59:06
there's no doubt that they did that
59:09
chapter 4 verse 11 says then answer thy
59:12
and said
59:13
unto him what are these two olive trees
59:15
upon the right side of the candlestick
59:18
and upon the left side thereof didn't we
59:20
just read that also in the book of
59:21
revelation
59:22
yes yes and i answered again and i said
59:26
unto him
59:28
what be these two olive branches which
59:31
through the golden pipes empty the
59:34
golden
59:34
oil out of themselves
59:38
and he answered me and says knows thou
59:40
not what is being i said no my lord
59:42

and he said these are the two anointed
59:45
ones
59:46
that stand by the lord of the whole
59:48
earth
59:50
it's a very similar language yes by the
59:52
way perhaps you can put a link in
59:54
to the zechariah series which we
59:57
also did yeah yeah
60:00
all right now the oil stands for the
60:04
holy spirit so this is
60:07
the holy spirit feeding
60:11
the power into the word and giving it
60:16
to the world and the two anointed ones
60:18
we have two then we had two
60:20
in the book of revelation chapter 11.
60:24
so what do they stand for they stand for
60:26
the old and the new testament because
60:27
it's the word of god
60:28
yes now what's the difference between
60:31
the old testament and the new testament
60:34
the old testament is the word of god in
60:36
type
60:38
and the new testament is the word of god
60:40

in antitype
60:42
the one is the fulfillment of the other
60:45
the two augment each other yes the one
60:48
doesn't replace the other
60:49
no never does it replace it
60:53
it fulfills it yes explains it
60:57
expounds it and you cannot be
61:00
without one or the other you need them
61:03
both
61:04
very very important because like you
61:07
know a lot of people say no
61:08
the old testament was let's cut it off
61:10
right we don't need it
61:12
jesus did take jesus took away the old
61:15
testament
61:17
yeah and we spoke about emmaus
61:20
what book did jesus use to explain
61:24
everything about himself the bible study
61:26
was done out of the old testament
61:28
absolutely i mean in corinthians paul
61:30
says
61:32
everything there in the desert and
61:35
was for our admonition that's it
61:39

absolutely so now that we've established
61:43
that this is the word of god
61:44
and that it was prophesying in sackcloth
61:47
in other words it was
61:48
suppressed downtrodden
61:52
we go to verse six these the old and the
61:55
new testament the witness thereof
61:58
have power to shut heaven that it rain
62:01
not in the days of their prophecy
62:04
and have power over waters to turn them
62:06
to blood
62:07
and to smite the earth with all plagues
62:10
as often as they will
62:13
well if god says it's not going to rain
62:16
it's not going to rain
62:17
yes and this is of course a reference to
62:20
the elijah message where elijah
62:24
said that it's not going to rain for
62:25
three and a half years
62:27
that is a type of this spiritual drought
62:30
that we are having here portrayed in the
62:33
book of revelation
62:34
chapter 11. so there
62:37

were in an anti-typical sense
62:42
prophecies that said that it would not
62:45
reign
62:46
in other words there will be no
62:48
outpouring
62:50
of the spirit of the spirit in a great
62:53
measure
62:55
and they have power over the waters to
62:58
turn them to blood
63:00
if god says there will be retributive
63:03
action
63:04
by his word then it will happen
63:08
and to smite the earth with all plagues
63:11
as often
63:12
as they will so there will be judgments
63:14
of god
63:16
in the land and in the world
63:19
because of the willful neglect of god's
63:23
word
63:23
do we see willful neglect of god's word
63:26
in the world
63:28
what is taught at schools creation or
63:30
evolution evolution
63:33

and the way that people talk about god
63:36
these days
63:37
is absolutely horrendous is satan
63:40
worship blatant satan worship
63:42
setting up statues of bafflement in the
63:45
world's capitals is this
63:47
something that's happening in the world
63:48
yes absolutely
63:52
just as verily as it explains here that
63:54
the world will be
63:56
destitute of the word of god so we can
63:59
see it but the judgments are coming
64:02
and when they have finished their
64:04
testimony and that's in other words
64:06
after the three and a half years
64:09
the beast that ascendeth out of the
64:11
bottomless pit shall make war against
64:14
them
64:15
and shall overcome them and kill them
64:18
this is an astounding prophecy
64:22
so for three and a half years during the
64:25
dark ages
64:27
they testified
64:30

people were slaughtered they were put in
64:33
on the rack
64:35
they were tortured to death burnt at the
64:39
stake
64:40
because they believed in this word of
64:43
god
64:44
and after that time so around about the
64:48
period
64:49
1798 the beast
64:52
that ascendeth out of the bottomless pit
64:55
now beast according to
64:57
prophecy is a political system
65:00
it's a political system it's a political
65:02
entity
65:04
so there will be a political entity that
65:06
comes out of the bottomless pit it's
65:08
definitely not from god
65:10
yeah it's from the other side
65:13
and we'll make war against them and make
65:16
war against god's word
65:19
the people shall overcome them and kill
65:22
them
65:24
so now here in the book of revelation we
65:27

have
65:27
the possibility that this is a literal
65:30
prophecy
65:32
with a greater application to a
65:35
universal
65:36
state of mind now what happened
65:41
after that 1260 year prophecy what
65:46
happened
65:46
round about 1798
65:50
well france
65:54
actually revolted against
65:57
everything religious
66:01
and they literally banned the bible
66:04
we will deal with that in a moment yeah
66:07
and the philosophy
66:10
that came out of what was called the
66:12
french revolution
66:15
became the philosophy of the world yes
66:19
and france exported that philosophy
66:24
to the united states it's interesting
66:26
that the founding fathers
66:29
called themselves by the name of
66:32
these french revolution heroes they
66:36

called themselves rob spierer
66:38
they called themselves voltaire and they
66:41
communicated with each others in their
66:43
letters in this way and this whole
66:46
idea of this liberty this freedom
66:51
was transported this whole ideology
66:54
out of the bottomless pit was
66:57
transported
66:59
to the world via the united states of
67:01
america
67:02
and it is france that sent the stature
67:05
of liberty
67:07
which is mitra has the crown of mitra
67:10
around its head
67:12
and the torch of lucifer in the hand
67:15
and they call it liberty yes
67:19
now this is interesting now it gets even
67:21
more fascinating
67:23
and their dead bodies shall lie in the
67:26
street of the great
67:28
city now when the bible talks about the
67:30
great city
67:32
it's a reference to babylon right yes
67:36

correct it's a reference to babylon so
67:38
here
67:39
in anti-typical babylon
67:43
which is in terms of the philosophy of
67:47
the french revolution
67:49
which is anti-god based on reason as we
67:52
will see
67:54
and then it tells us this interesting
67:56
version which is
67:57
spiritually called sodom
68:00
and egypt now
68:04
let's not get too imp politically
68:06
incorrect
68:08
but everybody that has a thinking cop
68:11
cap on will realize what sodom
68:14
and egypt stands for sodom stands for
68:20
licentiousness in all its forms
68:24
uh has the west inherited that yes
68:28
absolutely right but it's also called
68:30
egypt
68:31
spiritually egypt where our lord was
68:34
crucified now was jesus crucified in
68:37
egypt no
68:38

was he crucified in sodom no he
68:41
verily was spiritually crucified
68:45
they nailed him as verily to the cross
68:49
as though they had literally done it by
68:51
rejecting the plan of salvation
68:55
now we were talking about the king of
68:57
the north and the king of the south
68:59
yes and it says here
69:03
that this philosophy
69:06
is spiritually called egypt
69:10
so this is king of the south philosophy
69:12
yes
69:13
and this is a philosophy that must be
69:16
overthrown at the end of time by king of
69:19
the north
69:20
philosophy this is interesting
69:23
now the papacy is the king of the north
69:27
and this one over here has to be
69:29
overthrown
69:31
but we read that the two sit at the same
69:34
table
69:35
they're actually buddies
69:39
where our lord was crucified because
69:41

both of these systems the one
69:43
that for one thousand two hundred and
69:45
sixty years king of the north philosophy
69:47
had
69:48
persecuted god's people yes
69:51
was replaced by one that is spiritually
69:54
king of the south
69:56
which says get god out of our lives
70:00
let's crucify this
70:02
religious nonsense
70:05
that the two sit at the same table and
70:07
that the king of the north philosophy
70:09
will come again
70:10
which again crucifies god's people yes
70:14
interesting very interesting
70:17
and they of the people and the kindreds
70:20
and tongues and nations shall
70:22
see their dead bodies three days and a
70:25
half
70:28
and there you have it in days again
70:30
right
70:31
yes so this is again a reference to the
70:34
elijah message it's a reference to
70:37

the 1260 day prophecy
70:42
and here it says they lay there three
70:45
days and a half
70:47
and shall not suffer their dead bodies
70:49
to put in graves
70:52
so what happened here during this rise
70:55
of this philosophical political
70:59
system which the bible calls
71:03
a system ascending out of the bottomless
71:05
pit
71:07
well let's leave it there we'll come
71:08
back to those verses let's go
71:10
and look at the great controversy
71:13
the great city in whose streets the
71:16
witnesses are slain
71:18
and where their dead bodies lie is
71:22
spiritually egypt
71:25
of all nations presented in bible
71:27
history
71:28
egypt most boldly denied the existence
71:32
of the living god
71:34
and resisted his commands
71:37
no monarch ever ventured upon more
71:41

open and high-handed rebellion against
71:44
the authority of heaven
71:46
than did the king of egypt that is king
71:49
of the south philosophy we said that we
71:52
would clarify clarify
71:54
who is the king of the south now
71:57
remember
71:58
he wasn't a religious he had many gods
72:01
as we discussed
72:03
so don't look for a totally a religious
72:06
system
72:07
but it is a system that defies the god
72:11
of heaven
72:12
blatantly the other one also defies
72:16
him but deceptively yes
72:19
it looks like he is he is serving god
72:23
he is correct he's finding ways
72:27
that seem to be serving him while
72:29
negating him
72:32
so both of them are against god
72:36
when the message was brought him by
72:38
moses in the name of the lord pharaoh
72:40
proudly answers who is jehovah that i
72:43

should obey his voice to let israel
72:45
israel go i know not jehovah neither
72:47
will i let israel go
72:49
then she says quite plainly in the great
72:52
controversy this is atheism
72:56
and the nation represented by egypt
72:59
would give voice
73:00
to a similar denial of the claims of the
73:03
living god
73:05
and would manifest a like spirit of
73:08
unbelief and defiance do we see that
73:11
spirit in the world today
73:13
at every level the great city is
73:16
also compared spiritually to sodom
73:20
the corruption of sodom and breaking the
73:22
law of god was especially manifested in
73:25
licentiousness this is logical
73:30
to negate this would be to throw out
73:34
all logic out of the window
73:37
and this sin was also to be a preeminent
73:41
characteristic of the
73:42
nation that should fulfill the
73:44
specification of the scripture
73:47

now here again let's just make this
73:49
quite clear
73:51
she also said that the destructions of
73:53
the
73:54
setis at the end of time applies to
73:57
revelation chapter 11.
74:00
so this cannot be just one little nation
74:03
in isolation
74:04
this is a philosophy that arose
74:08
in one nation and was disseminated
74:11
across the entire globe
74:14
and when this philosophy becomes the
74:17
norm
74:19
judgments will come yes fire will come
74:22
down from heaven
74:24
and this philosophy and this
74:26
licentiousness
74:28
and this way of thinking will
74:31
be addressed by god himself yes
74:36
as a consequence what is going to happen
74:39
the world is going to witness it
74:42
and the world will be moved in the
74:45
direction of whose philosophy
74:48

king of the north yes which is also a
74:51
deception
74:52
yes so think about it logically
74:57
what is the end result total destruction
75:01
yeah so both systems are wrong yes but
75:04
the world
75:05
seeing the judgments of god
75:08
holds cities perhaps just disappearing
75:12
will say we have to get away from this
75:15
we have to get back to the witnesses
75:18
but the witnesses as interpreted by the
75:21
king of the north
75:22
and they fall into a second trap which
75:25
is worse than the first
75:28
western the first this is horrendous
75:32
so it will be like
75:36
let's drain the swamp and get rid of all
75:39
this secularism and all this
75:41
filthiness to join this
75:45
religious ins uh
75:48
gathering or institution or whatever you
75:50
can call it but this is
75:52
king of this babylonian conglomerate of
75:54

all the religions together
75:56
look so good looks so christian but this
75:59
is king of the north
76:00
oh terrible let's read some more
76:05
at the same time anarchy is seeking to
76:08
sweep away
76:09
all law do we see that
76:12
not only the mind but human the
76:14
centralizing of wealth and power
76:16
is that a problem today definitely the
76:20
vast combination for the enriching of
76:22
the
76:22
few at the expense of the many is that a
76:25
problem
76:25
yes the combination of the poorer
76:29
classes for the defense of their
76:31
interests and claims
76:33
do we have a spirit of unrest
76:36
the riot and bloodshed do we have that
76:41
the worldwide and this is the crux of
76:43
the matter
76:44
dissemination of the same teachings that
76:48
led to the french revolution all
76:51

are tending to involve the whole world
76:54
in a struggle
76:55
similar to that which convulsed france
76:59
so where this literal event took place
77:05
in the french revolution in france
77:09
that philosophy transported to the world
77:12
via the united states of america
77:16
which has this gift from france
77:21
the statue of liberty is going to lead
77:25
to
77:25
a worldwide struggle similar to that
77:29
which convulsed france
77:32
such are the influences to be made by
77:34
the youth today to stand amid
77:36
such upheavals they are now to lay the
77:38
foundations of character it's
77:40
very hard to do get out of the cities
77:45
in every generation and in every land
77:47
the true foundation and pattern for
77:49
character
77:51
building have been the same it's the
77:54
divine law
77:55
thou shalt love the lord thy god with
77:57

all thy heart and thy neighbor as
77:58
thyself the great principle made
78:01
manifest in the character and life of
78:03
our savior
78:04
is the only secure foundation and the
78:07
only guide
78:10
where our lord was crucified
78:14
that's a quote from revelation chapter
78:16
11.
78:18
this specification of the prophecy was
78:20
also fulfilled in france
78:23
in no land that the spirit of enmity
78:26
against christ
78:27
being more strikingly displayed in no
78:30
country had the truth encountered more
78:32
better and cruel opposition in the
78:35
persecution which france had visited
78:38
upon the confessors of the gospel
78:40
she had crucified christ in the person
78:43
of his disciples
78:45
who was behind the french revolution the
78:47
jesuits
78:48
you find them everywhere i once gave a
78:52

lecture called revolution tyrants
78:54
and wars yes and if you read the history
78:58
books
78:59
how many nations have been appalled
79:03
at this revolutionary philosophy
79:08
of the jesuits and they've been banned
79:11
in so many countries
79:13
and even you know the founding fathers
79:17
the faithful ones warned against
79:19
jesuitism
79:21
but it crept in this philosophy
79:25
in spite of it so let's get back
79:28
to the book of revelation chapter
79:32
11 because this is what we are dealing
79:35
with
79:35
right now so france actually
79:38
banned the bible and if we apply that to
79:41
the end of time
79:42
the bible will be as
79:46
verily banned from society as it was
79:50
then
79:50
yes it's not allowed to be in the
79:52
schools we're not allowed to teach this
79:54

and we're not allowed to use the name of
79:56

jesus you're not allowed to pray

79:58

i mean it's everywhere right

80:02

and they that dwell upon the earth shall

80:04

rejoice over them and make

80:06

merry and shall send gifts one to

80:09

the other because these two prophets

80:12

tormented them that dwelt on the earth

80:14

there will

80:15

be a rebellion against god's word

80:19

and they will make merry they will get

80:21

drunk they will

80:22

mock god's word publicly yes

80:27

will we see that in our time i think we

80:29

will see it in a moment right

80:32

they will mock god's word

80:35

and after three days and a half the

80:37

spirit of life from god

80:39

entered into them and they stood upon

80:42

their feet and great

80:43

fear fell upon them which saw them

80:47

so god will revive the testimony

80:52

in the end and there will be a

80:55

message of warning to the world
80:58
god will give life to the word
81:01
so somebody has to start preaching the
81:03
word again yes
81:05
and the warning of elijah
81:09
so the elijah message must go to the
81:12
world and the elijah
81:14
message is the three angels messages
81:17
has to go to the world so god will have
81:19
a body
81:20
that preaches the truth and
81:24
most people will array themselves
81:27
against it verse 7
81:31
and when they shall have finished their
81:34
testimony
81:36
the beast that ascendeth out of the
81:38
bottomless pit
81:40
a literal nation but also
81:44
a philosophy that will permeate
81:47
the other nations particularly the
81:49
united states and from there
81:52
into the world and particularly the
81:54
christian world
81:58

and they'll make war against them and
81:59
shall overcome them and kill them
82:02
now this is a picture of
82:05
the phrygian cap that was worn
82:08
in the french revolution this
82:11
is a symbol of freemasonry
82:15
this is a symbol of luciferian
82:19
worship we're going to show a little
82:23
video
82:24
that shows that the exact same
82:27
thinking that was present in the french
82:30
revolution is in the world today
82:32
even to the point of the guillotine
82:35
so let's have a look at this this is
82:37
fascinating
82:39
meanwhile protesters in washington d.c
82:41
setting up what appears to be
82:43
a guillotine outside the home of amazon
82:45
ceo jeff bezos
82:46
show casone with the details now cheryl
82:48
maria of course the guillotine famously
82:50
used for
82:51
beheadings during the french revolution
82:53

it was first spotted outside of the
82:55
billionaire's home
82:56
on sunday demonstrators also put up
82:59
posters in front of his home that read
83:01
quote defund jeff bezos and quote
83:03
support our poor communities not wealthy
83:05
men
83:06
organizers say amazon works directly
83:08
with the police to surveil
83:10
us and they've doubled down on their
83:11
union busting they go on to say they
83:13
want to abolish
83:14
amazon it's unclear if bezos was home at
83:17
the time he has several homes we should
83:18
add
83:19
they're actually doing exactly
83:23
what the spirit of prophecy said the
83:25
same teaching the same reaction
83:28
down to the guillotine here is a puerto
83:31
rican
83:32
protest where they carried
83:35
a huge guillotine down the streets so
83:38
are we seeing
83:39

a worldwide dissemination of the same
83:42
teachings that led to the french
83:44
revolution
83:45
there was an article in the previous
83:47
whatsapp profit we
83:49
had where bernie sanders staffer
83:52
said guillotine the rich guillotine the
83:55
rich
83:55
so we want to get rid of the economic
83:59
order as it exists today
84:02
and replace it with something else so
84:04
some have called for the governor's
84:06
resignation
84:07
and protesters marched the guillotine to
84:10
the residence
84:11
where vacuuez lives
84:15
let's get back to revelation chapter 11
84:18
verse
84:18
9 and they of the people and the
84:21
kindreds and the tongues and the nations
84:24
are we on a universal scale here yes
84:28
shall see their dead bodies three days
84:31
and a half and shall not suffer their
84:34

dead bodies to be put
84:35
in graves in other words you can't
84:39
really kill god's word you can try
84:42
so from november 10 1793
84:45
to june 1797 which was
84:49
three and a half years france actually
84:53
banned the scriptures
84:56
and if we take that philosophy of
84:58
getting rid of the scriptures
85:01
to let's say the united states of
85:04
america
85:05
they as verily banned it by getting rid
85:08
of it out of schools
85:09
not being able to quote it etc
85:13
etc and this philosophy then spread to
85:17
all the other countries
85:18
yeah so if you go to
85:22
countries that are so-called christian
85:25
countries whether
85:26
you're talking about australia whether
85:27
you're talking about new zealand
85:29
whether you're talking about south
85:31
africa i mean you weren't even allowed
85:33

to use the name jesus anymore
85:36
and this was also the case in the united
85:39
states
85:40
and let's not even talk about the united
85:44
kingdom and all of these
85:46
places the philosophy of the french
85:48
revolution
85:49
king of the south philosophy
85:53
has ruled the whole the world yeah
85:56
and what will happen to it it will be
85:58
destroyed by the king of the north the
86:00
king of the north will overcome it
86:02
he will overcome it and then
86:05
they will resurrect these two witnesses
86:10
and say we have to get back to the word
86:11
of god but as we said before
86:15
they were packages in king of the north
86:17
philosophies
86:19
what a terrible deception and they that
86:22
dwell on the earth shall rejoice over
86:24
them and make
86:25
merry and shall accept gifts one to
86:28
another because these two prophets
86:30

tormented them that dwelt on the earth
86:32
and after three days and a half the
86:34
spirit of god entered
86:36
into them and they stood upon their feet
86:37
and great fear fell
86:39
upon them which saw them there will be a
86:42
three angels message
86:43
that goes out yes and it will be ignored
86:46
by the majority of humanity
86:50
but those that fear god will take heed
86:55
so in the literal french revolution
86:58
the entire structure was swept away
87:02
the entire political system was changed
87:06
we went from a system where the church
87:09
ruled the government to a totally
87:12
secular system
87:14
and then it'll be reversed
87:18
at the end of time when the king of the
87:19
north takes back
87:21
his power and the whole world wanders
87:24
after him
87:26
now what did they do in the french
87:29
revolution
87:30

here is a depiction of
87:33
the goddess of reason
87:36
this is interesting they took a
87:38
prostitute off the street
87:40
dressed her up like a goddess with a
87:43
solar blaze behind her and
87:46
marched her to the cathedral of notre
87:49
dame
87:50
very interesting yes and there they
87:53
enthroned her in the place of god
87:58
as the goddess of reason
88:01
interesting and then they bowed down and
88:03
worshiped her
88:06
now we've discussed that before who says
88:09
that the world should be governed by
88:11
reason
88:12
the jesuits yes and they made themselves
88:15
god
88:16
now if you take the philosophy of the
88:18
jesuits let's just take descartes
88:21
descartes was a jesuit voltaire who was
88:24
a jesuit these people were all
88:26
jesuits descartes said i think therefore
88:30

i

88:30

am and i once gave a sermon

88:34

and i titled it i think therefore he is

88:42

yes because they are saying

88:46

that their reason and their intelligence

88:49

is going to set the standard for what is

88:51

right and wrong they don't need god

88:54

but the fact that i can think implies

88:57

that there is a god who gave me the

88:59

capacity to think

89:01

so i must be subject to god so i prefer

89:04

saying i i think therefore therefore

89:07

he is anyway this goddess of reason

89:11

is also enshrined on the georgia guide

89:14

stones that we spoke about

89:17

so the worldwide dissemination of reason

89:20

is going to take the place

89:22

here's an interesting article from the

89:25

present truth volume 11 page 136 by

89:28

wagner and it says had the church of

89:30

rome repented of these things

89:32

had she ever disowned her inquisition

89:36

no in 1882 the dominican

89:40

monsavre openly defended the inquisition
89:43
in the pulpit of notre dame
89:47
how many millions of martyrs have been
89:49
put to death in the name of christianity
89:52
by that most unchristian and
89:55
anti-christian power the papacy will
89:57
never be known until the dead small and
89:59
great stand before god
90:02
now what happened to notre dame recently
90:05
since then it's been a symbol of hope
90:07
for paris an
90:08
emblem of transcendence if you will this
90:11
was also the home
90:12
of torturers during the inquisition
90:15
it has been a base for pilgrims for
90:18
centuries
90:19
it's been a temple of reason it's also
90:22
been believe it or not a shelter for
90:23
magicians who used to go there and hide
90:25
out
90:26
it was also a gathering place for the
90:28
surrealist movement here
90:30
it's also the church of emperors it was
90:32

there in december 2nd in 1804 when
90:35
napoleon bonaparte
90:37
crowned himself the emperor of france
90:40
it hasn't been restored since 1830
90:45
which was a project overseen by none
90:48
other than victor hugo the author
90:50
of the hunchback of notre dame uh it
90:53
became a centerpiece of paris in the
90:55
late 19th century
90:57
when hausmann the architect who rebuilt
91:00
the city
91:01
made notre dame cathedral what we call
91:04
here kilometers zero
91:06
the very center all roads leading to
91:09
paris
91:10
culminate at notre dame and it's now
91:12
burning down
91:19
i cannot help
91:23
but think that god
91:27
is sending a message to humanity
91:32
and what is humanity's response
91:37
restore it restore it send millions send
91:40
up put up a fund to restore and who are
91:43

the ones
91:44
who are giving the money isn't it all
91:47
the mega rich people in the world
91:49
some individuals in certain church
91:52
institutions also send money
91:56
they also send money well you know
91:59
i think there are better things to spend
92:01
your money on
92:03
than glorifying an institution of
92:07
torture and defiance towards god but it
92:12
is to me
92:13
interesting that humanity is more
92:15
concerned with
92:16
restoring that the image of defiance
92:20
towards god
92:21
than to listening to what god has to say
92:24
yes
92:25
well they can restore it and they can
92:27
put all their money in it
92:29
and individuals can send money to it
92:32
only in the end to have god destroy it
92:35
again in a final destruction that will
92:38
be
92:39

forever now the
92:42
philosophical implications are of course
92:45
enormous
92:47
so under this thinking the old and the
92:49
new testament
92:51
the two witnesses were obliterated
92:56
and we have the system that we have in
92:58
the world today
93:00
and because the system eventually leads
93:02
to anarchy and pain
93:04
and to the judgments of god
93:08
there will be a swing as we said
93:11
back to where we are with the king of
93:14
the north
93:15
correct protesters burn bible
93:19
american flag as tensions rise
93:22
in portland are we seeing the same thing
93:26
they did it in the french revolution and
93:29
now they're doing the same thing
93:31
and of course reasoning people look at
93:34
this and say what are they doing to the
93:36
two witnesses
93:39
here is uh the french revolution and out
93:42

of the french revolution
93:44
came of course the declaration of human
93:46
rights
93:48
with philosophers jesuit philosophers by
93:51
the way
93:52
i cannot emphasize this enough this must
93:54
be the most
93:55
horrendous organization that has
93:59
ever been allowed to flourish on this
94:03
planet
94:04
i mean i'm not the only one saying that
94:06
presidents of the united states have
94:08
said that
94:09
and if i look at their philosophies and
94:11
we've discussed this
94:12
nothing has changed they are so
94:15
blatantly in defiance to god
94:18
that it is just astounding and it's such
94:21
a deception because they
94:23
they portray themselves to be such
94:26
decent holy men yes they call themselves
94:28
the society of jesus
94:32
now it's astonishing to me that the
94:34

french revolution
94:36
brought this declaration of human rights
94:40
out
94:40
in the form of two tables of stone
94:43
with of course the fascii in between the
94:47
bundles of
94:47
rods tied together in unison
94:51
to rome now i'm not going to give
94:55
lectures on that right now but the the
94:58
sheer
95:00
arrogance is just astounding
95:03
and then of course it's all under the
95:06
the all-seeing eye which is one of the
95:08
symbols of the jesuit order
95:11
and they replace the law of god and the
95:13
word of god
95:14
with human rights they also
95:18
this is a lot of these symbols that you
95:20
mentioned
95:21
now they're also linked now a new
95:23
all-world order
95:24
but interesting how they start linking
95:27
it to
95:28

well weakening to the king of the south
95:30
philosophy yes
95:31
absolutely every single one of these
95:35
is against god's word and then
95:38
unfortunately the
95:43
majority of people expect this
95:46
savior or saving institution
95:50
institution will be christian but it
95:53
will be king of the north
95:54
absolutely now the papers here is of
95:57
course touted
95:58
human rights as an absolute must for all
96:01
humanity
96:02
i i once gave a lecture called they've
96:05
made void thy law
96:07
where i actually discuss human rights
96:09
and show that every single
96:12
one of prominence there are many things
96:14
which
96:15
which seem to the eye as you know
96:18
pretty good but every single one of them
96:21
is actually against god
96:22
yeah against the team it's against the
96:24

ten commandments it's a total reversal
96:27
of the ten commandments
96:29
and the devil has always been the master
96:31
of reversal
96:32
and how he always succeeds in presenting
96:36
something in such a
96:38
such a acceptable fashion when it is
96:42
actually totally contrary to the word of
96:44
god perhaps you can put that link in
96:46
there
96:47
thy law so descartes philosophy this
96:51
jesuit philosophy was then brought into
96:55
the
96:55
age of reason as written by thomas paine
96:59
one of the let's call him philosophers
97:02
of the united states
97:04
one of the most wicked occult people
97:07
that has ever
97:09
disgraced this earth and
97:12
i mean those are pretty harsh words but
97:15
uh
97:16
that is just a fact the philosophy
97:20
of this man this straight luciferian
97:23

philosophy
97:25
has done its work permeating the culture
97:28
and bringing this philosophy
97:31
into the world there's also a link that
97:33
i'll put into a
97:35
documentary on the
97:38
faith of the founding fathers
97:42
now remember that verse where it says
97:44
they will make merry
97:45
and they will be in open defiance
97:47
against god
97:48
do we see that in the world today do we
97:50
see this in the united states of america
97:53
exactly now how far does this defiance
97:56
go
97:56
well here's a video of a stadium in the
98:00
united states where over a thousand
98:03
musicians and ten thousand people at
98:06
least
98:07
went totally contrary to
98:10
everything that the bible stands for and
98:14
they sang highway to hell by
98:17
ac dc the name itself of course means
98:22

sexual adaptability
98:37
[Applause]
98:41
look at me
98:57
i don't think we need to play more i
98:59
think we can stop this i think we get
99:00
the picture
99:01
right is there open defiance against
99:04
god and against his word
99:07
yes absolutely
99:12
you know a band like ac dc
99:16
that can write such blatant
99:19
anti-god lyrics and music
99:25
that that should be incorporated by
99:27
other organizations
99:30
and that their music should be given to
99:32
little
99:33
children so that they become initiated
99:36
into this is this kind of rebellion that
99:39
we were talking about
99:40
and parents don't always realize this
99:44
yes because where's the most potent
99:48
place where satan can
99:50
the little mind and where does he eat
99:53

the little minds
99:54
with their own animation movies
99:57
correct because most of the times
99:58
parents don't even watch the movies with
100:01
the
100:01
children let's look at this one where
100:03
they actually used
100:06
the music of acdc
100:09
to feed it to little children
100:23
it's an actual fire oh yeah it happens
100:26
all the time you guys only hear about
100:27
the big ones
100:45
now i cut that a lot
100:49
because the whole song the complete song
100:52
plays in that movie
100:53
unbelievable unbelievable so the
100:56
defiance
100:58
is complete and the judgments of god
101:03
are coming into the world we have
101:06
statements in the spirit of prophecy
101:08
that
101:08
thousands of cities are going to be
101:11
destroyed
101:13

it is imperative that god's people
101:16
should heed the warning
101:18
and when god opens the way that they
101:20
should come out of the cities
101:23
because even according to their own time
101:25
frames
101:27
these things are just before us
101:31
personally i don't think things are
101:34
going to be turned around they're going
101:35
to go from bad
101:37
to worse and
101:40
i believe that we are living
101:44
in the very close of probation
101:48
where this final message goes to
101:50
humanity
101:52
and we've only just touched on the book
101:54
of revelation
101:55
chapter 11 and we will be going through
101:58
the rest of it and seeing
102:00
where exactly are we heading for but
102:03
we've been talking for quite a while now
102:05
so perhaps we should do that in the
102:07
following one
102:08

thank you yes will you close for us
102:11
please yes but before i do
102:13
please remember don't forget the
102:16
promises of god
102:18
don't only look at the doom and gloom
102:20
yes the doom and gloom is there
102:23
and retribution is coming
102:26
and we have been warned but
102:30
cling to the promises of god let's pray
102:34
heavenly father thank you for the
102:37
promises
102:38
in your word we know lord that
102:43
the time for this planet to be in
102:45
rebellion
102:47
is coming to an end and in a way we are
102:51
grateful for that
102:53
and we long for the restoration
102:57
of all that is holy and just
103:01
and good but we also know lord that
103:05
many many people and many people dear to
103:08
us
103:08
are trapped in this philosophy
103:14
and even if this philosophy should be
103:16

overthrown by the king of the north
103:18
many of them will be trapped again in
103:20
that philosophy not realizing that they
103:23
have escaped the frying pan only to end
103:25
in the fire
103:28
the deception runs so deep and i pray
103:32
that you will
103:33
grant wisdom so that people will see
103:36
through it and take their stand
103:39
upon the word of god as it stands and
103:42
not as it is interpreted
103:46
may they take their stand upon the
103:49
commandments of god
103:51
and the faith of jesus is my prayer in
103:53
jesus name
103:54
amen
