

Smith: welcome back to our next episode of what's up prof, good day Walter.

Walter: Good day, Today I'm chilling and I have a what the english call it jersey I want to keep the cold out

Smith: I'll brace myself and try and get through this with just my shirt today. Will you open up for us with a prayer please?

Walter: Absolutely, Heavenly Father, we are dealing with very serious issues and we need Heavenly enlightenment and I pray that you will guide our thoughts and help us to find the truth in the maze of lies that exist in the world, in Jesus name, Amen

Smith: Amen. In the previous episode you mentioned that we will be going into discussions about the king of the north and city get out of the cities etc. But there's also some other interesting things that you've mentioned that you would like to talk about. How did these ideas come to you and maybe you can give us an introduction of what we're going to be, talking about in the next lecture also

Walter: Well, it's going to be more than one.

Smith: Yes.

Walter: Because this is quite a big topic and I see you've curtailed my movement here because I was swinging around on this chair.

Smith: Yeah, we're looking like merry-go-round

Walter: Kids playing on the merry-go-round going backwards and forwards and yeah, so I see my movement has been restricted but okay, I hope my the talking has not been restricted. We've titled it Conspiracy, Conspiracy Theories with a big question mark. Now, this is always a hot topic right?. So, I'm wondering whether some what do they say in the movies if certain people are not to watch or certain eight clashes.

Smith: Parental guidance.

Walter: Parental guidance or something like that. Well, perhaps, uh, you know very sensitive people or people that cannot think outside of the box should rather tune out.

Smith: Yes

Walter: Because they could become confused or maybe upset and maybe start writing articles and things like that. So, let's uh.

Smith: That's a disclaimer that you've just

Walter: It's just a disclaimer yes It's better not to watch so all sensitive people
please take it with uh
yes for what it's worth for what it's
worth yes
okay so well get us into
how you got the i what is the method
behind all of this how
how does it get together there are so
many links
there are so many things that happen in
the world
that seem to be disjointed something
happening over here
something happening over there and
is it now truth or is it a conspiracy
theory
how does it fit into the pattern now
we've already in the past said
we apply a filter right and that filter
is the word of god
given through the bible and through his
prophets
so how do we how do we connect the dots
and where are we going i believe and i
think you believe
that the time is short we are living in
the last days
and we are slowly
reaching a climax and we know
from scripture that the climax will not
be a pretty sight please
if you take for example just the
destruction of jerusalem
which serves as a type for the
destruction of the world
then we have to know that issues are
very very serious
now i have to ask myself the question
what were conditions
like in the antediluvian world
that god would come to the the
realization
that this whole structure
has to be destroyed yes why would god
get to the point where
he can destroy virtually

all of humanity
it must be pretty serious right correct
now is he a tyrant is he a monster that
wants to
enforce his will my way or the highway
or what is what is the real issue
now we know what the character of god is
because we've seen it in the bible right
jesus
portrays the character of god to us and
when i when i study the bible and i see
the contrast between the
rigid mode of the the scribes and the
pharisees
and the mode of of activity and thinking
of jesus
then the choice is clear they had so
many restrictions so many
rules so they were control freaks to the
power of ten
yes and jesus ignored
their directives that were contrary to
the word of god
but perfectly suited to control and
power mongering
and if i look at the two and i i look at
my own spirit
how i even as a child used to
rebel against this authoritarian mode
of thinking
then i'm attracted to one side rather
than the other side
and not that god doesn't have rules
he does have rules but
his his whole methodology
is to show you why his rules
are absolutely logical
and why they are essential
he never says to you perennial cadaver
be like a corpse and obey me
he says come let us reason together
and we have the these conflicting modes
of control yes the one
mode of control that god exerts is by
appealing to your intellect
and appealing to your heart and bringing

the intellect and the heart together
into harmony with his will which
is perfect once you have studied it and
the other one
is a is a coercion you will do it my way
or the highway and now when we look at
conspiracy theories
we see that many many things are decided
07:37
behind the scenes
07:39
yes just go to the bible jesus says
07:43
i have done nothing in secret if you
07:45
want to know what i stand for ask these
07:49
i said it publicly nothing is secret
07:52
so anything that is secret is
07:56
conspiratorial if you could take in
07:58
contrast
07:59
the way the pharisees decided about his
08:03
putting him to death everything was done
08:05
in secret yes
08:06
there's a whole conspiracy theory going
08:08
just on there
08:10
his trial everything now ask yourself a
08:14
question
08:16
when you go through history and you look
08:19
at the modus operandi of satan
08:21
he will try and control you try and make
08:24
you do it his way

08:26
force you uh would he coerce
08:30
yes absolutely if you didn't comply
08:33
would it
08:34
be inquisitorial yes yes
08:38
and if you then still didn't comply
08:40
would he burn you at the stake
08:41
yes absolutely so this is his mindset
08:46
and this is the mindset that you find in
08:49
the world out there
08:50
and when you come across that mindset
08:52
you know who's behind that
08:54
mindset any form of controlling
08:58
the world any form of coercion
09:02
is not from god god always appeals to
09:05
your intellect and to your conscience
09:10
and so when we're going to discuss these
09:13
conspiracy theories
09:15
we will see what the real agenda is
09:20
and we will also have to look at what
09:24
god's response is going to be
09:27
so does satan want the whole of humanity
09:30
in his camp
09:31
yes will there be a little mordekai in

09:34
the gate that irritates
09:36
him yes will he try eventually to
09:39
obliterate that
09:40
yes any mode of thinking i mean we
09:43
discussed that what the hierarchy says
09:45
of the roman catholic church
09:47
has to be accepted and you have to give
09:50
up your freedom of choice we read the
09:52
jesuit documents you have to give up
09:54
your freedom of choice and you have to
09:56
accept it that way
09:57
because it's their way or the highway
10:00
right
10:01
so that's definitely not from god no
10:04
it's definitely that's what i just
10:05
wanted to say
10:07
god always fights for your freedom of
10:10
choice
10:11
does the bible tell us that
10:14
this conflict will escalate towards the
10:16
end
10:17
yes will there be an attempt at
10:20
obliterating those that don't go along

10:22
with the agenda
10:25
and where do you expect the greatest
10:28
opposition in countries that have become
10:33
used to thinking in the robotic
10:36
fashion of their leaders i mean i'm
10:39
always surprised when i look at the
10:43
people that are virtually brainwashed
10:45
when you look at for example
10:47
military exercises i mean these
10:49
authoritarian
10:51
regimes love to display their military i
10:53
mean they are just
10:54
so spot on and they
10:57
they all exactly the same and yes when
11:01
this one says
11:02
a then they shout a and there's no mind
11:06
of their own
11:06
anymore it's unbelievable
11:10
and this is the way in which he's
11:11
heading
11:13
and we have a time frame because we are
11:16
heading
11:17
towards the climax of the ages and we

11:20
are supposed to watch the signs
11:22
so we're going to look at some very
11:25
strange web pages
11:27
which might be disturbing to some people
11:30
but we have to look at how they fit into
11:33
the prophetic scenario
11:35
now some of these might seem
11:39
to come from conspiracy pages but some
11:42
of them
11:43
are actually official government pages
11:47
and very high official organizations
11:51
that basically run the world
11:55
and we will be surprised that uh
11:58
reality is more
12:01
stunning than fiction
12:05
and uh that's when it gets scary that's
12:07
really good so shall we jump into it
12:09
let's get into it
12:12
we did give a disclaimer
12:15
i think maybe i can also add an ad on
12:17
the disclaimer
12:20
some people might think we're
12:21
fear-mongering yes

12:23
but we're actually trying to mix to get
12:25
sense
12:26
that people can also maybe think about
12:29
how
12:30
things link together how they link
12:33
together because if you're in the know
12:34
of you seeing these things then you're
12:38
not scared
12:39
you're only scared of the unknown and
12:42
this is another point
12:44
does the bible tell us that we are
12:46
fighting a war
12:47
against spiritual forces yes
12:51
it does right so will the occult world
12:55
sort of come into the scenario
12:58
definitely
12:59
will uh communications with demons
13:02
perhaps be
13:03
part of the issue definitely do world
13:06
leaders
13:07
actually communicate with demons yes
13:10
absolutely we've shown videos
13:12
in the past of of communications between

13:15
the highest politicians
13:17
and the so-called deceased which are
13:19
demons because they
13:20
the deceased know nothing right right so
13:24
there are many issues that will come in
13:26
here which to some people are
13:28
whoa this this this can't be real
13:32
when i just think back let's say roger
13:34
mono and journey into the supernatural
13:36
to many people that is an unreal world
13:40
but i actually was involved in that
13:42
world and it's not unreal
13:45
i actually communicated in my
13:48
past experience with demons directly
13:53
directly i know what it is like and
13:56
someone who's grown up in
13:58
in a little bubble protected from all of
14:01
these things
14:02
would think oh this is not part of
14:04
reality this is reality
14:06
yes when you are in a session where
14:09
you're actually communicating with
14:11
demons that is a reality

14:13
and it cannot be cannot be denied so
14:16
let's jump
14:17
right into it there's a web page
14:22
and it's a very interesting
14:25
web page it is deagle.com
14:30
now it's not a government web page but
14:33
it is a real
14:34
intelligence organization for the united
14:37
states government
14:38
and it makes some very strange
14:40
predictions
14:42
it was actually used in the wikileaks
14:45
issue and governments have used it in
14:47
the past
14:48
to actually you know
14:52
determine some of the issues that
14:54
surround
14:56
developments in the world now here's a
14:58
web page that is not
14:59
deagle it's a steemit.com
15:03
and they're asking the question here
15:06
what is this
15:06
global depopulation by 2025.

15:10
interesting year now we're not setting a
15:13
date
15:14
no we're just quoting a web page
15:17
and we will go to deagle and see what
15:20
they
15:21
actually have to say here's a a blog
15:24
page
15:24
al gore blog which talks about these
15:27
issues and of course they are linking
15:29
depopulation now
15:32
with the bill gates plan
15:35
and they have you know very interesting
15:37
things here that
15:38
are quite sensational the depopulation
15:42
agenda
15:43
bill gates plans to kill you that's of
15:46
course
15:47
ridiculous one man is not behind
15:51
a huge plan like this and if there is a
15:54
plan like that if it exists at all
15:57
then there must be other powers behind
15:59
it right correct he won't be alone
16:01
so they also quote diego and says

16:05
makes this mysterious changes to the
16:09
2025
16:10
population forecast
16:14
they continue and they talk about the
16:16
development of a universal vaccine
16:19
and that this is going to be one of the
16:21
means to bring about this depopulation
16:24
but you know if something is so in your
16:27
face
16:29
then that's what people want you to
16:31
believe
16:32
but behind it there might be a deeper
16:34
issue and we want to
16:37
study the deeper issue the devil also
16:41
wants to prepare the world for what is
16:43
coming
16:43
yes is the devil a student of scripture
16:46
yes
16:47
and he will appear as an angel of light
16:50
so that doesn't mean he's coming as a
16:52
demon okay so if he has
16:55
a good idea of where we are in the
16:58
stream of time

17:00
and if he knows what the boundaries are
17:04
where god will not allow uh
17:08
mankind to go any further i mean there
17:11
is such a boundary it existed
17:12
in the flood yes and it existed at sodom
17:15
and it
17:16
existed at gemara right there's a point
17:19
and there's also a point where nations
17:22
may not exceed a certain bound
17:24
then they will be removed
17:28
so he knows the agenda and knowing the
17:31
agenda perhaps he even
17:33
has a much better idea of the time frame
17:35
than we have
17:37
so what if he can be predictive
17:42
exactly that would be interesting yes
17:44
okay
17:45
so here this webpage tells us
17:48
what deagle sources are and they believe
17:51
that these are the deep state sources of
17:53
course
17:55
this comes from deagle itself sources
17:57
u.s department

17:59
of defense department of the state the
18:02
cia
18:02
world bank european union and
18:06
united states coast guard department of
18:09
defense government
18:10
air force army marine corps
18:14
navy those are the sources that they use
18:18
and it's very interesting so this man
18:22
claims that these are deep state sources
18:25
so let's go to those web pages
18:27
and just see what they have to say
18:31
deagle.com he has a partial list of
18:34
known deagle partners and clients
18:36
according to their own website
18:39
national security agency north atlantic
18:43
treaty organization
18:45
organizations for economic cooperation
18:47
and development
18:50
osce russian defense procurement
18:53
agency stratfor the world bank you know
18:57
it's pretty impressive right
18:59
yes a pretty impressive list and it's
19:01
interesting that this web page

19:03
doesn't have an about us section yeah
19:06
they don't tell you
19:07
it's not easy to see yeah who are the
19:10
but wikileaks was involved in it
19:13
governments have used it
19:16
and not many people know about it but
19:18
it's out there right
19:20
uh fascinating uh
19:23
this comes directly from their own web
19:26
page
19:26
and they are going to explain here
19:30
why they have this massive prediction of
19:34
a population
19:35
reduction well look at that at it in a
19:37
moment
19:38
and it's a long story and they're saying
19:42
well it's not necessarily war
19:46
it could just be migration
19:50
it could be changes in the economy and
19:52
of course the epidemics
19:54
that could lead to things like this
19:57
so let's just read some of the things
19:59
that they say here

20:00

where why they have these predictions

20:03

there have been many questions about the

20:05

country's forecast

20:06

especially the ones focusing on the

20:09

united states of america they won't be

20:11

answered

20:12

one by one but below you can find

20:15

some explanation thoughts and

20:17

reflections we are going to keep this

20:19

as short as possible the majority of the

20:23

economic and demographic

20:24

data used in the making of the forecast

20:28

is widely available by institutions such

20:31

as the cia imf

20:34

united nation usg etc so they say that

20:38

themselves

20:40

so here in this first paragraph they say

20:44

that pandemics will play a major role in

20:46

the reduction of the

20:48

populations and then

20:51

the collapse of the western financial

20:54

system

20:55

will wipe out the standard of living of

20:57

its population

21:00

while ending posi schemes such as the

21:03

stock exchange and the pension

21:05

funds the population will be hit so

21:09

badly by a full array of bubble and posi

21:12

schemes

21:13

that the migration engine will start to

21:16

work in reverse

21:17

accelerating itself due to ripple

21:20

effects

21:21

thus leading to the demise of the states

21:25

so they're predicting virtually

21:28

a wipeout right people migrating out of

21:31

the united states again okay

21:34

but the time frame is so fascinating

21:37

so sorry to disappoint many of you with

21:39

our forecast it is getting worse and

21:42

worse every year since the beginning of

21:44

the pre-crisis in 2007

21:47

and they're not going to say anything

21:49

else about it

21:51

now yeah here is a very interesting

21:54

sentence it says the figure itself is

21:56

not important what is relevant is the

21:58

fact

21:59

that the scenario can evolve beyond the

22:02

initial conditions

22:04

from a 50 percent death toll to more

22:06

than 90 percent

22:09

that's interesting wiping out 90

22:13

by the way no pandemic or nuclear war

22:17

is included in the forecast

22:20

they're talking about a pandemic here

22:22

yeah

22:24

but in this forecast in this case

22:27

no pandemic or nuclear war is in the

22:31

forecast

22:32

so what will wipe out those populations

22:36

i don't know now this is where it gets

22:39

interesting

22:40

this is where we have to put on our

22:42

thinking caps

22:44

now let's take a country like india for

22:46

example

22:47

this is very interesting they have here

22:50

india what the currency is and the year

22:54
of assessment of their population in
22:56
this table here is 2017
23:00
the population was 1.3 billion
23:03
and then it tells you what its gross
23:06
domestic product is
23:08
and all of these issues
23:11
now it's interesting the gross domestic
23:14
product was 2.4 trillion
23:16
yes then they have a forecast for 2025.
23:22
the population they say is going to
23:24
increase
23:25
it's a green arrow and it's still going
23:28
to be 1.3 billion
23:30
but the numbers will have increased so
23:32
obviously
23:33
issues like pandemics or
23:37
nuclear war didn't affect them and
23:39
migration
23:40
migration nothing
23:45
the gross domestic product is going to
23:46
be 5.1 trillion
23:49
when it was before 2.4 trillion
23:52
in other words it's going to more than

23:54
double
23:56
that's astounding and that's from 2017
24:00
to 2025.
24:03
we don't see anything like that at the
24:05
moment
24:06
nothing like it now that's very
24:09
interesting all right
24:10
but it gets fascinating when we get to
24:13
the others
24:14
let's take germany that's a western
24:17
country yes
24:19
it's a christian country right correct
24:21
and the previous one was not a christian
24:22
country
24:24
the year 2017 the population 81 million
24:30
these are just facts then
24:34
the gross domestic product 3.7 trillion
24:39
at the moment that is more than what
24:41
india's was right
24:44
then it goes down and it tells you the
24:48
forecast
24:49
for 2025 and the arrow is red
24:52
the population is going to drop to 28

24:55

million

24:56

excuse me

24:59

this is the forecast from 81 million

25:04

to 28 million

25:08

now if they don't include ben demix

25:12

and nuclear wars in this then what's

25:14

going to happen to germany

25:16

why would they say that why would there

25:19

be virtually an 80

25:21

reduction in population are they all

25:24

going to emigrate

25:25

are they all going to become russians

25:28

are they going to

25:29

emigrate to north america no

25:32

because they're going to go down as well

25:34

maybe to north africa

25:37

i don't know but it's fascinating

25:41

that they will have a total population

25:45

collapse or destruction

25:49

according to their estimate and their

25:52

gross domestic product will drop down to

25:54

621

25:56

billion from

25:59
a mighty 3.7 trillion
26:02
in other words their total economy is
26:04
going to be destroyed
26:07
this sounds like national run yeah have
26:09
you heard that word before
26:11
yes i wonder who used the word national
26:14
rune
26:15
a prophet
26:18
now this is very serious
26:22
and uh people will say conspiracy theory
26:26
this is not a conspiracy theory this is
26:28
a a
26:29
statistical forecast from deagle
26:33
for whatever reason they don't really
26:35
say right
26:37
look at italy again
26:41
the population in 2017 62 million
26:45
they're going to experience a drop to 44
26:48
million not as bad as germany
26:49
no but it's still a considerable
26:53
calamity if uh
26:57
20 million people disappear from your
26:59
population

27:00

yes that that is a horrendous disaster

27:04

definitely and their gross domestic

27:06

product

27:07

is going to drop down

27:10

from 1.9 trillion to 1.3 trillion so

27:14

they're not

27:14

as badly hit as germany according to

27:17

this

27:18

why could this be doesn't that make you

27:22

think

27:22

yeah you're involved it's interesting

27:25

you have to start thinking

27:27

let's go to another non-christian

27:29

country

27:30

japan gross domestic

27:34

product 4.9 trillion population 126

27:38

million

27:40

let's drop down to the forecast

27:43

population 103 million so they're going

27:46

to you

27:47

lose 23 million people in

27:50

their population that's a lot that's a

27:53

lot of people yes

27:54
that's a lot of people 23 million people
27:58
gone within the next five years
28:00
according to them
28:01
yeah not because of war
28:04
not taken into account and then you go
28:07
down
28:08
to the gross domestic product which will
28:10
drop from 4.9 trillion to 3.1 trillion
28:14
so it's not as bad as germany which
28:16
is totally obliterated according to
28:18
their statistics
28:22
russia in 2017 the population 142
28:28
million
28:29
the forecast for 2025 142 million
28:34
no reduction in population nothing
28:38
what do these people know that we don't
28:42
i know or maybe do not yes
28:46
okay what about gross domestic product
28:50
it was 1.6 trillion in 2017
28:55
and it's going to go up to 4.3
28:58
trillion that's going to triple
29:01
at least this is astounding
29:06
this is astounding

29:09
spain a catholic country
29:13
in europe and uh
29:16
what do we have here 49 million people
29:19
in the country
29:21
2017 gross domestic product 1.3
29:24
trillion population reduction
29:28
down to 28 million
29:33
that's slightly almost half the
29:35
population is going to be wiped out
29:37
according to this within the next five
29:40
years for whatever
29:41
reason and the gross domestic product
29:45
will also
29:46
drop substantially to
29:50
553 billion whereas at the moment it's
29:52
1.3 trillion
29:56
israel because there are people that say
30:01
the zionists are behind this it's a
30:03
zionist plot to wipe out the population
30:07
so i included israel just for interest
30:10
as to what is happening there 8.3
30:14
million is the population in 2017 or was
30:18
the population

30:20
and it is going to drop to 4 million
30:23
so they're going to lose more than half
30:25
their population
30:27
that's quite fascinating their gross
30:30
domestic product is going to drop
30:33
substantially from 348 billion
30:37
to 70 billion so israel is going to be
30:40
very hard hit
30:43
france what's going to happen to you
30:46
population 67 million in 2017
30:50
down to 39 million
30:54
it's also significant that's very
30:57
significant
30:59
now always bear in mind india
31:03
and russia no population drop
31:07
now let's go to canada
31:11
population 36 million
31:16
gross domestic product to 1.6 trillion
31:19
they're forecast for 2025 26 million
31:22
they're going to lose
31:24
10 million people that's a third of
31:26
their population
31:27
gone gone that's incredible

31:32
this is just the forecast of course
31:35
now what do they know that
31:39
the world apparently does not know and
31:42
if they know
31:43
what is their source yes where does this
31:46
all come from where does this come from
31:50
so gross domestic product will also
31:53
drop south africa just for interest sake
31:58
55 million the population will drop to
32:00
46 million
32:02
so it's a 9 million drop
32:06
in population which is substantial
32:09
i mean if we had to say in the next
32:13
five years 10 million people are going
32:16
to die
32:17
that's quite shocking and that must also
32:20
then include
32:21
births and deaths so with all of that
32:24
it still goes down 9 million but when
32:26
you say to germany
32:28
50 million of your population are going
32:31
to die
32:32
out of your 80 something million that

32:35
is that's shocking beyond
32:39
measure now let's look at the poor
32:42
united states of america
32:45
population 327 million in 2017 they
32:49
predict it's going to drop to 100
32:51
million
32:52
now that's that's what's going to happen
32:56
to 227 million people
33:00
michael two-thirds of the population
33:03
gone are they all going to move to
33:04
mexico
33:06
i don't know this is where that makes no
33:08
sense
33:09
what they're trying to tell you but are
33:12
they going to move to canada
33:14
no because canada is also it's also got
33:16
a drone
33:17
so they're definitely not moving
33:19
anywhere
33:20
all right and it's not a pandemic and
33:22
it's not a wall
33:24
according to them and the gross domestic
33:27
product is going to drop down to 2.4

33:30
trillion
33:32
from a mighty
33:35
19 trillion they're going to be a
33:39
third world country yes in the next
33:43
five years well it's four years now yeah
33:46
because this one's nearly gone basically
33:49
can you see it happening
33:54
now let's look at the poor united
33:56
kingdom this is unbelievable
33:58
population currently 66 million or it
34:01
was in 2017
34:04
it's going to drop to 15 million
34:08
51 million people of their population
34:11
are predicted to be
34:13
gone they're not moving to europe
34:16
nope because europe is going down
34:22
and in russia the population basically
34:26
stood at the same this is this is almost
34:29
the worst of them this is horrendous
34:32
this is horrendous what do these people
34:35
know
34:36
well here's just a broader summary
34:41
let's have a look at china for example

34:44
the
34:44
population in 2017 was 1.38
34:49
billion and they predict the drop
34:52
to 1.358
34:55
billion which is not a great drop
34:58
compared to that huge number
35:01
their gross domestic product is going to
35:03
increase from
35:07
11.94
35:09
trillion to 16.967 so they will be the
35:13
mightiest nation
35:16
in terms of gross domestic product and
35:19
population in the next
35:22
four years brazil is going to have an
35:25
increase
35:26
of 3 million so the americans certainly
35:30
didn't
35:30
migrate those 250 million people didn't
35:35
migrate to south america right not
35:38
according to this
35:41
mexico their population is going to stay
35:44
exactly the same
35:45
virtually it's going to have a slight

35:47
increase so they didn't go to mexico
35:50
either
35:50
no and they didn't go to canada no
35:54
so the only other conclusion must be
35:59
that they no longer exist
36:02
now if i were to tell you that in the
36:05
next four years
36:08
virtually the entire population of the
36:11
united states
36:12
except for a handful will be obliterated
36:15
would that shock you of course and if i
36:18
told you
36:19
that virtually eighty percent of the
36:22
population of germany will be
36:23
obliterated
36:25
shock you yes would you book your
36:28
airplane ticket to go there
36:30
no no it's shocking
36:34
definitely not okay let's just take a
36:37
step back
36:40
people will accuse us now of fear i'm
36:43
wondering
36:44
we weren't fear-mongering we were

36:46
reading statistics right
36:50
what could lead to such a demise but i
36:53
have another question
36:56
it seems to be the christian countries
36:58
that are being hardest hit
37:00
yes europe england in particular germany
37:05
yes the others as well italy not as bad
37:08
as as germany france
37:12
very bad spain very bad but not as bad
37:14
as germany and not nearly as bad
37:16
as the united kingdom
37:20
canada has a huge reduction the united
37:23
states is virtually wiped out right
37:26
yes that's what the scenario is
37:29
now there are many conspiracy theories
37:31
out there
37:32
as to what the cause is going to be
37:35
asteroids
37:37
planet x
37:38
[Music]
37:40
collisions but that doesn't explain the
37:44
selective
37:44
destruction in particularly christian

37:48
countries
37:48
if it were to come about in the first
37:51
place
37:53
now we have these statements which claim
37:57
that national apostasy
37:58
will lead to national run
38:03
uh the bible says that the earth will
38:06
wear out like in the garment
38:08
and its inhabitants will die like
38:12
flies so
38:15
there is coming a massive destruction
38:20
now if you have a lot of light
38:25
are you not responsible for that light
38:29
and if you reject that light then
38:32
national ruin is the consequence
38:37
we will look at some of these issues
38:41
alan white has a statement in education
38:45
education that every kingdom
38:48
or has had the opportunity
38:52
to do god's will and eventually
38:55
like for instance babylon yes then the
38:57
media persians
38:58
all these great kingdoms and they didn't

39:01
live up to what they should
39:03
and eventually they were taken away so
39:06
maybe
39:06
history can repeat itself for another
39:10
nation other nations that had this great
39:12
light
39:13
well we will see we will try and put
39:15
this all together
39:17
it's a very scary thing to do
39:20
now ronald reagan at some stage said
39:23
that the world would surely unite
39:27
if it if there was an alien
39:30
invasion yeah his first speech was
39:33
very speculative but it became more and
39:35
more forceful as he went along right
39:37
yes now i also find it interesting that
39:39
ronald reagan was very
39:41
much into the occult world he wouldn't
39:43
make a move
39:44
politically without consulting the
39:46
astrologers
39:48
and there were communications that his
39:51
wife had

39:53
with entities and political
39:56
people like both the clintons had
39:59
communication with spirit entities
40:01
etc i couldn't help but one
40:05
point in my discussions with privately
40:08
with
40:09
general secretary gorbachev when you
40:12
stop to think that we're all god's
40:14
children wherever we may live in the
40:15
world
40:17
i couldn't help but say to him just
40:19
think how easy
40:20
his task and mine might be in these
40:22
meetings that we held
40:24
if suddenly there was a threat to this
40:26
world
40:27
from some other species from another
40:30
planet
40:32
outside in the universe we'd forget all
40:35
the local differences that we have
40:37
between our countries
40:39
and we would find out once and for all
40:41
that we really are

40:43
all human beings here on this earth
40:45
together
40:47
well i don't suppose we can wait for
40:50
some alien race to come down and
40:52
threaten us but i think that between us
40:55
we can bring about that realization
40:59
thank you all god bless you all in our
41:01
obsession with antagonisms of the moment
41:04
we often forget how much unites all the
41:08
members
41:08
of humanity perhaps we need some
41:12
outside universal threat to make us
41:15
recognize this common bound
41:17
i occasionally think how quickly our
41:20
differences worldwide
41:22
would vanish if we were facing an alien
41:26
threat
41:26
from outside this world
41:30
and yet i ask you is not an alien force
41:33
already among us
41:35
what could be more alien to the
41:37
universal aspirations of our peoples
41:40
than war and the threat of war

41:44
does the bible speak of an outside
41:48
intervention coming the coming of jesus
41:52
the coming of jesus now
41:55
uh the forces of evil in the spiritual
41:58
realm
42:00
did they engage in a war
42:04
against this outside force at some prior
42:07
occasion
42:08
yes yes in heaven the bible tells us
42:10
there was a war in heaven right
42:13
and the spirit of prophecy tells us that
42:16
that was
42:17
as much a physical war as any other war
42:21
it was a real war do you think he could
42:24
be preparing for another war
42:27
definitely would he want all the forces
42:30
on his side
42:31
to face this great threat the bible says
42:35
he knows his time wax is short
42:40
now some of the politicians deny
42:43
that there are alien forces
42:46
or try to allay fears but their their
42:49
own institutions don't right

42:51
so let's have a look at some of these
42:53
these are very interesting
42:56
the federal government is being
42:57
increasingly open about its decades-long
43:00
investigation of ufos
43:02
they have spent millions of dollars and
43:04
officials admit
43:05
now they've seen many things they don't
43:07
understand
43:08
we decided to ask the president about it
43:11
it was his semi-cryptic answer
43:13
watch you gave an interview the day in
43:15
which you said you've been briefed on
43:16
unidentified flying objects
43:19
are they are they real uh well i don't
43:21
want to really get into it too much but
43:23
personally i tend to doubt it uh i mean
43:26
you have people that swear by it right
43:28
and pilots have come in and they said
43:30
and these are pilots that are
43:32
not pilots that are into that particular
43:35
world
43:35
but we have had people saying that

43:38

they've seen things

43:41

i'm not a believer but you know i guess

43:43

anything's possible we spoke to a

43:44

government official recently who said

43:45

the us government had wreckage

43:47

from a ufo in a facility on an air force

43:50

base are you familiar i haven't heard

43:51

that no

43:51

i haven't heard that it has not been

43:54

within government has not been a big

43:55

thing but i've seen it i've seen it on

43:57

your show but i've seen it

44:00

i don't assume it's correct but you know

44:03

i have an open mind tucker

44:04

i know you do mr president thank you for

44:06

nowadays you can believe anything

44:08

right

44:14

much of the media have mocked the

44:17

existence of unidentified flying objects

44:20

the u.s

44:21

pentagon has been studying this subject

44:23

for quite a long time

44:24

and apparently will soon release some of

44:26
its findings which remain classified
44:28
according to a new report in the new
44:30
york times the u.s government may have
44:32
physical evidence of and we're quoting
44:34
off-world
44:35
vehicles not made on this earth
44:39
the government has also released footage
44:41
of ufo sightings including a 2004
44:44
encounter recorded from an advanced navy
44:46
fighter jet
44:48
this whole issue of uh out of this world
44:51
vehicles that have been found by the way
44:53
they were found in archaeological digs
44:57
now you know we have this notion that
45:02
man has always primitive and we have
45:05
reached the pinnacle of culture
45:08
and science at the moment and we are the
45:12
brilliant ones
45:13
the bible talks of a far more brilliant
45:16
race than we were
45:18
namely the antediluvian world
45:21
and even the posteluvian world
45:25
noah and his sons they were brilliant

45:29
yes huge in stature great longevity
45:33
and there have been some very strange
45:35
finds and there are
45:37
interesting studies out there on hidden
45:40
archaeology
45:41
and technology that has been found that
45:44
is
45:44
amazing that we do not understand even
45:48
there have been talks of military
45:51
discoveries
45:54
it's interesting that adolf hitler sent
45:57
a
45:57
huge archaeological team to egypt
46:00
during the war because he wanted to find
46:03
some of these secrets right
46:04
and it was very important for him to
46:06
procure
46:09
those secrets now we still to this day
46:12
don't know what happened
46:14
to any of those secrets if and should
46:17
they have been discovered
46:18
we're now heavily into conspiracy
46:21
theories

46:23

now i used to be involved in occultism

46:27

i used to practice out-of-body

46:29

experiences this is part of my testimony

46:33

my father-in-law was one who brought out

46:37

the magazine inner space for the new age

46:40

movement

46:42

he he was very fascinated by all of

46:46

these things

46:47

and we were once sitting in a in a

46:50

restaurant

46:52

in the cape

46:55

overlooking the ocean and suddenly

46:59

two ufos appears appeared over the ocean

47:03

now this restaurant had huge glass

47:04

windows

47:05

and everybody saw it and we went and

47:08

stood at the window

47:09

and these two objects were playing as it

47:12

were

47:13

flying backwards and forwards up and

47:16

down

47:17

and i saw it with my own eyes my wife

47:19

was there as well my father-in-law

47:21
was there and the other people in the
47:23
restaurant of course don't know who they
47:24
were
47:25
and we watched this for a while and then
47:29
two mirage jets were scrambled by the
47:33
south african defence force and they
47:35
rushed towards these flying objects
47:38
and these flying objects were playing
47:39
the four with them and then they would
47:42
they would come and they would just go
47:44
they were much higher than the others
47:46
and the mirage would have to make a long
47:49
turn and come
47:50
back and then they were over there and
47:51
then they were over there eventually
47:52
they gave up and they left
47:54
and the next moment those things took
47:56
off now
47:58
real well i saw them
48:01
so that was pretty real it wasn't an
48:04
illusion
48:04
because others saw them as well
48:09
it's interesting that the ufo

48:12
society people they have
48:15
many tales of communicating with the
48:18
beings
48:19
inside of these and i also find it
48:21
interesting
48:22
that whenever there was contact of that
48:25
kind of nature
48:26
there were certain spiritual
48:28
manifestations yes
48:30
for example people started speaking in
48:32
tongues
48:34
when they came into contact with them
48:35
this is now according to some of these
48:37
witnesses
48:38
and in some of my previous lectures i
48:40
spoke about these
48:41
issues now
48:44
they also wore emblems like the serpent
48:47
with wings
48:48
these are all biblical symbols so
48:52
my current understanding and
48:55
those that have made the transition from
48:58
the occult world

49:00
to being bible believers many of them
49:02
are of the same understanding
49:04
that we are dealing with outside forces
49:08
demonic forces yes these are demonic
49:12
manifestations and
49:14
we had ufo experiences on the farm where
49:18
i was living
49:19
and these were in the form of bright
49:21
lights just
49:22
shooting left and right and coming over
49:24
your house and doing this and leaving
49:26
burn marks in the field
49:29
just as i've been reported i saw these
49:31
things with my own eyes
49:34
when i was deeply involved in the occult
49:37
world
49:39
now of course i know what the source is
49:42
and it is
49:43
demonic now if people claim that they
49:47
have had
49:48
communications with these beings
49:51
is it possible that
49:54
forces high up in the in the government

49:58
could have communications with these
50:00
people we're in
50:01
in deep conspiracy theories now so we
50:04
better be careful
50:06
but it's a possibility i mean there are
50:10
literally hundreds of books written
50:12
about this kind of thing
50:13
and you read them and you know what is
50:15
truth and what is fiction it's very hard
50:18
to tell
50:18
but by my own experience i know these
50:22
things are real
50:24
and that they are spiritual
50:27
manifestations
50:29
and obviously these beings
50:34
must have technologies available to them
50:37
does god have technologies available to
50:39
him yes
50:40
yes he can muster any force that he
50:42
wants
50:43
would they try to muster those forces
50:46
those same ones
50:48
absolutely definitely now

50:51
let us continue we read
50:54
even in in very reputable uh sources
50:58
like
50:58
deutsche wertchaft's bavaria huge crop
51:02
circle signs attracts hundreds of
51:05
onlookers
51:06
and the augsburg alga miner it's a
51:09
newspaper reports that these
51:11
crop circles have been forming in the
51:13
region around
51:15
the amazing for years and it's
51:18
noteworthy
51:19
that there is an important earth station
51:22
for communications satellites in the
51:24
region
51:25
etc etc so you know these things are
51:28
well known now the georgia guidestones
51:32
were placed there by mysterious
51:34
individuals
51:36
and they of course had uh an acronym
51:40
yeah the guy that went to the people to
51:43
make this
51:45
stones for them these initials were

51:48
interesting see christians and then
51:51
at the georgia guide stones it has
51:54
the events that they foretell and rc
51:58
christian then also has
52:01
had placed there the writing age of
52:05
reason now we're going to get
52:08
to revelation chapter 11 in this
52:11
discussion because we have to bring all
52:13
of this stuff to the bible
52:14
yes and it's scary but it's fascinating
52:19
that's it
52:20
and then we have to link it to our
52:22
filter the bible
52:23
and the spirit of prophecy and we have
52:25
to sift and see
52:26
where we are and what all these things
52:29
mean
52:30
now uh the age of reason
52:35
is something that has been coming for
52:36
the while it actually
52:38
started in a in a political way
52:42
in the time of the french revolution yes
52:45
now what does this reason bring about

52:49
well the first one was of course to
52:51
maintain humanity
52:53
at 500 million that's half a billion
52:56
people
52:57
that means that more
53:00
that almost the world population must be
53:03
obliterated
53:05
from the seven point something to eight
53:07
billion we must go down to half a
53:08
billion so
53:09
where all these people are going to go
53:12
uh guide reproduction wisely
53:16
this is on the georgia guidestones
53:19
so guide reproduction who's going to
53:22
take control of reproduction
53:24
the government the government's going to
53:25
take control of reproduction
53:28
now when i was in the occult world
53:32
my father-in-law who was as i said
53:36
one of the first ones to bring in the
53:37
new age movement
53:39
and he also introduced me of course
53:42
to very high people in that realm

53:46
like the channels of africa i mean i
53:48
spoke to them
53:49
face to face it's part of my testimonies
53:54
this becomes very very interesting
53:58
to lower the population
54:02
and to guide reproduction wisely
54:05
and he was writing a book i don't think
54:08
he finished it before his death
54:11
and the book's name was meritania
54:16
now it was based on a system of merit
54:19
meritania you could only reproduce
54:23
if you fulfill certain conditions
54:27
okay so if you were involved in anything
54:30
like
54:31
voting or something you would have to
54:33
have certain number of
54:34
merit points okay yeah in order to do
54:37
that if you wanted to move around
54:39
freely you had to have certain merit
54:42
points
54:43
if you wanted to be able to reproduce
54:45
then something had to be unlocked
54:47
or technology would have to take over in

54:50
order to make you reproduce
54:52
now this is years ago yeah
54:55
and i was steeped in this kind of
54:57
thinking
54:58
now if you look at chinese technology
55:00
today which is actually universal
55:02
technology
55:04
do they have a point system yes
55:07
absolutely they have a point system
55:09
system if you want to be able to travel
55:11
you have to
55:11
have certain number of points right if
55:14
you want to do this you must
55:16
with the corona virus they've got now
55:19
the app
55:20
you've got absolutely you have to scan
55:22
your qr code and then if you're green
55:25
you can go in the shop or whatever
55:27
so let's look at this very in-your-face
55:30
so-called conspiracy theory
55:33
age of reason now
55:39
the jesuits they are
55:42
into reason remember we discussed

55:46
richard m goula reason
55:49
informed by faith and i still said no no
55:52
no it should be the other way around
55:54
right they are the ones that say reason
55:57
is the highest standard
55:58
that's the jesuit thinking reason
56:02
we're going into an age of reason the
56:05
one who put it there
56:06
is r c christian roman catholic
56:10
christian what are the jesuits roman
56:12
catholic christians
56:14
aha the society of jesus so they want an
56:17
age of reason
56:18
and then they want to unite humanity
56:20
with a
56:21
living new language the bible says
56:24
babylon spoke one language
56:26
they want to go back to babylon the
56:28
bible calls them babylon
56:30
and we have to make sure that we
56:34
come out of babylon they have nothing to
56:36
do with the system is
56:38
it's going to get very hard we are just

56:42
doing an introduction here we're going
56:43
to go quite deeply into this
56:47
then you have to rule passion
56:51
you have to rule faith
56:55
you have to could you do that with an
56:58
app
56:59
yes could you do that with
57:02
ai yes is it possible to control the
57:06
genes
57:06
that produce faith centers
57:11
all very interesting tradition you have
57:13
to rule and
57:14
all things with tempered reason now who
57:18
are the ones who are going
57:19
to do the reasoning in order to control
57:22
those that don't want to be
57:25
reasonable according to them so they're
57:28
going to be the control freaks and
57:29
you're going to be the controlled one
57:32
protect people and nations with fair
57:34
laws and just courts
57:37
that's fascinating i don't know whether
57:38
they'll succeed

57:40
let all nations rule internally
57:42
resolving
57:43
external disputes in a world court so
57:46
they want a world government
57:48
avoid petty laws and useless officials
57:52
balance personal rights and social
57:55
duties
57:56
it seems like social justice is involved
57:58
here
57:59
price truth beauty love
58:02
seek harmony with the infinite but that
58:05
infinite is definitely
58:07
not god not the god of the bible no
58:10
didn't he say be fruitful and multiply
58:12
yes these people say the opposite right
58:16
be not a cancer on the earth leave room
58:18
for nature
58:20
it sounds like climate change climate
58:22
change
58:24
leave room for nature they say it twice
58:28
avoid petty laws and useless officials
58:30
doesn't that also
58:31
maybe pull in to defund the police

58:35

oh yes let's get rid of the police as

58:37

well

58:39

i will put a link in on a documentary

58:42

that uh that was made on the georgia

58:45

guide stones very good

58:46

it's dark clouds over alberta okay that

58:49

would be nice

58:50

that'll be very nice here is a national

58:54

geographic article

58:55

new object beyond pluto hints at

58:58

mysterious planet

59:00

x the solar system's retinue of

59:04

known faraway worlds has gained another

59:06

member a small

59:07

icy body that takes 40 000 years to plod

59:11

once around the sun and then there are

59:14

web pages which say

59:16

that planet x in some way or other

59:21

will destroy the united states virtually

59:26

and they're claiming that the united

59:29

states will be divided into two

59:31

there will be a major sea where the

59:33

mississippi is now

59:34
joining up to the great lakes florida
59:37
and
59:38
both coastlines will totally disappear
59:40
that means all the big cities on the
59:42
coast will be gone
59:44
that's what they're saying yeah and
59:47
there's no evidence for such a planet x
59:49
now there's also been a few prophets can
59:52
we put it
59:53
like that that predicted a few things
59:56
on this planet x there's also a few
59:58
other names for
60:00
it now i'm wondering if there's no truth
60:02
to this
60:04
where do we find truth on the georgia
60:06
guide stones
60:08
definitely not right so the only place i
60:12
can find
60:12
truth is in the bible correct thy word
60:15
is truth
60:17
now the bible says
60:20
what is going to happen to this world
60:23
and the bible says what is going to

60:24
happen
60:25
to the christian world when it reaches
60:28
across the gulf
60:30
to take the hand of rome and enact
60:34
this system of reason over and above
60:38
god's government and enact
60:42
traditional laws over god's law right
60:45
correct
60:46
and once that decision has been made and
60:48
once persecution
60:50
in regard to that commences
60:53
god will intervene and we
60:56
read in matthew 24 and in the spirit of
61:00
prophecy that calamities will
61:02
increase that there will be
61:05
calamities and destruction of
61:09
does he say cities yes and that the
61:11
calamities
61:12
and the destruction will bring people to
61:15
say
61:15
let's implement laws
61:19
that are of religious nature sunday law
61:22
being

61:24
particularly prominent yes
61:28
does the devil know something that he
61:30
wants to attribute to
61:31
nature and to a so-called planet x
61:35
or to other so-called forces
61:40
now they have also been movies now
61:44
hollywood well i don't actually call it
61:46
hollywood i call it jesuit theater
61:49
so that people can get the idea as to
61:51
exactly
61:52
what they are trying to do and they're
61:54
always trying to prepare people for what
61:56
is coming
61:57
sensitizing you most of the time like
61:59
for instance the pandemic
62:01
yeah how many movies were there of a
62:03
pandemic so when's it
62:04
once it comes okay all right the
62:07
pandemic is now here
62:10
let me quote the occult world directly
62:14
now alice a bailey
62:19
2025 hierarchy will manifest itself
62:24
now this is interesting now lsa bailey

62:26

is basically

62:28

the prophet test for the united nations

62:30

yes

62:32

she is

62:36

the one that followed blavatsky

62:40

now when i was still involved in all of

62:43

these

62:43

things i was pertinently told

62:47

by one of the highest channels in the

62:49

world

62:51

that if you are a student of blavatsky

62:53

then you have arrived

62:55

yes now this is a personal experience

62:59

and alexa bailey of course

63:02

temple of understanding and all of these

63:04

things in the united

63:06

nations they they are schooled the whole

63:09

education

63:10

system is schooled on alice a

63:13

bailey let's have a look at this quote

63:16

it comes from a book the externalization

63:20

of the hierarchy we always explain who

63:22

the hierarchy is

63:24
the hierarchy of those spiritual master
63:27
entities that run the world from behind
63:30
the scenes
63:33
this is a reality in the thinking of the
63:35
united nations right
63:36
correct otherwise they wouldn't have it
63:38
as an official organization
63:40
affiliated to the united nations yes and
63:44
this hierarchy if you know your bible
63:47
is of course a demonic hierarchy these
63:50
are
63:51
demons communicating with humanity
63:54
yes this is what it is now
63:58
we can look at the publisher it was
64:00
written in 1957 and it's lucius trust
64:04
which originally was lucifer publishing
64:06
company
64:07
but the name was too much in the face so
64:10
they changed it to losers trust
64:12
same thing she writes
64:16
thus a great and new movement is
64:18
proceeding
64:19
and a tremendously increased interplay

64:23
and interaction is taking place
64:26
interaction with whom
64:27
yes this will go on until
64:33
that's stunning ad
64:38
2025
64:40
during the years intervening between now
64:43
and then very great changes will be
64:46
seen taking place when was this written
64:49
written
64:50
1950 1957.
64:54
this is interesting very great changes
64:58
will be seen
64:58
taking place and at the great
65:02
general assembly of the hierarchy what
65:04
you talking about here
65:06
a meeting of the demonic forces a
65:08
meeting of the demonic
65:10
forces held as usual
65:14
every century in 2025
65:20
the date in all probability will be set
65:24
for the first stage of the
65:27
externalization of the hierarchy
65:30
what does that mean where they will

65:33
present themselves to humanity so that
65:37
you can see them
65:38
face to face does that sound like satan
65:41
masquerading as an angel of light saying
65:44
i
65:45
am the christ i have come back yes i've
65:47
changed the laws
65:48
didn't we deal with that in the spirit
65:50
of prophecy that he will say i have
65:52
changed the laws so
65:54
must have been an attempt to keep sunday
65:57
by that stage
65:58
is he reinforcing it yes were there
66:01
calamities that led
66:03
people to believe these things we're
66:05
just putting it into a biblical scenario
66:08
which countries would be hardest hit
66:12
those that had the light protestant
66:15
countries and rejected it
66:17
national apostasy will be followed by
66:20
national
66:21
rune interesting
66:25
2025 the date in all probability will be

66:28
set for the first stage of the
66:30
externalization of the hierarchy
66:32
the present cycle from now until that
66:36
date is she making that date prominent
66:38
yes what was the date in diego
66:41
2025 what was the date in that movie
66:44
clip
66:45
2025 uh who runs
66:49
hollywood jesuits jesuit theater
66:54
fascinating the present cycle from now
66:59
until that date is called technically
67:02
the stage of the forerunner
67:04
forerunner to whom satan
67:08
satan it is preparatory in nature
67:12
testing in its methods are we being
67:14
tested right now as to how far we can be
67:17
pushed
67:18
yes how far they can put the control on
67:20
us
67:21
and intended to be revelatory in its
67:24
techniques and results
67:26
you can see therefore that chohans
67:31
masters initiates world disciples

67:34
disciples and aspirants affiliated with
67:38
the hierarch
67:39
excuse me
67:43
according to the statement from
67:46
alice a bailey an official
67:51
part of the ruling powers of this world
67:55
are the people in the world
67:59
involved in this issue and people in
68:02
the governments talking to these
68:05
entities
68:06
yes so there's communication between the
68:09
demonic
68:10
world uh could these demons be saying
68:13
this
68:14
coming an intervention we must prepare
68:16
for it get your space wars ready
68:19
i mean we're really talking conspiracy
68:21
as well right
68:22
so i hope that all the sensitive people
68:25
have
68:26
tuned out at this stop tinfoil lads
68:29
yes you can therefore see the
68:32
showhands the masters the initiates

68:36
so where would you find initiates in
68:38
secret societies
68:42
what do they call a person
68:45
who leads let's say a masonic lodge
68:48
a master a grand master a grand master
68:52
even a worshipful master not just the
68:55
word
68:56
worshipful master jesus says call no one
69:00
master and you shall worship the lord
69:04
thy god and him alone and here this man
69:06
is called worshipful master shouldn't
69:09
that
69:10
ring a bell in every mind out there that
69:14
is associated with
69:15
secret societies shouldn't they run
69:19
for their lives shouldn't they flee from
69:21
them
69:22
knowing that this is a demonic
69:24
organization if they even
69:26
dare to use terminology like that
69:29
but they don't see it initiates
69:33
world disciples disciples and aspirants
69:37
affiliated with the hierarchy affiliated

69:41
that means joined together with demonic
69:44
forces sitting at one table
69:47
are all at this time passing through a
69:50
cycle of great activity
69:54
she continues today human beings as a
69:57
whole
69:57
are so loudly invocative that the entire
70:01
trend
70:02
of the life of the hierarchy and its
70:04
plans to date have been subject to
70:06
change i'm glad god interferes every now
70:10
and then
70:12
to postponement as far as certain
70:15
interior
70:16
and purely hierarchical determinations
70:19
are concerned
70:20
and to a hastening of certain plans
70:24
which were slated if i may use such a
70:26
word
70:27
to take place several centuries later
70:30
than this
70:31
but which owing to the unexpected
70:33
preparedness of humanity

70:36
can take place not prematurely really
70:40
but securely in the fullness of time
70:43
this is
70:44
amazing of course this is eyewash yeah
70:47
satan knows the time frame exactly
70:51
but he's talking to his people
70:54
as though you know this is going to go
70:55
on forever but because you are so
70:58
beautifully brilliant
71:01
i've listened to many of these
71:04
communications and the way he speaks
71:07
and in the new age movement the matreya
71:10
my dear ones my super intelligent
71:14
ones my this my that it's incredibly
71:17
irritating
71:19
and the terminology or fullness of time
71:21
is also
71:23
that i was just going to comment on i'm
71:25
glad you noticed that too
71:26
the fullness of time he knows the time
71:29
frame
71:32
we've talked about time frames and we
71:35
certainly haven't made them

71:36
long time frames and 2025
71:40
is well within those time frames
71:45
now we're not saying 2025 this is a
71:48
demon
71:49
saying 2025.
71:52
so the fullness of time as regards the
71:55
particular planning
71:56
with which we are dealing is from now
71:59
until the year
72:01
2025. that's pretty definitive
72:05
a brief period of time indeed
72:08
in which to see the consummation of the
72:10
larger purpose of the planetary
72:13
locus that's the word
72:18
that is satan taking the place of jesus
72:20
christ
72:23
unbelievable working
72:26
through the three major centers within
72:29
his body of manifestation
72:32
that's his disciples that's the
72:34
governments of the world
72:36
now there are rumors
72:39
in the realms of

72:42
let's say the king of mana
72:45
manna the king of manner who
72:48
rules all the nations and has this pot
72:52
of gold that he sits on
72:53
to finance the nations that every single
72:57
leader so they say in these pages that
73:00
every single
73:01
leader somehow has to sign a contract
73:05
with this logos that's very interesting
73:10
we're deep into conspiracy theories now
73:13
but we're not actually in conspiracy
73:17
theories because we're quoting directly
73:19
from the sources
73:21
and if someone doesn't want to believe
73:23
these sources that's a prerogative
73:25
but the united nations runs its schedule
73:28
according to it
73:30
and the year 2025 is becoming
73:33
ubiquitous we're reading it here we're
73:36
reading it there
73:38
so this purpose was threefold in nature
73:42
i've made this practical application and
73:44
this immediate illustration of teaching

73:47
and
73:47
glamour illusion and maya because the
73:51
whole world
73:52
problem has reached a crisis today
73:55
and because its clarification will be
73:57
the
73:58
outstanding theme of all progress
74:01
now listen to this educational will we
74:04
be re-educated
74:06
is the pope having a meeting very soon
74:08
to
74:09
tell us how to be re-educated yes do
74:12
they have re-education
74:13
camps uh-huh
74:17
do the jesuits in their articles tell us
74:19
that we need re-education
74:21
yes particularly starting with the youth
74:24
yes
74:25
now what about this uh difficult
74:29
elderly group would they perhaps have to
74:32
just
74:32
be eliminated to not
74:36
rock the boat religious re-education

74:39
economic re-education are we seeing that
74:42
at the moment
74:44
great reset great reset and it must be
74:47
done by when
74:48
2025
74:54
and we have just started scratching at
74:57
the surface
74:59
where are we going what is their plan
75:02
how to re-educate humanity
75:06
what is their plan in terms of religious
75:09
re-education
75:11
what is their plan in terms of the
75:13
economic reset
75:15
now this all sounds like science fiction
75:19
we've talked about ufos we've talked
75:21
about contact with extraterrestrial
75:24
we've talked about hierarchy we've
75:26
talked about
75:28
the logos the false christ we've talked
75:30
about
75:31
planet x i mean it is ludicrous people
75:35
will say now he's gone
75:36
totally insane or has he

75:41
we'll see we'll see right just to round
75:44
it off
75:45
let's just have a look at the quote from
75:47
the spirit of prophecy
75:50
manuscripts release number 614 secret
75:52
societies and confederacies
75:56
as we near the close of time there will
75:58
be greater and still
76:00
greater external parade of heathen
76:03
powers
76:04
what does that mean
76:09
that is interesting when you think of
76:12
all this that you've just mentioned in
76:14
the previous with
76:15
all these what is an external parade
76:17
that's something that is visible
76:20
so as we near the close of time
76:24
there will be greater and still greater
76:27
external parade
76:29
of heathen power in other words the
76:32
demonic forces will
76:34
manifest themselves by when will this
76:37
happen

76:38

according to alicia bailey by 2025 by

76:41

2025.

76:42

all the heathen power all the powers

76:45

opposing god

76:47

heathen deities

76:51

will manifest their signal power

76:56

and will exhibit themselves before the

76:58

cities of the world

77:00

and this delineation has already begun

77:03

to be

fulfilled when did spiritism start

in 1844 in 1844 there was the wrapping

and the first communications started

taking place

1844 from there on it has

escalated into the mighty new age

movements

who's behind that movement whenever you

studied it

when you look at the total onslaught

series that i made

you will find that it's the jesuits

who are largely in control of

all of these movements yes they have

their

agents in all of them it

is unbelievable so exactly what we have

been reading

is predicted in the spirit of prophecy

our filter

correct by a variety of

images the lord jesus represented to

john the wicked character and seductive

influence of those who have been

distinguished for their persecution of

god's people who are they who has been

distinguished
for their persecution of god's people
the roman catholic church absolutely
inquisition how many millions of people
were destroyed
by them so israel going to be involved
in this yes
rc christian bringing about a
age of reason depopulation
mind control government control
reset economy reproduction control
reproduction control religious
control all need wisdom
carefully to search out the mystery of
iniquity
that figures so largely in the winding
up of this earth's history now
my dear young brother
what did we pray for before we started
this discussion
for wisdom we prayed for wisdom
how many need wisdom to search this out
all
all is it therefore
pure conspiracy theory to think about
these things and to ponder
how this fits into what is happening in
the world
or are we really onto something here
where we can say it's here
people out there please wake up
wake up we're on the verge of the climax
of history
we need to study these things this is
not a conspiracy
it's not fear-mongering it's a reality
wake up and look what's going on
absolutely this terrible
picture drawn by john where in
revelation
to show how completely the powers of
earth will give themselves over to evil
powers of earth is that a universal
thing yes
should show those who have received the
truth how dangerous it is to link up

with secret societies
or to join themselves in any way with
those who do not keep the commandments
my brother if people don't wake up now
they will never wake up we have said
nothing in this
episode we've just quoted we've just
quoted
the background now
truth is stranger than
fiction we have
opened to view
the issues and in the next episodes we
will go
to the issues it is absolutely
unbelievable what is happening in this
world today
yes and my prayer is that this
will lead people to wake up and to
understand
this great controversy between good and
evil
we need to understand where we are
in this battle and we need to make a
choice
and if we can expose this great evil
how the powers of earth will give
themselves over to
evil if we can explain that the
system that is being set up is evil to
the core
then maybe people would rather choose
the living god
yes and get hope this is my aim this is
our
aim in this project wake up
choose the living god don't go along
with the system
[Music]
absolutely the lord is coming soon amen
the hierarchy
is telling them telling us what their
time frame is
don't listen to voices that tell you
that this is a long
way off it is at the door

may god give us wisdom as we
discuss this further and see where the
world
is heading and what the real core
of the decision is about it's really
about
choosing between the character of satan
and the character of god
let's pray will you pray for us i will
pray
our heavenly father we live in such
interesting but also dangerous times and
we need your wisdom
more than ever so we ask that you bless
us and help us
with discernment the holy spirit to help
us
and also that we can distinguish where
we must go from here
but that we always know that we have to
put our full trust in you
thank you very all that you do for us in
Jesus name amen
