

Prophets, Miracles, Signs & Wonders

What's Up Prof? 30

00:26

welcome back to our next episode of

00:28

what's up prof

00:30

hello walter we say hello walter all the

00:33

time so i'll say hello martin

00:35

thank you um we're going to have an

00:39

interesting discussion today and we need

00:42

the guidance of the holy spirit so i'll

00:44

pray for us

00:46

our heavenly father lord there's so much

00:51

deception in the world and there's so

00:52

many voices out there

00:54

help us to discern these things help us

00:56

in our discussion

00:58

and we ask this in jesus name amen amen

01:02

so we're going to talk about miracles

01:05

wonders

01:06

signs all of these things

01:09

well we've touched on it on many

01:11

occasions matthew 24

01:13
and all of these but just to bring it up
01:16
to
01:17
our time let's have a look at some of
01:19
these things
01:20
now there are physical signs and then
01:23
there are spiritual signs
01:25
our emphasis today is spiritual science
01:29
and we're going to talk about prophets
01:32
and miracles and wonders
01:34
and where god's people should
01:38
take note yes be careful tread softly
01:42
because we have serious warnings in the
01:44
bible about these things
01:46
but before they we go there let's look
01:48
at some of the physical things that are
01:50
happening
01:52
trump issues presidential disaster
01:54
declaration for california
01:56
we just put this in to show there are
01:59
major things happening now they've
02:01
always been fires in california
02:03
but these are somehow different from the
02:06
previous ones yeah

02:07
there's quite some eerie eerie things
02:10
going
02:10
on with it yes and thank you
02:14
to the president for your partnership
02:16
and granting this
02:17
urgent major disaster declaration
02:20
california is battling two of the
02:22
largest fires in our history
02:25
and i've seen nearly 600 new fires in
02:27
the last week caused by
02:29
dry lightning strikes so
02:32
new lightning is expected and these dry
02:35
lightning
02:36
strikes that means there's no
02:37
precipitation
02:39
some people say there was no thunder
02:42
which was strange and there have been
02:44
reports of that in other places in
02:46
ireland the bbc
02:47
reported that a few years ago there were
02:51
lightning storms without thunder and
02:53
they're talking about
02:55
bent atmosphere and this and that

02:58
and the other but it's just interesting
03:01
that the disasters are escalating
03:05
and as you see this is escalation
03:08
such as we have not previously seen
03:13
it's interesting that they show the
03:15
lightning strikes and they talk about
03:18
between 10 and 12 000 lightning strikes
03:22
causing all of these fires so that's
03:24
incredible isn't it
03:26
let's just look at this little video and
03:28
see what they say
04:12
foreign
04:16
so we had all of those strikes and every
04:18
time there's a red flare there's a fire
04:21
and the clouds are gone and
04:23
of course there are many conspiracy
04:24
theories about
04:26
what caused them etc
04:29
but be that as it may the bible tells us
04:33
that there will be
04:34
physical signs and the spirit of
04:36
prophecy tells us
04:38
that these physical manifestations and

04:41
the disasters will bring people to the
04:44
point where they say
04:45
we have to get back to god we have to
04:48
start implementing legislation
04:52
etc etc but today we want to concentrate
04:56
on the spiritual aspects
05:02
in 2 thessalonians chapter 2 verse 9
05:05
we read even him whose coming is after
05:09
the working of
05:10
satan with all powers and signs and
05:13
lying wonders in mark 13 22
05:17
it says for false christs and false
05:20
prophets shall arise
05:21
and shall show signs and wonders to
05:24
seduce
05:25
if it were possible even the elect
05:29
and jesus warned in john 4 48
05:33
and said jesus unto him except ye see
05:36
signs and wonders you will not believe
05:40
so it's amazing that part of the human
05:44
psych seems to require
05:48
that's why jesus said you want the signs
05:51
so somebody will supply the signs so

05:54
that you may believe
05:55
the falsehood the only safety we have
06:00
in this world today is the word of god
06:03
so we will have false messiahs
06:06
we will have false prophets we will have
06:09
false christs we will
06:11
have signs and wonders we've been warned
06:14
that these things
06:15
will come here's the i quote from the
06:19
book
06:20
maranata the corruption of truth and if
06:23
any man shall say unto you
06:24
lo here is christ or there believe it
06:27
not
06:29
why should we not believe it because the
06:31
bible is very clear
06:33
that when jesus returns for the second
06:35
time he will not
06:36
be on this earth we will meet him in the
06:39
sky
06:40
so anything that happens here in the
06:41
desert or in the inner room
06:44
is not from god as we near the end of

06:47
time
06:47
falsehood will be so mingled with truth
06:50
that only those who have the guidance of
06:52
the holy spirit will be able to
06:54
distinguish truth from error let's just
06:56
stop there
06:58
the bible is very clear also in the book
07:00
of acts where it says
07:02
and god gives the holy spirit to them
07:05
that obey him so obedience
07:09
and the true spirit go hand in hand
07:14
we need to make every effort to keep the
07:16
way of the lord
07:17
we must in no case turn from his
07:19
guidance to put our trust in man
07:22
the lord's angels are appointed to keep
07:25
strict watch over those who put their
07:27
faith in the lord
07:28
and these angels are to be our special
07:31
help in
07:31
every time of need every day we are to
07:35
come to the lord with full assurance of
07:37
faith and to look

07:38
to him for wisdom those who are guided
07:41
by
07:42
the word of the lord will discern with
07:45
certainty
07:45
between falsehood and truth between sin
07:48
and righteousness
07:50
that's a very important criterion
07:53
in fact that was the foundation for the
07:56
reformation
07:57
yes the word the word
08:01
the problem is a lot of people use the
08:03
word
08:06
and giving false prophecies as well
08:08
that's true so it has to be in harmony
08:10
with the word and not out of context
08:12
that's false miracles
08:16
are god's people prepared for false
08:18
miracles
08:20
it is fully time that every responsible
08:22
worker should take his stand
08:24
firmly on the word of god this
08:28
word is to be our defense when satan
08:31
works with such lying wonders that even

08:34
where possibly would deceive the very
08:36
elect
08:38
it is then that those who have not stood
08:40
firmly for the truth
08:42
will unite with the unbelieving who love
08:45
and
08:45
make a lie when these wonders are
08:48
performed when sick or healed and other
08:51
marvels are wrought they will be
08:52
deceived
08:54
are we prepared for the perilous times
08:56
that are right upon
08:57
us or are we standing where we will fall
09:00
an easy prey to the wilds of the devil
09:03
i find it interesting that she says here
09:07
that unbelievers will unite yes
09:11
with believers who are being deceived
09:15
and they will make a union that's very
09:18
interesting
09:18
that's very interesting but again you
09:22
have to stand firmly upon the word of
09:24
god
09:24
that is the protestant principle sola

09:27
scripture
09:29
if it doesn't say so it is not so even
09:32
if it looks like
09:33
it should be so but it is not so because
09:35
it does not say so
09:38
simple right simple all right so jesus
09:41
christ appears shining like a bright
09:43
light
09:44
and he's talking to a group of people
09:47
somewhere
09:49
and you know that's not him because he's
09:52
not going to come like that
09:54
correct he's going to come let every i
09:56
can see him
09:59
there will be miracle working power of
10:01
satan and he will deceive many as the
10:03
condition
10:04
of the church and the world was opened
10:06
before me and i beheld the fearful
10:08
scenes that lay just before us
10:10
i was alarmed at the outlook and night
10:13
of the night while all in the house were
10:16
sleeping i wrote out the things given me

10:19
of god
10:20
i was shown the heresies which are to
10:22
arise the delusions that will prevail
10:25
the miracle working power of satan the
10:27
false christs that will appear that will
10:30
deceive the greater part
10:31
even of the religious world and that
10:34
would if it were possible draw away even
10:36
the elect
10:38
we are heading for some serious trouble
10:40
yes and
10:42
you know in the last few years how many
10:46
winds of doctrine have been blowing
10:48
even within our own church all of a
10:52
sudden
10:52
it's like the sluice has been opened
10:56
and all of a sudden the pillars no
10:59
longer
11:00
were pillars but were based on falsehood
11:05
amazing many will go from us
11:09
that's a rather sad statement giving
11:11
heed to seducing spirits
11:14
a superficial faith results in a

11:17
superficial experience the light given
11:20
me has been very forcible that
11:22
many would go out from us giving heed to
11:25
seducing spirits and doctrines of devils
11:28
the lord desires that every soul who
11:31
claims to believe the truth
11:33
shall have an intelligent knowledge of
11:36
what
11:36
is truth let me just stop there in other
11:42
words
11:44
what the church has believed since its
11:47
inception
11:49
all of a sudden will be questioned here
11:51
at the end
11:53
and a groups or groups of people will
11:57
arise that will certainly say
11:59
that everything we believed up until now
12:03
is based on a falsehood from within
12:07
from within so anything new
12:11
that starts coming in like a rushing
12:14
torrent
12:15
we should be very weary and ask
12:17
ourselves

12:19
did the reformers believe that did the
12:22
pioneers of this church
12:24
believe that when the foundations were
12:26
laid upon which this house is
12:29
built was that foundation
12:32
sound or was it
12:35
a false foundation have we been
12:38
building on sand ever since that time
12:42
now just ask yourselves that question
12:44
i'm not even mentioning
12:46
the doctrines that are coming in i'm not
12:49
mentioning them by name
12:51
let everybody out there consider
12:54
what in the last few years has been
12:57
coming in like a flood
13:00
in a form of a wind of doctrine
13:03
where people are saying if you don't
13:04
believe this you're part of babylon and
13:06
they're out
13:07
yeah there's no coming out
13:10
out of the last remnant movement there's
13:12
only a spitting out
13:14
shaking there's a shaking the shaking is

13:18
shaking you out
13:19
so let everybody just consider that and
13:21
think for themselves
13:23
what has been made prominent
13:26
in the last few years
13:30
and why wasn't that prominent beforehand
13:34
false prophets will arise and they will
13:36
deceive many everything is to be shaken
13:38
that can be shaken
13:40
then does it not become everyone to
13:42
understand the reasons of our faith
13:46
in place of having so many sermons there
13:49
should be a more
13:50
close searching of the word of god
13:53
opening the scripture
13:54
text by text and searching for the
13:57
strong
13:58
evidence that sustains the fundamental
14:00
doctrines that have brought
14:02
us where we are now upon the platform of
14:06
eternal truth so that's our foundation
14:08
yes
14:11
i'm going to mention one

14:14
when you start touching the deity of
14:16
christ
14:20
then the warning bells should ring
14:23
with a resounding ring the shutters
14:26
should come
14:27
down and a bulwark must be erected
14:31
against whatever is attacking the deity
14:35
of christ
14:36
in the beginning was the word and the
14:37
word was with
14:39
god and the word was god by him were all
14:43
things created and without him
14:46
was not anything created before
14:49
abraham was i am
14:53
thomas fell at his feet and said my
14:57
lord and my god the healed people
15:01
fell at his feet and worshipped him and
15:04
he accepted the worship which no
15:06
angel even does how much evidence do you
15:10
need
15:11
and then you have the spirit of prophecy
15:13
in him was life
15:15
unborrowed and derived he said

15:19
i take up my life i lay it down
15:22
nobody takes with from me i have power
15:25
to lay it down
15:26
i will take it up again how much
15:29
evidence do you want
15:32
and yet this is happening
15:35
everywhere everywhere everywhere
15:39
and martin luther said the god who
15:41
didn't die
15:42
for me is not my god the
15:45
first little wind that blows
15:49
in that direction barricade yourself
15:53
because it's going to turn into a
15:55
tornado
15:56
it's the fullness of god it's not a
15:59
lesser god all
16:01
yes he did not consider it robbery to be
16:05
equal with god i mean i could go on
16:07
forever i'm very passionate about that
16:10
don't touch the deity of christ
16:13
i mean okay i've got that out of my
16:20
system
16:22
we've had this before but uh it's

16:24
interesting how it is progressing this
16:27
one is now from
16:28
august 2020. israeli rabbi says he's
16:32
already holding meetings with the
16:34
messiah this is a very secretive messiah
16:37
i thought he was coming like lightning
16:40
that
16:40
one would see him from the east of the
16:42
west every eye will see him but he's
16:45
having a secret
16:46
meeting yeah can you believe this
16:49
no you're not going to believe this i'm
16:52
not going to believe this it's
16:53
interesting that you know
16:55
uh the the jewish nation is waiting for
16:57
the messiah but they're waiting for a
16:59
national deliverer right
17:00
the same that they did 2 000 years ago
17:02
exactly this exactly the same mistake
17:05
and we want to be delivered from this
17:09
virus that is called sin people are
17:11
worried about coronavirus they should be
17:13
worried about the virus called sin

17:16
definitely so here they are having
17:18
secret meetings
17:20
and again he belongs this rabbi who is
17:23
very respected
17:25
rabba siskol says that kanievsky and
17:28
others of the
17:29
mystical concealed rabbis
17:33
now this is very interesting because
17:36
they also believe of course that
17:38
in any time period in history
17:41
there must be 36 righteous people on
17:44
earth
17:45
36 of them and they don't even know that
17:49
they are the righteous ones but because
17:51
of them
17:51
god spares the entire world because of
17:54
these 36
17:56
righteous people and they will be from
17:58
the jewish community and probably
18:01
maybe one of these rabbis but they won't
18:04
themselves even know that they belong
18:06
to these righteous ones
18:09
now the number 36 is interesting because

18:13
that deals with the constellations of
18:15
the stars it's actually
18:17
a spiritualistic kabbalistic view okay
18:21
36 rooms in the zodiac and uh you know
18:24
yeah each room of course must be
18:26
occupied
18:28
so this is spiritualism mingled
18:31
with religion
18:34
so he began his explosive three-hour
18:37
interview with the warning
18:39
the process of redemption is about to
18:41
start happening very quickly and at a
18:44
fast pace it is important that people
18:46
remain
18:46
calm and steady to act properly
18:50
in the right time another redemption
18:52
they're talking about
18:53
is not redemption from sin
18:56
this is redemption from circumstance
18:59
right
19:01
getting the word out now that the
19:03
messiah is closer than ever
19:06
is a matter of life and death haven't

19:08
you heard of gog and magog
19:10
so it's interesting that you know the
19:12
russians are in that
19:14
and it is such a confusion
19:17
what we're trying to say here is that
19:20
the christian world
19:22
has been drawn into this
19:25
philosophy of the jewish messiah who
19:28
will come
19:30
which is a misnomer in itself because
19:32
the
19:33
christian world believes in the messiah
19:35
has already come
19:37
yes and it will come with power and
19:38
great glory
19:40
how can you actually accommodate
19:46
two versions of the messiah yeah that's
19:49
actually
19:49
very interesting you mentioned that
19:52
because
19:53
now come to think of it it is
19:57
almost impossible yes you've got the
20:00
first messiah

20:01
that the christians believe in that came
20:04
and he's coming in the second time
20:06
and like you said now the jews expect
20:09
their messiah to come for the first time
20:11
yes and
20:12
he's coming to but i think the if you
20:15
get them confused and you make them the
20:17
same person in your mind
20:19
then they also believe that the church
20:21
is being raptured which is a jesuit
20:23
theology
20:24
being taken away while the messiah is
20:27
down here
20:27
probably for a thousand years so what
20:30
are they going to be widows up there
20:32
so that's where the confusion comes it's
20:35
it's totally unbiblical
20:36
yes because now also these christians
20:40
are waiting and the jews are waiting for
20:42
this messiah to come and
20:44
rule on earth for a thousand years what
20:46
does it mean when the bible
20:48
says your house has been left to you

20:51
desolate it means there's nothing there
20:55
now this house is the nation not the
20:58
people
20:59
because paul makes it very clear that
21:02
they have been cut out of the vine
21:05
but because they were natural branches
21:07
they can easily be grafted back in
21:09
but what was the condition for being
21:12
grafted back in
21:13
obedience you have to accept them jesus
21:15
christ is the messiah
21:17
then you are grafted back in because he
21:20
is the vine he is the vine
21:22
so if you do not accept this now
21:26
they say the messianic jews are
21:29
accepting jesus christ as the messiah
21:32
but again there's this difference that
21:34
there
21:35
jesus is a national deliverer it's still
21:38
the nation
21:39
that is prominent and the nation will
21:42
rule
21:43
over the other nations eventually that

21:45
is the philosophy
21:47
but jesus came to deliver us from sin
21:50
his kingdom is
21:51
not of this world and
21:54
there's a millennium where it says that
21:57
the saints
21:58
will be given or the the judgment will
22:02
be handed over to the saints
22:04
so after that millennium they return to
22:08
this earth the holy city comes down
22:11
they're unrighteous or resurrected
22:14
and they are judged fire comes down from
22:17
heaven
22:17
and devours them there's no eternal hell
22:21
that burns the results of the fire are
22:24
eternal
22:25
they will be ashes under their feet the
22:28
bible is very clear they will be
22:31
as though they never were
22:34
so this is such a confusion
22:38
this is a jesuit doctrine that has come
22:40
into the world
22:42
the bible has one messiah and that is

22:45

jesus christ the god

22:46

man that's why you have to touch the

22:49

divinity of christ

22:51

you have to get rid of it if you want to

22:53

mingle all of this stuff together

22:55

because you have to even fit in the iman

22:57

mahdi

22:58

which is the islamic messiah you have to

23:02

fit him

23:02

in and and you want them all to to

23:06

coexist yeah and then you have the hindu

23:09

krishna

23:10

how are you going to accommodate them

23:12

all there's one name under heaven and

23:15

earth whereby you can be saved and that

23:17

is

23:18

untouchable and taking away the divinity

23:20

of christ

23:21

you can you can do that you can do that

23:23

you can do anything

23:26

top rather rabbis look for signs the

23:29

messiah

23:30

is coming so what are the signs that

23:32
they're looking for
23:34
israel is about to go to the polls for
23:36
the third election
23:38
so this is a couple of months ago and
23:41
they're talking about
23:42
rabbi amar the former sephardic chief
23:45
rabbi told the gathering earlier this
23:48
month that the list of significant
23:50
signs of the past year simply cannot be
23:52
ignored
23:54
israel seems unable to elect the
23:56
government
23:57
that's a sign how many countries
24:01
are unable to elect the government
24:03
they're all fighting
24:05
u.s president trump the most powerful
24:07
leader in the world has
24:08
like king cyrus endorsed jewish
24:11
sovereignty in the promised land
24:13
so that is linking the christian world
24:15
with the jewish world the kings of this
24:18
world
24:19
came up to jerusalem that's when all

24:22
the dignitaries came for the holocaust
24:26
remembrance
24:28
in jerusalem these things were never
24:30
dreamed of
24:31
explained rabbi's how can these things
24:34
be
24:35
if not as preparation for the coming of
24:37
the messiah
24:39
so we've also got that peace agreement
24:42
that probably is also a sign
24:44
everything is a sign everything becomes
24:46
a sign now where does it say in the
24:48
bible that prince
24:49
when prince charles comes to visit
24:52
south africa or new zealand that's a
24:55
sign
24:56
that the messiah is coming just say that
24:59
anyway
25:00
so where does this come from not from
25:02
the bible
25:05
so the messiah is at the door so he
25:08
talks about all of these issues and
25:11
according to ahmad's former spiritual

25:13
advisor he was just about to leave for a
25:15
trip abroad
25:16
recently when rabbi khanifsky stopped
25:19
him saying
25:20
you are going abroad you don't know that
25:22
the messiah is standing at the door
25:25
so what are the signs all the great
25:28
rabbis of just
25:29
generation are saying that the messiah
25:31
is about to reveal himself
25:34
that's important all the signs of the
25:37
prophets gave
25:38
all the signs predicted in the gemara
25:41
the mishnah
25:42
the midrash everything is taking place
25:45
one by one
25:46
all we need is to remain strong for a
25:49
little bit longer
25:51
where's the bible where's the bible
25:55
then urged jews everywhere to commit
25:57
themselves
25:58
to torah observance in particular
26:01
keeping the shabbat that's interesting

26:05
orthodox judaism has long taught that
26:07
the messiah will only come once
26:09
all the jews are sanctifying the shabbat
26:14
do you find that interesting very
26:16
interesting so
26:19
how's this linking up with a sunday
26:22
doesn't that
26:23
strike you that in recent times
26:26
israel has actually opened up
26:30
their stores and their their transport
26:33
and their conveniences on the sabbath
26:36
day
26:37
and have introduced the parallel sunday
26:40
observance
26:41
yeah i find that fascinating so
26:45
might there even be an acceptance of a
26:48
universal
26:50
shabbat it is notable how
26:54
closely rabbi amar's exhortation echoes
26:57
that of
26:58
yeshua jesus
27:02
stay dressed for action and keep your
27:04
lamps burning and be like men who are

27:06
waiting for their master to come home
27:08
from the wedding feast
27:10
so that they may open the door to him at
27:13
once when he comes and knocks
27:14
you must also be ready for the son of
27:17
man is coming at an
27:18
hour you do not expect
27:22
interesting so they even quote the new
27:24
testament
27:27
start praying just after rabbi ahmad
27:30
made these stunning remarks
27:31
rabbi avner expressed a similar view in
27:35
an interview with the religious
27:37
israeli news portal kikkar
27:41
hashabat he's one of the world's
27:44
top capitalist rabbis that's mysticism
27:48
that's mysticism
27:50
now doesn't the bible warn against
27:52
mysticism
27:53
yes so we have all this mingling
27:57
of spiritualism now the bible clearly
28:00
says
28:01
that the end time babylon is

28:05
a triune union use of
28:08
the beast the dragon
28:11
and the false prophet and spiritualism
28:15
forms a very important component
28:19
of this mix
28:22
and he likewise believes that what has
28:24
happened here over the past year
28:26
is most definitely a sign of the coming
28:29
of messiah
28:30
it would be advisable to study the torah
28:34
and pray
28:37
good morning israel jerusalem welcomes
28:40
the kings of the gentiles
28:43
so convoy of aeroplanes arrive
28:46
and all of these kings came to visit
28:51
king philip of spain king wilhelm
28:53
alexander of holland king philip of
28:56
belgium prince charles and heir to the
28:59
throne
29:00
of norway prince hakon magnus other
29:03
guests included
29:04
the french president emmanuel macron
29:07
german president

29:09
frank walter steinmeier the presidents
29:12
of italy bulgaria
29:14
etc vladimir putin these are signs that
29:17
the messiah is coming
29:19
so you can make anything a sign right we
29:23
need to stick to the bible the state of
29:26
israel
29:27
the restoration of israel when the bible
29:31
talks about
29:32
israel at the end of time israel means
29:34
he who wrestled with god
29:37
and overcame and the name of jacob
29:41
was changed to israel
29:44
and then the bible is very clear
29:48
that if you are in christ then you are
29:51
the israel of god
29:52
amen so we've gone from a literal
29:56
typological israel to
29:59
a spiritual israel so anybody
30:02
who accepts jesus christ as the savior
30:07
from your sinful condition
30:10
he is the one that belongs to the israel
30:13
of god

30:14
so this israel is not
30:17
in the bible as a physical entity
30:21
because when it says
30:22
your house will be left you desolate
30:24
that's what it means as a political
30:26
entity
30:27
individually except christ and you can
30:30
be grafted in
30:33
now when it comes to these prophets in
30:36
the western world now
30:37
then it becomes very fascinating and we
30:40
have to be very careful to make sure
30:43
that we are walking on biblical ground
30:46
now when it comes to the western world
30:48
and we're looking at some of the
30:51
prophets of this age people that get
30:54
visions from god we have a very
30:57
interesting video here
30:59
where sid roth who has a youtube
31:02
channel which is called it's
31:05
supernatural
31:07
and he's talking to a pastor jeff
31:09
johnson

31:10
who wrote a book the destiny of god's
31:12
america
31:14
and he's talking about donald trump and
31:16
the probability
31:18
of all the definite victory of donald
31:21
trump
31:21
and he refers back to a vision or an
31:24
encounter that
31:25
what george washington had now what's
31:28
interesting
31:30
is that this vision is uh
31:33
prophetic about the united states of
31:35
america and how long it will exist etc
31:38
etc
31:40
and we have to put that into a context
31:42
with the bible
31:44
now let me just talk a little bit about
31:46
george washington we know that he was
31:49
a freemason he was a very high freemason
31:51
yes
31:52
and uh there are many many pictures of
31:55
him with his
31:56
apron and the inaugurations etc

32:00
and one wonders whether these visions
32:03
were
32:04
necessarily visions from god right
32:07
but the whole world is excited about
32:09
this now
32:11
the sid roth is a messianic jew
32:15
or is a jew that has accepted
32:18
yeshua as he says and
32:22
it just sets the stage because this is
32:24
the hype
32:25
in the religious world today and we need
32:27
to discuss this
32:29
because even the elect
32:32
will have to determine is something from
32:34
god or if something's not from god right
32:36
so let's have a look at this interview
32:38
and then we'll stop it
32:40
occasionally because there are some very
32:42
interesting things which are being said
32:45
in fact in the natural i don't think
32:48
trump really stands a chance if you
32:50
believe in
32:51
polls but i believe in god and i believe

32:54

god is going to trump the polls

32:58

god is going to trump the polls and it

32:59

would be scary if if biden would get in

33:02

but he is not going to

33:03

i've seen very clearly i saw the first

33:06

presidential election

33:07

and i was one of the few voices out

33:09

there saying president trump will be

33:11

elected

33:12

stand back watch what happens god's

33:13

gonna turn the tide

33:15

he is gonna get in in this second uh the

33:17

second election

33:19

and uh this is part of the prophecy that

33:21

is written in this book the brand new

33:22

book um

33:24

you know um uh trump the the destiny of

33:27

god's america

33:28

it talks about the the vision uh that

33:31

president

33:32

george washington had back in 1777

33:35

and when the angel visited him trump uh

33:38

the angel visited uh uh george

33:42
washington
33:42
in the in the tent said
33:46
he saw uh three major perils that would
33:49
come to america
33:50
and the angel led him through each peril
33:52
the first peril was about the
33:53
revolutionary war
33:55
the second peril was about the civil war
33:58
and he saw how
33:59
how each time the country came together
34:02
back into unity through these perils
34:04
but there was another peril that came
34:06
and the angel said this is the most
34:08
dangerous peril
34:09
and we have not to date seen uh that
34:12
peril but i believe this is what george
34:14
washington
34:14
saw back in 1777 and what he saw was
34:18
this
34:19
dark clouds that came from around
34:21
different nations
34:22
from all around the world and it was not
34:24
a physical army

34:25
he described it as a black cloud that
34:27
had red eyes or red flashes
34:30
in it and uh and it was a demonic
34:33
army or demonic presence and he saw
34:36
buildings burning i mean look what's
34:37
happening in our country now he saw
34:39
buildings burning
34:40
he saw all kinds of people fighting and
34:43
millions of voices crying out
34:45
and he said that he watched this like a
34:48
television screen and i've been
34:50
involved in you know i've been in
34:52
encounters like that prophetic
34:53
encounters and
34:54
like this prophet that you're talking
34:56
about he saw things
34:57
i've seen things like this well
34:59
president george washington saw these
35:01
things as well
35:02
and he said right when it looked like
35:05
all hope would be lost he said that the
35:08
angel that was there
35:09
in the vision took a trump and he put it

35:12
to his mouth
35:13
and he blew a he blew a long
35:17
fearful blast and that's what the aim is
35:20
excuse me did he use
35:22
the word in the vision did president
35:25
george washington use the word
35:27
trump in his vision it was
35:31
trump it but it was also trump there's
35:33
one place where it says trump and then
35:34
it says trump ed
35:36
so you can say trumpet or trump i think
35:39
it's pretty clear what that is
35:41
you know irregardless when this chaos
35:44
was happening in america
35:45
the angel put a trumpet or a trump to
35:48
his mouth and released
35:49
a long fearful blast and it says that
35:52
the light
35:52
of a thousand sons invaded this is the
35:55
this is the god factor
35:57
sid that you were seeing the god factor
35:59
is that at
36:00
that sound of that trump which i believe

36:02
is the glory of god the restoration of
36:05
this nation
36:06
that will carry us into the future only
36:09
god can do this that trumpet sound came
36:12
and the light of a thousand suns
36:14
invaded america and pushed back the dark
36:17
clouds and again
36:19
life came back into america and people
36:21
had hope again
36:23
and the angel that was in that vision
36:25
took the crown that said
36:26
union on his head and he placed it on
36:29
the people
36:30
and the people bowed down and said amen
36:33
and then the angel said one more thing
36:35
he said as long as there are stars in
36:37
the heaven and as long as the dew comes
36:40
down upon the earth so shall the union
36:43
live forever
36:46
now let's just stop it right there for a
36:49
moment
36:51
what we're seeing here is a
36:54
recounting of the vision of george

36:56

washington

36:58

who as we said was a freemason yes

37:01

now if you read albert pike's book

37:04

then it is pretty clear who the god of

37:06

freemasonry is

37:09

and it's definitely not the god of the

37:11

bible right correct

37:12

because he literally says

37:16

that it is lucifer now

37:20

the other interesting thing is he talks

37:22

about these

37:23

thousand lights and george bush

37:27

senior also used that when he spoke

37:30

about the new world order where he spoke

37:32

about the thousand points of light

37:35

and that is a it's a luciferian doctrine

37:40

and we have to ask ourselves will god

37:45

use someone that is in

37:48

a secret society that has a

37:52

luciferian origin

37:55

will he use someone like that to reveal

37:59

the future of god's kingdom to him

38:02

does he fulfill the criteria

38:06
of the bible of what a prophet should be
38:09
like
38:10
a prophet must have an exemplary life
38:14
a prophet must be obedience obedient to
38:17
god's precepts
38:19
a prophet must have fruits in harmony
38:23
with the biblical criteria and there are
38:26
all the other signs we're not going to
38:27
deal with the signs of a prophet we've
38:29
done that before
38:30
but that has a basis and then to take
38:34
certain words out of a prophecy
38:36
like he used the trump and to apply
38:39
that to donald trump is
38:43
stretching it somewhat wouldn't you say
38:45
yes definitely
38:47
so let's continue with this uh it's like
38:50
you mentioned those day
38:52
back in a previous episode that we did
38:54
of nostradamus
38:57
it's so so broadly they fit everything
39:00
into it eventually eventually everything
39:02
fits in

39:03

now this particular video is is

39:06

interesting and this book is very

39:07

prominent in the united states at the

39:09

moment

39:10

but many many prophets align themselves

39:14

there are differences

39:15

and have different aspects but this is

39:17

basically the core

39:20

of what the evangelical world is running

39:23

with at the moment yes correct

39:25

different prophets everybody eventually

39:28

comes to this

39:29

yes same exactly

39:32

to the law and to the testimony

39:35

if they speak not according to this word

39:38

there is no light in them

39:42

the holy spirit is given to them that

39:45

obey him now i'm not saying

39:47

that god doesn't lead people

39:50

god certainly leads people even people

39:53

that have never heard

39:55

of the truth to the truth through his

39:59

spirit

40:00
so the leading of the spirit applies to
40:02
everyone
40:03
but to be a prophet takes very specific
40:07
criteria and i am
40:11
fearful for the world that they put
40:14
faith in people that do not necessarily
40:18
qualify in terms of the criteria
40:22
if we hold back like what happened in
40:24
1973 with roe versus wade
40:27
and the leaders they didn't want to get
40:28
involved because there's a separation
40:30
between church and state
40:32
that is the most ridiculous demonic
40:34
mindset
40:35
we need to lift our voices to to to have
40:38
our voices counted in the courts of
40:40
heaven
40:41
to be able to release the verdict that
40:43
god wants
40:44
god is looking for someone to agree with
40:46
him on the planet and that's the church
40:48
the church has the final say we might be
40:50
the least according to them according to

40:52
the media the fake news
40:54
but we have the final say if
40:57
my people that are called by my name
40:59
shall humble themselves
41:01
we will shift the tide god is looking
41:03
for his people
41:04
to get involved and to shift the tide
41:07
let's just stop right there and then
41:08
we'll continue with this video
41:11
what did he say the church and state
41:14
separation was
41:15
demonic it was demonic now who also said
41:20
that the pope the pope yes
41:23
he actually has many many things to say
41:26
about
41:27
the separation of church and state now
41:30
when we look at the various models in
41:31
the world
41:33
and this is very important that our our
41:35
listeners
41:36
understand this we're dealing always
41:40
when we're dealing with the mindset of
41:42
humanity

41:44
and we're not talking about small group
41:46
here in a small group there
41:48
we're talking about all of humanity
41:51
how do you shift this juggernaut this
41:54
massive
41:55
ship's mindset into the direction that
41:57
you wanted
41:58
to go hegelian dialectic
42:01
right so you have thesis you have
42:04
antithesis
42:05
and you have synthesis
42:08
now what is the papal
42:12
injunction what does the papacy stand
42:15
for
42:16
the papacy always stood for the two
42:19
swords
42:20
the sword of the spirit and the secular
42:23
source
42:25
and the papacy has made it absolutely
42:27
clear in encyclical of the encyclical
42:30
that the sword of the spirit is superior
42:33
to the secular sword
42:35
and that the secular sword is subject to

42:38
the sword of the spirit so the church
42:41
yields the divine
42:44
sword and the other one yields the
42:47
secular sword
42:48
and the one is subordinate to the other
42:53
now that is how the roman catholic
42:56
church
42:56
ruled the world in the middle ages
43:00
so those ten horns that
43:04
ruled in the european countries and
43:08
all the countries that emanated from
43:10
them that are basically
43:12
part of that system had
43:15
at one stage in the world's history
43:19
given their power unto the beast power
43:22
the papal power
43:24
and they ruled and used the state
43:28
to enforce their dogmas and that's how
43:30
it worked
43:32
but when the papacy ruled
43:35
it had still separated the church
43:38
from the state the church
43:42
held preeminence but the state had a

43:45
measure
43:46
of independence in terms of ruling the
43:50
nation only when it came to the
43:51
religious
43:52
aspect did the church dictate to the
43:54
state
43:56
now that is one model
43:59
now when the french revolution came that
44:02
model was dissolved
44:04
and you had the total separation of
44:07
church and state
44:09
and so the secular world
44:13
eliminated the church out of government
44:16
and since the french revolution that has
44:19
been the model that has been
44:20
particularly followed in the united
44:23
states of america
44:24
and it's now come to a point where
44:27
morality has been thrown
44:29
out of the window so there's a clamoring
44:31
to get back
44:33
to this state now this state that the
44:35
papacy had was a middle ground

44:39
what is the other extreme because you
44:41
have a thesis you have an antithesis
44:43
right the other
44:44
extreme is where the church rules
44:48
absolutely so the church becomes the
44:52
state
44:53
that's never the papal model and you
44:56
have that in the islamic world
44:58
there for example if you go to iran
45:01
the church is the state and the highest
45:05
leader is the ayatollah who
45:08
rules with absolute authority over not
45:12
only the
45:12
church but over the country
45:16
over the state as well so that is
45:20
the antithesis and then you have
45:24
the thesis let's separate them
45:26
completely which has been since the
45:28
state of the french revolution which is
45:31
not the ideal
45:32
according to catholicism they have the
45:34
middle ground
45:36
so now you have a thesis no god

45:39
in government you have an antithesis
45:42
the church rules absolutely and both of
45:46
these are
45:46
in absolute turmoil yeah absolute chaos
45:51
war riots pain
45:56
death suffering what's the solution
46:00
the synthesis yes the roman catholic
46:03
version and that's the roman catholic
46:04
version you get back to square one right
46:06
we go back to the middle ages that's
46:08
where we're heading
46:10
and this is what the man said he echoes
46:13
rome by saying that church
46:16
and state separation is demonic
46:19
they have to come together they're the
46:22
ones that will determine
46:23
and this is where they're heading and
46:25
that's why donald trump is their
46:27
champion now we are not saying
46:31
here at this forum who's going to win
46:34
that's not our place all we know
46:38
is that the bible says that the king of
46:40
the north philosophy in the end

46:43
will overcome the king of the south
46:45
philosophy
46:46
and the king of the south philosophy
46:48
emanated from the french revolution yes
46:50
so that's what you have in the united
46:52
states
46:52
currently and the biden camp obviously
46:56
supports that more strongly than the
46:58
other one right
46:59
okay so we have this scenario and then
47:02
you have the counter pole
47:04
which is absolute religious control
47:08
one more thing that he said was that
47:12
this america
47:15
and this union that he's talking about
47:18
this church and state
47:20
ruling is going to last for how long did
47:22
he say
47:23
forever forever now
47:27
whose philosophy is that is that a
47:29
biblical philosophy
47:31
no no when you look at daniel
47:34
chapter 2 what happens

47:38
when the stone that's not cut out by
47:41
human hands in other words this divine
47:43
intervention strikes the statue what
47:46
happens
47:47
makes a dust dust and even the dust will
47:51
be swept away
47:52
right there will remain nothing of the
47:55
earthly systems
47:57
now whose philosophy are they actually
48:00
echoing now
48:01
when they say that when the church
48:04
finally rules again
48:06
it will be like the kingdom of god that
48:09
will rule
48:09
forever whose philosophy is that the
48:13
roman catholic
48:14
that is the roman catholic philosophy
48:17
roman catholicism believes in
48:20
a millennialism oh yes
48:24
a millennialism in other words there is
48:27
no millennium
48:28
when the church rules yes the kingdom
48:31
will be here

48:32
so the kingdom is the kingdom on earth
48:35
but jesus said my kingdom is not of this
48:37
world
48:39
and he's going to take his children away
48:41
at the last trump the dead in christ
48:44
will rise first
48:45
those that are on the world in the earth
48:49
on the earth at that stage will be
48:52
translated
48:53
in a moment in the twinkling of an eye
48:56
and together with them they will meet
48:58
the lord
48:59
in the air and then they will be taken
49:01
away to heaven
49:03
and there they will rule with god
49:06
a thousand years in him in heaven
49:10
and the judgment will be handed to them
49:13
and the earth
49:14
will be obliterated all the earthly
49:17
kingdoms will come to an end
49:19
this is not biblical
49:23
no prophecy isn't it interesting the
49:26
same philosophy is also with the

49:28
other um savior like um
49:32
things we've been talking about like you
49:34
and none and all this everything is a
49:35
kingdom
49:36
on earth they're all waiting for
49:39
the kingdom to come and the kingdom will
49:42
not be on earth
49:43
this earth is not going to become better
49:45
no and they also have
49:47
what we call a second chance doctrine
49:50
and there is no such thing that would
49:52
not be fair towards all the previous
49:55
generations that don't have a second
49:57
chance doctrine right
49:59
so i'm not doubting
50:02
i don't think we are doubting the
50:04
sincerity
50:06
of the people but what we are pointing
50:09
out
50:10
is that if you are not rooted in the
50:12
word of god
50:14
if you start playing
50:17
the game of incorporating everybody's

50:20
ideas whether he is a mason
50:23
or whether he is a whatever and saying
50:26
that that
50:26
vision is what's going to unfold on
50:29
earth and applying it to our time
50:32
you are not working with the word of god
50:34
it's not the right criterium
50:37
so let's continue and see what else he
50:40
has to say
50:43
but i'll tell you here it's not just
50:45
going to be
50:46
this administration it's not just going
50:48
to be the next four years or
50:51
eight years i saw 20 years
50:54
sid clearly i saw 20 years
50:57
and i believe it's even further because
50:59
the lord spoke to me and i saw in an
51:01
encounter
51:02
he said jeff when the last trump sounds
51:06
and i said what do you mean the last
51:08
trump sounds he said at the last trump
51:11
it will sound well the last trump and i
51:13
said lord what do you mean the last

51:14
trump it was a play on words
51:16
baron trump there's one more thing that
51:19
i would like to share
51:20
sid if i can just tying it together this
51:23
year
51:25
on on november the 11th which is 11 11
51:29
november the 11th
51:30
in 1620 the mayflower dropped anchor
51:34
at plymouth rock well this year
51:37
11 11 2020 is the 400
51:41
year anniversary of the mayflower
51:44
and the lord said jeff just as i raised
51:47
up
51:47
a deliverer i raised up a deliverer who
51:52
who confronted the powers of the day
51:54
governmentally
51:55
governed sound familiar i raised up the
51:58
powers of the day
51:59
i will lead my people in a glory revival
52:02
that will deliver them
52:04
from any other government any other
52:06
nation i will lead them through the
52:08
power of signs and wonders and miracles

52:10
like they did with exodus
52:12
in exodus where the children of israel
52:14
were in bondage
52:15
400 years and they came out through the
52:18
power of signs wonders and miracles and
52:19
according to
52:20
psalm 105 they came up with all of the
52:23
gold
52:24
all of the silver and there was not one
52:26
feeble among them because
52:27
of the healing angel and that's coming
52:30
to america
52:31
it's coming to israel it's coming to the
52:33
middle east
52:34
it's coming to the nations but
52:36
everything hinges on this election and
52:38
it's so
52:40
so key
52:43
now he talks about 20 years
52:46
i hope he's wrong
52:51
and he's talking about donald trump
52:54
now who's that that's donald's son
52:58
so he's thinking of a succession where

53:00
eventually
53:01
even the son of donald trump will play
53:03
an important role
53:05
sometime in the next 20 years
53:09
now does the bible say anything about
53:11
these things
53:12
no is this rooted anywhere in the bible
53:15
no
53:16
and he's saying it's coming to how many
53:17
nations or all the world
53:19
including including
53:23
israel yeah so we have
53:26
a total mixture of all of these things
53:29
based basically on a vision that goes
53:32
all the way back
53:34
to washington who was a mason
53:37
and we have to ask ourselves can we run
53:40
with us
53:41
he mentioned in this last part that
53:45
god said to him i will raise up
53:49
a savior the
53:53
new age is also waiting for a dawn
53:56
of the new age yes that will also have

53:59
and they're all waiting for a messiah
54:03
all of this is starting to interconnect
54:06
so basically what we are saying
54:10
is all of these confusions that are out
54:13
there in the world
54:15
can be avoided if you take a simple
54:18
thus says the word and thus
54:21
says the lord and you know what making
54:23
it so but
54:24
what makes it more confusing is the true
54:28
return of jesus is also then
54:31
imminent so you've got all of this the
54:34
devil is not
54:36
stupid no it's not stupid he knows that
54:39
all of this is culminating at the same
54:41
time absolutely
54:43
and how many nations does he want to
54:45
have
54:46
deceived everybody all of them so some
54:49
of them accept jesus christ as their
54:52
as their personal savior some of them
54:54
don't
54:55
some of them outright reject him even as

54:58
of any significance whatsoever and as we
55:01
said
55:02
right in the beginning that is the key
55:05
that is the key so now i can have a
55:07
union
55:08
and i can have peace and i have
55:10
prosperity and i can have a kingdom
55:13
with people that accept jesus with
55:15
people that don't accept jesus with
55:17
people that
55:18
outright the crime as an imposter
55:22
that is a babylonian confusion
55:25
if ever there was one
55:29
and it's also interesting how they use
55:32
dates and
55:33
jubilees and all of these things like
55:36
uh the mayflower and the date that he
55:39
used for the mayflower
55:41
and november 11 november 11 11 11
55:45
and the mayflower was then and then 11
55:48
11 it will be exactly 400 years
55:52
since that time and that a deliverer
55:54
would come and the children of israel

55:56
were exactly 400 years and then they
55:59
were delivered
56:00
and so he is implying that donald trump
56:04
will be the deliverer can you
56:07
use uh prophecy in that way is that a
56:10
biblical way
56:11
of interpreting prophecy no no
56:15
so uh we're not trying to be harsh here
56:19
we're just trying to show people that
56:22
your criteria
56:23
always has to be the word of god
56:27
let's let's put a jewish voice into the
56:30
mix now here we have
56:31
another prophet or prophecy
56:35
and this is messianic judaism let's hear
56:38
what they have to say
56:42
yeah well the harbinger began when i was
56:43
standing at ground zero
56:45
and i saw this the tree and this
56:48
and and i was led that something
56:51
said you have to tr
56:52
you have to check this out it became
56:53
this mystery the harbinger for those who

56:54
don't know
56:55
um is the mystery of the template of
56:58
warning
56:58
and judgment of a nation that has known
57:00
god and is turned away
57:02
from ancient israel and in its last days
57:04
of ancient israel these nine harbingers
57:06
or
57:07
signs appear in the land and we've
57:09
spoken you were one of the first people
57:11
i ever spoke to
57:12
you know in the media um and how every
57:14
sign precisely eerily
57:16
you know um involving uh starting with 9
57:18
11. that it always begins with this
57:20
strike on the land and it's a warning
57:22
strike
57:22
it's a shaking of the nation um but then
57:25
comes this
57:26
period of time after that and uh this
57:28
window of time and you go following the
57:30
template
57:31
the nation is given this time period um

57:33
and if to come back to god
57:35
if it doesn't come back then greater
57:38
shakings come and the thing is i i've
57:40
sensed that
57:41
we were coming to the end of this window
57:43
or at least the end of a part of this
57:44
window
57:45
um before 2020. i i sensed that 2020
57:48
was gonna be i mean i told people about
57:50
it 2020 was going to be this
57:52
this time where where we're in danger of
57:54
the with the window and i actually and i
57:56
told people about israel at the
57:57
beginning of the year i believe it's a
57:58
year of
57:59
shaking and the thing is when i look
58:00
back at the harbinger jonathan when i
58:02
read
58:03
things to come there's a chapter called
58:05
things to come
58:06
and it talks about the greater the
58:08
shakings that will resume in the nation
58:10
and i'm just going to just this i just

58:12
quickly xeroxed it here
58:13
um it says the shakings will take the
58:15
form of either it
58:16
can they may take the form of economic
58:18
disintegration
58:20
uh we're seeing military defeat not yet
58:23
disorder and division we're seeing it
58:26
the collapse of
58:27
infrastructure we're seeing it man-made
58:29
calamities calamities of nature and goes
58:31
on
58:32
and the thing is that there that's the
58:34
pattern the pattern is the sh
58:35
you have that initial warning strike
58:38
then you have a time period and then you
58:39
have
58:40
the greater shakings um not only that
58:42
but in that when i look at the chapter
58:44
jonathan it it speaks about it when it
58:46
speaks about the shaking to come it
58:48
speaks about the word crown
58:49
the word crown is the word corona now i
58:52
i didn't know

58:53
it's there but it's there and things to
58:54
come and the other thing is i won't get
58:56
into it now
58:57
but it actually when i looked at it it
58:59
actually pinpoints the year
59:01
2020 and i'll i'll tell i'll show you
59:03
but it's there in the harbinger you can
59:05
re
59:05
you can read it not that god had not
59:07
that it had to happen
59:08
but that it's happening and that's one
59:10
of the templates of biblical templates
59:12
why for years i was looking at this year
59:13
2020
59:14
and so now we are dealing with great
59:16
shaking
59:19
so now we have the crown we have the
59:21
corona we have everything
59:23
mixed in there and uh
59:26
he's talking about all of these world
59:28
events he even mentioned
59:29
calamities man-made and natural
59:32
exactly change now again let's let's

59:35
just go back to square one
59:37
the heart of the end time
59:40
events that will take place we find in
59:43
the heart of the book of revelation and
59:46
that
59:46
is from chapter 11 all the way through
59:49
to chapter 17
59:51
and then we get eschatol eschatology
59:54
coming in
59:55
and the role players to watch
59:58
are the beast out of the sea and the
60:01
beast out of the earth
60:03
and the one the beast out of the seas is
60:06
the papacy
60:07
because that was clearly defined by the
60:09
reformers
60:11
and they were all of one accord when it
60:13
came to that
60:14
issue and the beast out of the earth
60:17
is the united states of america which
60:20
will
60:20
once again introduce an
60:23
image to the beast and enforce papal

60:26
decrees in other words what the bible is
60:28
saying
60:29
is that the system of the first beast
60:33
rome which was church and state together
60:35
yes
60:37
will be replaced by the second beast
60:40
that will do its bidding but before it
60:42
can do that it must first create an
60:45
image
60:45
in other words it must become like the
60:47
first one was
60:48
so the king of the north which is the
60:51
first one must defeat
60:53
the secularism and go back to the status
60:56
quo
60:57
yes that's what we have to watch do
60:59
these prophets
61:01
in any sense ever warn against the first
61:04
peace
61:04
no there's no warning in the first place
61:07
none whatsoever roman catholicism now
61:09
okay is there any warning about the
61:12
image of the beast

61:14
no no nothing so is there something
61:17
missing
61:18
yes so everything that's happening
61:20
around
61:22
is being attacked and the problem is the
61:24
separation of church and state
61:27
and it's fascinating to me and we've
61:29
we've we've shown it in
61:30
previous discussions that even
61:34
the jews are saying that the church and
61:36
the state in america must come together
61:38
even though they're talking about the
61:40
christian world coming together
61:42
that's what we need for morality so the
61:45
entire heart
61:46
of the book of revelation is left out of
61:49
the scenario
61:52
now besides these prophecies the
61:54
habitung
61:55
is of course also an interesting word
61:57
it's a harbinger is someone who brings
61:59
the news right or something that
62:02
tells what's going to happen in the

62:04
future
62:05
and then you have these strange
62:07
prophecies in between very specific ones
62:10
about who's going to die
62:12
and what's going to happen and everybody
62:16
is on a roller coaster with all of these
62:19
prophecies
62:20
is there any thus says the lord in all
62:22
of this so listen to this one
62:24
i found this one rather interesting
62:29
we are in a very sad state ladies and
62:31
gentlemen a very
62:32
sad state and god is going to deal with
62:35
all these false apostles and all
62:37
these false prophets and prophetess is
62:39
interesting these people call themselves
62:40
prophets but yet
62:41
when we sit down we talk about the word
62:43
of god hey they have no knowledge of the
62:44
word of god well i pray six hours a day
62:46
god's not interested in your prayers
62:48
ladies and gentlemen
62:48
he's interested in your and he's

62:50
spending time in his word
62:52
and abiding in his word
62:55
god doesn't care about you praying god
62:57
is worried and wants you to be abiding
62:59
in the word
63:02
allow me to explain to you the events
63:04
that are going to take place
63:05
president trump is going to die
63:07
california is going to have their 10.0
63:10
earthquake
63:10
before the end of summer of this year i
63:12
went last snap
63:14
last september on september 4th i
63:16
released a video
63:17
that california was going to have the
63:19
10.0 earthquake
63:21
and it didn't happen and it didn't
63:22
happen because god is warning people it
63:25
was a warning ladies and gentlemen
63:27
and the sad part about it is we have not
63:29
taken heed to the warning of god
63:32
and when the 10.0 earthquake happens we
63:34
will lose the internet that's why you

63:36
want to save things on your computer
63:39
and america is going to collapse there's
63:41
something you need to look for there's
63:43
something you need to
63:44
see so that you know that what i'm
63:46
telling you is about to take place
63:48
and the event is this there is going to
63:51
be a cataclysmic event that's going to
63:53
shock
63:54
and rock the christian community in the
63:56
next ten to seven days seven to ten days
63:59
and that's when the four televangelists
64:00
die on the same day kenneth copeland jim
64:03
baker john shorey
64:04
and joyce meyers when those four people
64:07
die on the same date
64:08
ladies and gentlemen then you know it's
64:11
time for you to prepare
64:13
yesterday morning the lord gave me and
64:15
i've only had a few of them
64:18
but i had a crystal clear vision of four
64:20
men
64:21
plotting the assassination of the

64:24
president united states donald trump
64:26
four men plotting his assassination
64:30
the death of donald trump is going to
64:32
mean great changes for america but
64:34
before he dies there's going to be one
64:35
event that's going to take place
64:38
and that is that event is and i've done
64:40
videos on this before is there's gonna
64:42
be four televangelists
64:44
kenneth copeland jim baker john shorey
64:48
joyce meyers that are all gonna die on
64:50
the same day
64:51
the biblical foundation is first samuel
64:53
chapter four you will see that eli his
64:55
two sons
64:56
and his daughter-in-law all died on the
64:58
same day when that happens you know that
65:00
the death of donald
65:02
j trump is soon behind not
65:05
far after
65:08
he predicted an earthquake and it never
65:10
happened yeah
65:12
so it didn't happen because god was

65:15
still giving a warning
65:17
now it's possible god said nineveh is
65:20
going to fall and
65:22
it didn't because they repented right
65:24
but was there any repentance in
65:26
california that you know about
65:29
no so what does the bible say when
65:31
somebody says something and it doesn't
65:33
happen
65:34
he's a false prophet and then four
65:37
televangelists are going to die on the
65:39
same day
65:40
and then donald trump will be
65:42
assassinated but apparently they say
65:44
there have been many attempts on
65:46
donald trump's life but be that as it
65:50
may
65:51
this is just throwing more information
65:54
into the world and people are looking to
65:57
this one and he's very adamant
65:59
god gave him this vision right he's
66:01
saying that the others
66:03
are false prophets the others are false

66:04
prophets and so
66:06
they're going to disappear is it
66:08
possible
66:09
to take names out of the bible let's say
66:11
eli and his sons
66:13
and say let's apply that to four
66:15
televangelists living today
66:18
it's possible to do it but the accuracy
66:20
of it
66:21
especially if one of them's a woman
66:22
right a cherry picking
66:26
yeah it's cherry picking absolutely
66:28
context for you so
66:29
can we bottom line can we in
66:33
any way put our faith in
66:36
signs and wonders in prophecies in all
66:40
of these things can we do that
66:42
if it is aligned with the bible
66:46
and like to the law and to the testimony
66:49
then
66:50
you can but you must filter and test it
66:52
exactly
66:54
and then you only can start relying on

66:57

now we've been speaking a lot about

66:59

signs of the time and

67:03

you know some people will say conspiracy

67:06

but as long as it is aligned

67:08

with the bible and with the word of god

67:12

then it's not a conspiracy yeah i think

67:15

in in the past

67:17

this is episode 30. i think in the past

67:20

29 episodes that's one of the main

67:22

things we've been trying to

67:25

bring over yes if it's your filter is

67:28

the bible

67:29

even if we use ellen white's writings

67:32

you filter it through the bible

67:34

it has to be in harmony with the bible

67:36

and

67:37

there that's why all these prophets

67:41

you put them on the same so what is our

67:43

message to the people out there and what

67:45

is our message

67:46

to the people within the church because

67:48

the danger as we saw

67:51

is that even the elect will be deceived

67:54
and that miracles and signs and wonders
67:58
will bring this about and especially
68:00
miracles of healing
68:01
yes well that's very hard to just ignore
68:05
right
68:07
finally our discussion would not be
68:11
complete if we didn't also refer to lou
68:14
engel
68:15
who of course was the man who organized
68:17
the call and the send
68:19
and is very very prominent in the
68:22
evangelical circles so
68:24
let us see what he has to say
68:27
and put that into the mix
68:31
recently when president trump was
68:33
elected who is the most pro-life
68:36
president in the history of america
68:39
his stand for the church has been so
68:41
amazing
68:42
i i felt like the lord rebuked me and
68:45
and said to me lou you've told the story
68:48
of wilberforce in the movie theater
68:50
you told your story of your prayer but

68:52
you didn't believe
68:54
you just thought it was a great story
68:56
but i'm answering your story
68:58
if the church will pray i'm answering
69:00
your story
69:01
that president trump is the wilberforce
69:04
you prayed for at that moment
69:06
and so i bring it to this thing where
69:08
recently
69:10
recently i've been praying i've done 40
69:12
day fast over the years
69:13
and i said lord i can't call another 40
69:16
day fast it's a crisis
69:18
but i can't do it i've called too many
69:19
fast and i said lord if you want me to
69:22
call this fast
69:23
then god you've got to confirm it to me
69:26
because i don't want to
69:27
have good ideas two nights later
69:30
i have a dream and in the dream i in an
69:33
intimate conversation
69:35
with president trump and i could feel
69:36
his pain i could feel his loneliness i

69:39
could feel
69:40
the pressure and the attack against his
69:42
life in the dream
69:44
and suddenly i say and i lift my voice
69:46
with deep emotion toward him and deep
69:48
love
69:49
and i said i am going to pour out my
69:52
heart for 40 days of fasting
69:55
and and i'm going to be praying for you
69:58
and for america i woke up and i knew
70:02
that that was the call we're calling it
70:04
the hinge of history fast
70:06
and i would like to invite many of you
70:08
that are watching
70:09
to enter into this fast that started two
70:12
days ago
70:13
daring to believe that principalities of
70:16
powers of death
70:17
and racism anger and rice can be broken
70:21
in the heavens with massive fasting and
70:23
prayer we're doing this
70:25
and i think it's sovereign that i'm on
70:27
the phone with you

70:28
alan and with all these constituents
70:31
it's a time
70:32
i'm afraid that we're at a moment that
70:34
if things don't shift
70:36
we could be headed to a civil war
70:39
so he is saying that
70:43
everything has to come together and we
70:45
need a wilber force
70:46
we need a will by force now that's very
70:50
interesting to me
70:51
because i was an evolutionist right
70:53
before i
70:54
discovered the truth of the scriptures
70:58
now bishop wilberforce was the one who
71:00
debated
71:03
in the issue of of darwinism
71:06
and he debated darwin's bulldog
71:09
huxley and apparently
71:12
in that debate even though wilberforce
71:15
was very fiery
71:16
uh huxley was the one who actually won
71:20
the day
71:21
so the scientific world has to say today

71:24
so basically what he's saying is that
71:26
donald trump is the one
71:28
that opposes secularism
71:31
and opposes the anti-god movement just
71:34
like wilberforce
71:35
opposed darwinism and they're all
71:38
rooting for trump
71:41
now if trump wins that will be
71:43
interesting
71:45
because what kind of religion and state
71:48
union will you have then it's going to
71:50
be an
71:51
interesting one with you if you look at
71:53
all the advisors and all the different
71:56
um denominations exactly is it going to
71:59
be a biblical union or is it going to be
72:01
a papal union
72:02
it's going to be people it's going to be
72:04
a papal union
72:06
ecumenical one so we've seen
72:10
many visions we've seen we've discussed
72:13
them whether they are in harmony with
72:15
the bible

72:17
let's just end on this quote
72:20
which comes from maranatha
72:23
and it talks about satanic miracles
72:26
and it quotes revelation 13 13 which is
72:30
the heart of what we have discussed
72:32
where we have the two beasts
72:35
in this wonderful revelation
72:38
and he doeth great wonders so that he
72:40
makes fire come down from heaven on the
72:43
earth in the sight of men
72:45
as the people of god approach the perils
72:48
of the last days
72:49
satan holds earnest consultation with
72:52
his angels
72:53
as to the most successful plan of
72:56
overthrowing their faith
72:58
he sees that the popular churches are
73:01
already lulled to sleep
73:03
by his deceptive power
73:06
did we see that yes what's the criterium
73:10
the word of god yes
73:14
by pleasing sophistry and lying wonders
73:17
he can continue to hold them under his

73:19
control
73:21
therefore he directs his angels to lay
73:23
their snares
73:24
especially for those who are looking for
73:27
the second advent of christ and
73:29
endeavoring to keep the commandments of
73:31
god
73:33
even the elect will be deceived
73:37
if they focus on these things
73:42
we are warned that in the last days he
73:44
will work with signs
73:46
and lying wonders and he will continue
73:48
these wonders
73:49
until the close of probation that he may
73:53
point to them
73:53
as evidence that he is an angel of light
73:56
and not of darkness
73:58
this is serious yes satan will come in
74:02
to deceive if possible the very elect he
74:05
claims to be christ and he is coming in
74:07
pretending to be a great medical
74:10
missionary
74:11
they're waiting for the messiah right

74:14
he will cause fire to come down from
74:16
heaven in the sight of men
74:18
to prove that he is god
74:22
the bottom line of what we have been
74:24
discussing
74:27
is that the bible is the criterium from
74:29
which we work
74:31
as we stated in the beginning the
74:33
centrality of christ
74:35
is absolute paramount
74:38
we cannot mix various religious systems
74:43
and still have christ in the centrality
74:47
so my prayer is that god's people
74:51
will take a firm stand on a thus says
74:54
the lord
74:56
and that people out there that are
74:59
confused
75:00
and that have left the light that has
75:04
been shining upon the path
75:06
i mean the reformation gave such clear
75:09
light
75:10
why is that being rejected why are there
75:13
only

75:14
flashes here and flashes there but they
75:16
get lost in the noise
75:19
we need to get back to the clear light
75:21
that god gave
75:23
to the founders of the reformation
75:25
movement
75:26
and to the final remnant that keep the
75:30
commandments of god
75:32
and hold to the testimony of jesus in
75:35
the
75:35
upcoming episode we can then discuss
75:39
what will be the final uh events
75:43
around around these uh false
75:47
things and what is coming upon those
75:50
people
75:50
and the earth yes and then we can carry
75:52
on from there
75:54
to deliverance of god's people yes we
75:56
will discuss that
75:58
we will discuss what these final events
76:01
will be
76:02
and why the commandments of god and the
76:04
faith of jesus

76:06

is so prominent a feature of the final

76:09

message to humanity

76:11

let's pray heavenly father the issue of

76:15

signs and wonders

76:17

and of prophecies that pervade the world

76:21

out there

76:22

is a serious problem but not only out

76:25

there lord within our

76:27

very own ranks we have similar

76:29

experiences

76:30

every wind of doctrine is blowing

76:34

help us lord to be rooted in the truth

76:36

to stand by the pillars of the faith

76:39

which are founded on an unshakable

76:42

foundation

76:44

give us strength and wisdom for the

76:46

times in which we are living is our

76:48

prayer in jesus name

76:50

amen amen
